Mrs Gallagher And The Neer Do Well:

Miss Edith's Mistletoe Miracle Samantha Grace, 2025-01-13 This book was previously published under the title *Kissed by a Scottish Rogue* No significant changes have been made to the plot or characters in this edition As a companion to *Lady Prestwick's Deal with a Devil* this story takes place in the same world as Sebastian and Helena's love story and may contain some spoilers for readers who haven't yet read their book His mother insists he needs a wife Fergus McTaggart land steward of Aldmist Fell has no time for wife hunting Any day his employer's long lost sisters are arriving at the Scottish castle and Fergus is determined to make their Christmas reunion memorable especially for the youngest sister who has him wrapped around her finger But so far all anyone is likely to recall are the loud rows between him and Edith Gallagher his employer's paid companion A woman has never bested him but he might have met his match in the cheeky Sassenach Edith thinks he could use a good knock on the head Edith has been charged with watching over her employer's youngest sister and keeping her safe while the family winters at the remote estate but a stubborn Scottish oaf and his harebrained ideas are making her job more nerve wracking than it should be After many heated quarrels over what is in the girl's best interests she and Mr McTaggart call a temporary truce for the holiday Soon they realize their passionate battles have been masking their desire for one another which is rather inconvenient because with Edith's unsuitable background she can never be the woman Mr McTaggart needs

Meyers, Elise Meyers Walker, 2018-11-20 In the late 19th century Ohio was reeling from a wave of lynchings and other acts of racially motivated mob violence. Many of these acts were attributed to well known and respected men and women yet few of them were ever prosecuted some were even lauded for taking the law into their own hands. In 1892 Ohio born Benjamin Harrison was the first U S President to call for anti lynching legislation. Four years later his home state responded with the Smith Act for the Suppression of Mob Violence. One of the most severe anti lynching laws in the country it was a major step forward though it did little to address the underlying causes of racial intolerance and distrust of law enforcement. Chronicling hundreds of acts of mob violence in Ohio this book explores the acts themselves their motivations and the law's response to them.
