Reading Narrative Oklahoma Project For Discourse And Theory:

Leadership at the Crossroads Joanne B. Ciulla, Donelson R. Forsyth, Michael A. Genovese, George R. Goethals, Lori Cox Han, Crystal L. Hoyt, 2008-10-30 What is leadership Not only has that question been debated since the beginning of human culture and society but it is a moving target based on the definer and the epoch The definition can be thought provoking and profound A leader is best when people barely know he exists not so good when people obey and acclaim him worse when they despise him Lao Tzu 6th century BC Or the profundity may lie shrouded in the prosaic A leader is one who has followers Peter Drucker 20th century However you define the concept today's challenges for leaders of all stripes are monumental and the need for effective leadership is huge More than anything this set travels farther and digs deeper than most leadership books It takes us from mere explanations of leadership to an understanding of it as part of the human condition Reading it should be at the top of the to do list for any leader in any era In *Leadership at the Crossroads* contributors from a wide variety of fields including management economics political science philosophy sociology history literature and psychology explore the many facets of leadership The set comprises Volume 1 Leadership and Psychology Volume 2 Leadership and Politics Volume 3 Leadership and the Humanities Collectively this set showcases traditional and emerging approaches to leadership in both theory and practice and raises new questions brought on by society's new challenges It also suggests solutions for developing and promoting leadership in the corporate world politics and diplomacy religion education non profits and the arts Whether identifying qualities that will serve a U S president well or the characteristics of the essential can do supervisor in today's corporation *Leadership at the Crossroads* supplies insights and intelligence that will help leaders make the most of the challenges and opportunities lying before them *Shakespeare Survey: Volume 53, Shakespeare and Narrative* Peter Holland, 2000-11-02 The theme for *Shakespeare Survey 53* is Shakespeare and Narrative **The New Literary Criticism and the New Testament** Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular 2 the waning of Formalist New Critical approaches in literary study and 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are

discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament *An Ark on the Nile* Keith Bodner,2016-07-21 The opening sector of the book of Exodus is a powerful narrative and a striking example of the artistic qualities of the Pentateuch a facet of the text that occasionally is neglected in high level scholarship Exodus 1 2 is finely choreographed work that compresses a vast amount of material onto a limited textual canvas creating a story that appeals to readers of every age Resuming where the book of Genesis leaves off the last image of Genesis 50 is a coffin in Egypt primed for a sequel the first two chapters of Exodus combine a fast moving plot with some unique shades of characterization Israel s growth in Egypt the rise of a malevolent new king the birth of a hero and early experiences of adversity for the main character in the story to come The burden of slavery and miracle of salvation are introduced in this sector of text and become paradigmatic examples of divine redemption that reverberate throughout the Hebrew Bible and beyond *An Ark on the Nile* The Beginning of the Book of Exodus is a close reading of Exodus 1 2 that analyzes the story as a reasonably self contained unit but suggesting that major plot movements in the book of Exodus are foreshadowed and anticipated here Applying a number of insights from literary theory Keith Bodner offers an illustration of further integration of biblical studies with cross disciplinary narrative interpretation *Reading with a Passion* Jeffrey Staley,2002-06-01 In this strikingly personal account of recent literary approaches to the Bible Jeffrey Staley shows how people s life experiences relate to what they read in the Scriptures He illustrates his argument from theories of autobiography where recent literary and feminist critiques provide him with tools for reflecting upon his childhood on a Navajo reservation and his family s five generations of contact with the Navajo people in northern Arizona and New Mexico Using Tony Hillerman s popular detective novels as a lens to refract his own childhood memories Staley investigates how his cross cultural childhood and family history have contributed to his understanding of the Fourth Gospel By combining such diverse materials as popular fiction medieval passion plays cultural anthropology rhetorical studies and autobiographical reflection Staley takes his readers on a fascinating spiritual and intellectual journey through the Gospel of John **The Library Journal** ,1998-07 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately

Shakespeare Survey Allardyce Nicoll,2000 An annual survey of Shakespearian study and production **Ananda Devi** Ritu Tyagi,2013-10-10 Ananda Devi *Feminism Narration and Polyphony* is the first full length monograph devoted to Ananda Devi a dynamic contemporary Francophone writer Recipient of Prix Louis Guilloux and Prix T l vision Suisse Romande du Roman she is described by many as a prototype of a new generation of Mauritian writers This book analyses Devi s unconventional polyphonic narratives particularly her strategies that allow marginalized narrators to disrupt androcentric and dominant structures of narrative construction thereby creating hybrid magical spaces for feminine expression Drawing on the notion of feminist narratology that investigates the relation between gender and narrative this book focuses on a wide

range of Western and non Western narrative strategies such as plot and plotlessness narrative metalepsis pluritemporality multisubjectivity myths folktales and magic It also demonstrates how her texts become the point of convergence of the West and the non West the feminine and the androcentric the real and the extra real as muted discourses resurface and traditional distinctions between categories are blurred in favor of alternate and new possibilities As this book is interdisciplinary in its approach it will appeal to a broad range of audience from those interested in Contemporary Francophone and Indian Ocean Literature to scholars in Women s Writing Post Colonial Studies and Narratology **The Publishers Weekly** ,1998

