photos and a complete discography **Food Jockey** Spencer T-T Palmer, 2003-05-08 Food Jockey is more or less an account of Spencer Palmer's year in the business of fast food. In telling his experience, Palmer holds nothing back; he tells you what goes on when a fast food worker dons the uniform and tells you what the job is like and lets you in on the everyday goings of the restaurant business. Palmer reveals stories of working alongside fellow employees, dealings with the public, restaurant procedures, and everything else that goes on within the walls of Fuddrucker's. Spencer Palmer began the job one day and found himself leaving a year later, realizing it was rare for a single person to last a whole year in the fast food business. He reveals what drove him to take his job and he tells what drove him to leave his job after a year. At times, this tale is not pleasant as it reveals the dark side to Palmer's thoughts and the actions of numerous people. A revealing tale, Palmer tells everything what a person encounters while he is on the job in the restaurant business. What is it like to work in a fast food restaurant? Just ask Spencer Palmer. The Thing Inside My head Lois Chabber, *The Drowning Tree* Carol

Goodman, 2004-12-28 Artfully imagined, intricately detailed, eerily poignant, these are the outstanding features of Carol Goodman's literary thrillers. She is part novelist, part craftsman, and *The Drowning Tree* is her newest masterpiece. Juno McKay intended to avoid the nearby campus of her alma mater during her fifteenth reunion weekend, but she just can't turn down the chance to see her longtime friend Christine Webb speak at the Penrose College library. Though Juno cringes at the inevitable talk of the pregnancy that kept her from graduating and of her husband Neil Buchwald, who ended up in a mental hospital only two years after their wedding, Juno endures the gossip for her friend's sake. Christine's lecture sends shockwaves through the rapt crowd when she reveals little-known details about the lives of two sisters, Eugenie and Clare, members of the powerful and influential family whose name the college bears. Christine's revelation throws shadows of betrayal, lust, and insanity onto the family's distinguished facade. But after the lecture, Christine seems distant, uneasy, and sad. The next day she disappears. Juno immediately suspects a connection to her friend's shocking speech. Although painfully reminded of her own experience with Neil's mental illness, Juno nevertheless peels away the layers of secrets and madness that surround the Penrose dynasty. She fears that Christine discovered something damning about them, perhaps even something worth killing for. And Juno is determined to find it for herself, for her friend, and for her long-lost husband.
