AN INTRODUCTION TO WOMEN'S STUDIES

# Reading Womens Lives 3rd Edition

**Linda Krikos, Cindy Ingold**

### **Reading Womens Lives 3rd Edition:**

Women's Bible Commentary, Third Edition Carol A. Newsom, Sharon H. Ringe, Jacqueline E. Lapsley, 2012-09-28 The Women's Bible Commentary is a trusted classic resource for biblical scholarship written by some of the best feminist scholars in the field today. This twentieth anniversary edition features brand new or thoroughly revised essays to reflect newer thinking in feminist interpretation and hermeneutics. It comprises commentaries on every book of the Bible including the apocryphal books, essays on the reception history of women in the Bible, and essays on feminist critical method. The contributors raise important questions and explore the implications of how women and other marginalized people are portrayed in biblical texts, looking specifically at gender, roles, sexuality, political power, and family life while challenging long-held assumptions. This commentary brings modern critical methods to bear on the history, sociology, anthropology, and literature of the relevant time periods to illuminate the context of these biblical portrayals and challenges readers to new understandings.

Women's Fiction Rebecca Vnuk, Nanette Donohue, 2013-09-17 Offering a fresh perspective on women's fiction for a broad reading audience, fans as well as librarians, this book defines and maps the genre and describes hundreds of relevant titles. Women's Fiction: A Guide to Popular Reading Interests celebrates the books in this broad genre, titles that explore the lives of female protagonists with a focus on their relationships with family, friends, and lovers. After a brief introductory history and a chapter that defines the characteristics of women's fiction, the author showcases annotations and suggestions of approximately 300 titles by more than 100 authors. She explains how women's fiction differs from romance fiction, enabling readers to appreciate this rich body of literature that encompasses titles as diverse as Meg Cabot's lighthearted chick lit to the more serious novels of Elizabeth Berg and Maeve Binchy. The book identifies some of the most popular and enduring women's fiction authors and titles and provides invaluable reading lists and read-alike suggestions that will be appreciated by both librarians and general readers.

Dinah's Daughters Helena Zlotnick, 2013-04-19 The status of women in the ancient Judaism of the Hebrew Bible and Rabbinic texts has long been a contested issue. What does being a Jewess entail in antiquity? Men in ancient Jewish culture are defined primarily by what duties they are expected to perform, the course of action that they take. The Jewess, in contrast, is bound by stricture. Writing on the formation and transformation of the ideology of female Jewishness in the ancient world, Zlotnick places her treatment in a broad comparative Mediterranean context, bringing in parallels from Greek and Roman sources. Drawing on episodes from the Hebrew Bible and on Midrashic, Mishnaic, and Talmudic texts, she pays particular attention to the ways in which they attempt to determine the boundaries of communal affiliation through real and perceived differences between Israelites or Jews on one hand and non-Israelites or Gentiles on the other. Women are often associated in the sources with the forbidden, and foreign women are endowed with a curious freedom of action and choice that is hardly ever shared by their Jewish counterparts. Delilah, for instance, is one of the most autonomous women in the Bible, appearing without patronymic or family ties. She also brings

disaster Dinah the Jewess by contrast becomes an agent of self destruction when she goes out to mingle with gentile female friends In ancient Judaism the lessons of such tales were applied as rules to sustain membership in the family the clan and the community While Zlotnick s central project is to untangle the challenges of sex gender and the formation of national identity in antiquity her book is also a remarkable study of intertextual relations within the Jewish literary tradition

*Reimagining Delilah's Afterlives as Femme Fatale* Caroline Blyth,2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson s downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In *Reimagining Delilah s Afterlives as Femme Fatale* Caroline Blyth guides readers through an in depth exploration of Delilah s afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah s character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights **Hear Her Voice** Christine Redwood,2024-08-01 How does our gender impact our preaching Can women express anger in a sermon Why use a first person narrative sermon structure After preaching for several years Christine Redwood realized both her preaching role models and her theology had come predominantly from men so she spent the next six years researching feminist scholars and their readings of stories from the book of Judges In this accessible book she shares what she has learnt including sample sermons and exercises for preachers wanting to grow in their craft This is essential reading for preachers wanting to amplify marginal voices *The Political Worlds of Women* Sarah Richardson,2013 This volume examines female engagement in both traditional and unconventional political arenas in nineteenth century Britain including female sociability salons child rearing and education health consumption religious reform and nationalism Richardson focuses on middle class women s social cultural intellectual and political authority as implemented by a range of public figures and lesser known campaigners

