**An Uncertain Certainty** Graham Buxton, 2014-09-25 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst
