Treasure: The Oak Island Money Pit Mystery Unraveled ,2020-05-11 Three thirteen year old boys meet by chance over their summer vacations in a small and boring seaport village in Nova Scotia They become friends by necessity end up searching for pirate treasure and trying to solve the 250 year old mystery of the Oak Island Money Pit Seth Goldstein is the wimpy but super intelligent son of a powerful New York City attorney Jake Harris is a muscular football fanatic from an oil family in Horseshoe Bay Texas and Rob Harmon is a troubled long haired surfer kid from San Diego One day while taking a short cut through and alley they are approached by a homeless man who makes them an unusual and speculative offer a treasure map Although highly suspicious the boys accept the man s deal The deal as it turns out will take them on a quest through nearly five hundred years of history from the Spanish Conquistadors to the American Revolution to present day Unbeknownst to them they are not the only one looking for this treasure For more than two hundred years since another trio of teens in 1795 found the first clues the legend of treasure buried on Oak Island has been one involving pirates presidents powerful greedy people and obsessed treasure hunters The boys are in danger before they know it Soon they realize they are risking their lives at every turn but are too far in to turn back The perils of their journey force them to reach deep inside themselves for the strength and character they will need to survive It is an adventure that will change their lives forever

Maps, Mystery and Interpretation G J Bath,2014-05-05 An Oak Island Reconstruction In these rational times common sense might dictate that it would be rash to spend the greater part of one s life and wealth in search of buried treasure yet there are some who have done so It might seem an even greater folly to pursue such a dream based on the supposed existence of so called treasure maps yet some are convinced that this is a reasonable basis for action For some two hundred years a long list of hopefuls have poured their wealth their hearts and their souls into the quest for a treasure reputedly buried on Oak Island Nova Scotia The focus of attention has been a deep shaft long ago dubbed the Money Pit that has defied all attempts to

expose the wealth believed by many to lie in its depths Could the Money Pit be a trap to snare the unwary Might it not be more reasonable to suppose that any treasure on Oak Island lies somewhere else on the island and even that a set of cryptic treasure maps which many consider bogus were actually created in order to locate it In this book the author reveals hitherto unpublished information and presents a scenario that demonstrates this could have been possible *In Search of the Money Pit Mystery (videorecording)*.