**Beyond Method** Pamela M. Ironside,2005 *Beyond Method* provides a forum for scholars across health and human sciences disciplines to explore issues surrounding philosophy methodology and epistemology in the context of interpretive scholarship The essays comprising this volume move beyond the practical descriptions or the how to of interpretive methods commonly found in textbooks to explore the contributions underlying assumptions limitations and possibilities embedded within and across particular philosophical methodological and epistemological perspectives They reveal the complexity and richness of understanding that emerges when philosophical issues are explicated within contemporary contexts illuminating

new possibilities for healthcare and human science scholarship Publisher description **Fostering Social Justice through Qualitative Inquiry** Corey W. Johnson, Diana C. Parry, 2016-06-16 Qualitative researchers increasingly flock to social justice research to move beyond academic discourse and aid marginalized communities and groups This is the first textbook to address the methods of conducting qualitative research using a social justice paradigm The book addresses the differences that a social justice stance requires from the researcher then discusses how major qualitative methodologies are employed to create social justice in both the process and products of qualitative research In this book chapters cover grounded theory phenomenology ethnography participatory action research and other key qualitative designs methods chapters are written by experts in that methodology case studies illustrate show this style of research in action material is tightly organized and edited for course use although there are multiple authors *Women in Bengal* Sudarshana Sen, 2024-07-26 This book analyses the status of women in Bengal India by examining the versatile everyday living conditions of women and how they are represented as individuals and as a category in the media Contributors to the book start their discussion from the point that women in India have a varied experience of living thinking and acting specific to the regional cultural context Caste ideology specified privileges and sanctions according to innate attributes differ by sex as well as ethnicity class caste minority status and marginal position intersect lives and render unique life experiences With a focus on women and their lived experiences performances by them and performances imitating women's roles the book offers a complex and rich analysis of the reality of women's lives based on research and reflections by 25 scholars Organised into two sections the book presents women in reality their living conditions struggles and women as represented in films stories framed in plots sometimes by women and sometimes by men The chapters provide insights on how institutionalised gender distinctions create subordination and marginality of women and their struggles to survive in a society dominated by heteropatriarchal ideology and its practice This book improves our understanding of various dimensions of gender and transgender relations in India It will be of interest to researchers in Gender Studies South Asian Culture and Society and Studies on India

*Women's Studies* Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The result is this truly

monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field      **Resources in Education** ,1995      Handbook on the Historical Books Victor P.

Hamilton,2008-03-01 From the tumbling walls of Jericho to a Jewish girl who became the queen of Persia the historical books of the Bible are intriguing and unquestionably fascinating In this comprehensive introduction veteran Old Testament professor Victor Hamilton demonstrates the significance of the messages contained in these biblical books by carefully examining content structure and theology He details the events and implications of each book chapter by chapter providing useful commentary on overarching themes and the connections and parallels between Old Testament texts Now in paper

Modern Britain Third Edition Edward Royle,2016-05-16 Praise for the first edition Royle calls on an impressive range of materials supported by an excellent bibliography to offer a judicious review of most of the issues currently confronted by social historians His agenda contains both traditional and novel elements all are presented with admirable clarity and balance A volume which shows an astonishing command of such a wide range of material will long prove essential reading Times Literary Supplement This popular work provides an in depth historical background to issues of contemporary concern tracing developments over the past two and a half centuries It promotes accessibility by adopting a thematic approach with each theme treated chronologically Major themes are chosen partly by their importance to an understanding of the past and partly by their relevance to students of contemporary Britain rather than by imposing current fashions in historical study on the past Thoroughly revised the third edition of Modern Britain reviews and brings up to date the content to take account of developments since 1997 and reconsiders emphases and interpretations in light of more recent scholarship It incorporates new currents in historical writing on matters such as the language of class the position of women and the revolution worked by the Internet and mobile technologies Modern Britain is vital reading for students of history and the social and political sciences      *Legal Treatises* Lynne A. Greenberg,2017-09-19 The texts reproduced in facsimile in the three volumes of Legal Treatises reconstruct the legal status of the early modern Englishwoman To facilitate a reading of the treatises by broadly defining many of the laws discussed in great detail in the treatises a general introduction to the laws of the period provides concise overviews of the structure of the English legal system the legal education of practitioners of the law the kinds of legal

