Friedman,Rainey,1999 Every night Angie imagines monsters filling her room until her very special dog helps her to send them away to where they will be happy and never bother her again **If Your Monster Won't Go To Bed** Denise Vega,2017-03-14 For fans of How to Babysit a Grandpa comes a tongue in cheek story that is a step by step manual for putting your monster to bed If you have a monster that won't go to bed don't bother asking your parents to help They know a lot about putting kids to bed but nothing about putting monsters to bed It's not their fault they're just not good at it Read this book instead It will tell you what to feed your monster before bed it's not warm milk and what to sing to your monster it's not a soothing lullaby and what to read to your monster to send him off to dreamland in no time the scarier the better Just make sure you don't get too good at putting monsters to bed or you might have a BIG problem on your hands Praise for Zachariah OHora The text is pitch perfect and the art is its match Chicago Tribune Wolfie the Bunny Picture books with hip quirky illustrations that are not just funny but also have plenty of heart are hard to find The stylish My Cousin Momo by Zachariah OHora has it all The Boston Globe My Cousin Momo set star OHora's acrylic paintings are the heart of this tale They clearly show everyone's feelings and there are brilliant bits of humor and whimsy School Library Journal starred review Wolfie the Bunny OHora could paint stones in the street and make them funny Publishers Weekly My Cousin Momo **Go to Sleep, Monster!** Kevin Cornell,2016-04-12 Go to Sleep Monster is a funny and surprising twist on the typical monster under your bed story Getting George to sleep is a nightmare But getting a monster to sleep That's an adventure This is the first book written and illustrated by the bestselling artist of the Terrible Two series Kevin Cornell *The Monster on Top of the Bed* Alan H. Jordan,2014-07-28 Blimp bloop blimp bloop Suzy gripped her sheets tightly Was that noise coming from under her bed Helps Children Banish Bedtime Fears So begins Suzy's adventure where she meets Karrit another child and one that lives far under her bed The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated A Fear of Monsters is Common A fear of monsters under the bed is common with children of all ages starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children The Monster on Top of the Bed flips the idea around like the famous Disney Movie Monsters Inc and bases the story on the concept that it's the monsters that are actually afraid of the children The Children Model The Golden Rule In this beautifully illustrated book we meet two children Suzy and Karrit and we discover that sometimes things are not always what they seem and when the monster fears the child we come to see a different perspective on misunderstandings and ignorance We also discover that it is easy to misinterpret the meanings of words and actions when Karrit explains to Suzy that certain things she says and does frightens him Although the words The Golden Rule never appear in the book the way the two children treat each other as

though they would like to be treated enable the two of them to work together to work out their differences A friendship forms and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all A Mantra that Banishes Nighttime Fears When things get scary both children use Grandmom's mantra which is highly effective in banishing monsters You're welcome to stay until I say Nay Then it's time to go and you can't say no This is an empowering bedtime story The multimedia edition contains a link to an mp4 file that features the same audio tracks in the CD version Children can listen to the story being read by four narrators who read the story in English Spanish and Italian There are page turning sounds to let the child know when to turn the page There are slight differences between the words in CD version and the Kindle version Children like the challenge of finding the differences In addition to reading the story the multimedia kindle edition also contains bonus material including an interview with the illustrator and other stories and poems written by the author Order Copies For Yourself and Your Friends It's perfect for three to six year olds and six to twelve year olds who are sometimes still afraid of monsters find the story charming and enjoy reading it to their younger siblings