International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,1999 **Reading Narrative** Joseph Hillis Miller,1998 Reading Narrative is in the author s words a book about how to make sense of stories or how to identify the ways they may fail to make sense Hillis Miller presents discussions of narratives and dialogues in the Western European tradition the works of such writers as Sophocles Plato Shakespeare Henry James Kierkegaard Laurence Sterne Proust Balzac and Elizabeth Gaskell Miller s new readings of Aristotle s Poetics Sophocles Oedipus the King Gaskell s Cranford Pater s Apollo in Picardy and many other works generate a comprehensive and original theory of narrative as he addresses questions about the ends beginnings and middles of the narrative line Miller demonstrates the uses of multiple narrators abrupt shifts in syntax anacoluthon indirect discourse interwoven plots and figures of speech including irony the master trope that is not a trope His narrative analysis in which line images function as salient examples draws the reader s attention in the same way that a master storyteller holds an audience The Cumulative Book Index ,1999 *Jesus as the Son of 1-2 Samuel's David* Marc Grønbech-Dam,2024-05-21 Although the Gospel of Matthew emphasizes Jesus as the son of David no one has systematically investigated how 1 2 Samuel influence Matthew s portrayal of Jesus as the son of David This work addresses that lacuna and shows how the sustained use of 1 2 Samuel in Matthew evokes the themes of mercy and righteousness as the hallmarks of a proper Davidic shepherd The book s systematic intertextual and narrative approach offers another way to understand Matthew s Christology and portrayal of the kingdom of heaven It helps the reader appreciate the justice focused nature of Jesus rule and its religious and political implications **Literary Criticism** Charles E. Bressler,1999 The second edition of Literary Criticism by Charles E Bressler is designed to help readers make conscious informed and intelligent choices concerning literary interpretation By explaining the historical development and theoretical positions of eleven schools of criticism author Charles Bressler reveals the richness of literary texts along with the various interpretative approaches that will lead to a fuller appreciation and understanding of such texts *Penser la «pervertibilité»* Nicholas Cotton,2023-02-06T00:00:00-05:00 Peut on seulement penser une thique de la perversion Tout est problématique dans cette question commencer par le mot perversion lui m me qui ouvre d s lors qu on l voque un espace s mantique trouble aux fronti res incertaines L id e de pervertibilit relanc e ici dans le sillage du philosophe Jacques Derrida pourrait bien d jouer ces quivoques Au confluent de la litt rature de la philosophie et

de la psychanalyse cet ouvrage s'attache à montrer l'importance de cette notion chez Jacques Derrida et retracer les moments qui en constituent une sorte d'impensé. Cette fin l'auteur entreprend une enquête au plus près des textes et de la pensée du philosophe soutenue par une approche pluridisciplinaire qui permet d'en cerner l'évolution dans la seconde moitié du ^{xx} e siècle tout en respectant l'exigence de complexité et d'inventivité de ce qu'on appelle la construction. En mettant de l'avant une conception renouvelée du texte littéraire ce livre ne cherche pas à faire l'apologie de pratiques prétendument subversives de la littérature mais il contribue à ce que soient mieux compris des dispositifs pervers de la pensée philosophique et des gestes concrets de critique.

Forthcoming Books Rose Arny, 2000 *Gender in the Classroom* Susan Laine Gabriel, Isaiah Smithson, 1990 *Bundel artikelen over seks en hoger onderwijs* **Subject Guide to Books in Print**, 1996 **The Routledge Companion to Native American Literature** Deborah L. Madsen, 2015-10-05 The Routledge Companion to Native American Literature engages the multiple scenes of tension historical political cultural and aesthetic that constitutes a problematic legacy in terms of community identity ethnicity gender and sexuality language and sovereignty in the study of Native American literature. This important and timely addition to the field provides context for issues that enter into Native American literary texts through allusions references and language use. The volume presents over forty essays by leading and emerging international scholars and analyses regional cultural racial and sexual identities in Native American literature key historical moments from the earliest period of colonial contact to the present worldviews in relation to issues such as health spirituality animals and physical environments traditions of cultural creation that are key to understanding the styles allusions and language of Native American Literature the impact of differing literary forms of Native American literature. This collection provides a map of the critical issues central to the discipline as well as uncovering new perspectives and new directions for the development of the field. It supports academic study and also assists general readers who require a comprehensive yet manageable introduction to the contexts essential to approaching Native American Literature. It is essential reading for anyone interested in the past present and future of this literary culture.
