Mona Cooks:

Midget Kate Valery, 2020-12-27 The novel *Midget Symphony of the Ocean* is touching some of the most important modern topics the places of handicapped and mentally ill people in today's society. It contains ever living values and ideas of good and evil, talent and mediocrity, love and hatred, purity and foul honesty and lies, willpower and weakness, hypocrisy and truth, punishment and crime. The genius composer Jim Bogat is a midget severely handicapped from birth. After death of his adoptive mother, he ends up accidentally in a group home for mentally ill people. Being the only one person in the house who is in his right mind, he started noticing very strange things that are going on around. The owner of the group home, Mona Lainer, uses a compulsion to pull naive and inexperienced Jim into a sexual relationship, trying to prevent his investigative mind from discovering her dangerous secrets. Noticing Jim's super talent in composing music, Mona is stealing page by page the main creature of his life. *Symphony of the Ocean* scheming to present her daughter as a genius composer and make her rich and famous. However, those are only the smallest of the crimes and abuses which are happening with all the residents of the group home. There is hidden much more. The young Ukrainian immigrant Lada, the sister of a symphony orchestra conductor, got involved in Jim's investigation and also in his almost impossible task to find his birth parents. The tragic story of a famous rock star's family appeared on the way of Jim and Lada and unexpectedly helps them to organize the concert of Jim's dreams and to perform his symphony. But will they survive the green-eyed jealous Monster following on their steps? What's happening with the group home mentally challenged residents in the forest 100 km away from the city while in the concert hall Jim's symphony is playing? Will they survive unexpected horrible disaster? Or will the world collapse for Jim and Lada in the hour of the triumphal performance of his *Symphony of the Ocean* The Darkening Hour Penny

Hancock, 2013-08-29 Who do you trust? Meet Theodora. And Mona. Two women from completely different walks of life forced by circumstances to live together under one roof. Both women are at their wits' end, scared of losing the one thing that's most precious to them. So when tensions boil over, who will go to the most extreme lengths to survive? Will it be Theodora finally breaking under the pressure? Or Mona desperate to find a way out? In a tale of modern-day slavery and paranoia, two women tell their sides of the story. Who do you trust? The author skilfully plays with the two narrators' versions of reality as this dark and brooding novel races towards its genuinely scary conclusion. Sunday Mirror Penny Hancock cranks up the tension in *The Darkening Hours* so when a murder is committed, we don't know who to believe. This thriller about a stressed-out radio presenter who demands more and more from her elderly father's put-upon carer is frighteningly plausible. Thriller of the Month Good Housekeeping *In Search of Love* Moumita Choudhury, 2024-02-17 A story of a girl from a middle-class family in the year 1982 where she lived with her parents and younger sister who was 5 years younger to her.