literature produced in the period and the legal position of early modern Englishwomen A bibliography of important secondary scholarship devoted to the early modern Englishwoman s legal position assists the reader in obtaining more specialized knowledge In addition to the general introduction a separate introduction to each of the reproduced works is provided including information about each work s publication and authorship intended audience content and reception In order to provide this framework for the years 1600 1750 this first volume of Legal Treatises reproduces The Lawes Resolutions of Womens Rights 1632 the first known treatise devoted to the legal rights of women The Womans Lawyer as the treatise s running headline and spine title read was published anonymously in 1632 the title page fails to identify the original author of the work and its authorship remains in question today At over 400 pages the text represents a massive effort of consolidation organizing the disparate and hitherto uncompiled aspects of the common law applicable to women into a logical framework It is unusual among early modern legal treatises in its stated goal of providing a popular kind of instruction to its readers

**About Canada: Disability Rights** Deborah Stienstra, 2012-03-01T00:00:00Z Through a close examination of employment education transportation telecommunications and health care About Canada Disability Rights explores the landscape of disability rights in Canada and finds that while important advances have been made Canadians with disabilities still experience significant barriers in obtaining their human rights Using the stories and voices of people with disabilities Deborah Stienstra argues that disability is not about faulty bodies that need to be fixed but about the institutional cultural and attitudinal reactions to certain kinds of bodies and that neoliberal ideas of independence and individualism are at the heart of the continuing discrimination against disabled people Stienstra contends that achieving disability rights is possible but not through efforts to fix certain kinds of bodies Rather it can be achieved through universal design disability supports social and economic supports and belonging in short through foundational social transformation of Canadian society

Arthritis and You Naheed Ali, 2013-03-14 Arthritis is the number one cause of disability in the U S with more than 40 million people diagnosed that number is expected to rise as baby boomers continue to age Yet few understand what arthritis really is how it develops and what sufferers can do to minimize its impact on daily activities and quality of life Here Naheed Ali weighs in with insight into the inner workings of arthritis and the treatment options available to patients By first defining arthritis and examining its causes and symptoms Ali provides readers with the knowledge they need to understand what is going on in their bodies what they can do if they suspect they have arthritis and how to prevent it if they don t He examines the various types of arthritis from juvenile to rheumatoid and beyond and the various medical practitioners involved in its diagnosis and treatment Building on the current medical treatments available Ali offers information about alternative and natural approaches as well as lifestyle adjustments helpful in mitigating the symptoms Whole family approaches that include caregivers and what they can do for their loved ones suffering from arthritis are also discussed Readers will appreciate the comprehensive and thoughtful approach Ali takes to his topic and will come away with the tools they need to live well with

arthritis      *The Cumulative Book Index* ,1996 A world list of books in the English language      Hannevi'ah and Hannah  
Nancy C. Lee,2015-09-11 Is it possible to discern women prophets utterances embedded within lyrics of prophetic books If so women prophets would be represented as implied composers along with men This study offers a reliable method in this effort based on the sound patterns of lyrical Hebrew that disclose a consistent clear signature of women s oral composing more broadly and a different signature of men s composing across all lyrical genres and historical periods Integrating feminist postcolonial and indigenous cultural approaches as well this inquiry moves past closed doors of previous suppositions including that ancient Israel was simply patriarchal This methodological key when turned unlocks and throws open a window on a significant women s Hebraic composing tradition resounding in texts where women s voices are attributed and where they are unattributed It also brings a new appreciation of a practice at times of female and male prophets lyricizing in partnership in a culture whose women individually or as a group were not always given credit for their contributions

Interrogating Imperialism N. Inayatullah,R. Riley,2006-12-11 A collection of multiple perspectives on the war on terror and the new imperialism Looking at the imperialism and the war on terror through a lens focused on gender and race the contributors expose the limitations of the current popular discourse and help to uncover possibilities not yet apparent in that same discourse      *Feminist Interpretations of Biblical Literature* Lilly Nortjé-Meyer,2022-07-28 This book brings together researchers to discuss and apply different methodologies to biblical texts and their relevance for feminist and gender studies It represents on the one hand a continuation of the discussions that have been put to the test by the pioneers of feminist and gender studies but on the other introduces new theories and approaches to take the debate further and to challenge accepted biblical interpretations and ideologies that reinforce patriarchal domination and injustice The volume offers proof that feminist theory has not lost its appeal to young scholars and there is still enough potential for innovative and important research in the field of feminist and gender studies
