Independent Reading Activities That Keep Kids Learning ... While You Teach Small Groups Susan Finney, 2003-04 50 engaging reproducible activity sheets management strategies and tips for differentiating instruction that help kids build key strategies independently Cover *The Idea and Practice of Reading* R. Joseph Ponniah, Sathyaraj Venkatesan, 2018-05-08 This book addresses basic issues in language education and explores how reading with a focus on meaning contributes to the development of all aspects of language including vocabulary spelling grammar and syntax It departs from traditional methods and practices in language learning to investigate the potency of reading in improving language acquisition The traditional practice in language classes to teach language skills explicitly through acquiring forms and structures of language is often less than successful and teachers are gradually incorporating reading materials and practices into the curriculum This book provides important inputs to language teachers and educators on the need to include reading as an idea and as a practice into the curriculum Among other things it explores the benefits of incidental learning of language properties such as vocabulary syntax and grammar and gives adequate exposure to different types of reading strategies to promote reading among learners It also exploits the possible transfer of L1 reading strategies and capabilities to L2 reading for language acquisition In so doing this book hopes to promote autonomous learning among L2 learners and guide readers in alternative strategies to solve comprehension problems *Simple Reading Activities - Oxford Basics* Jill Hadfield, Charles
