Reading Writing And Rewriting The Prostitute Body:

Reading, Writing, and Rewriting the Prostitute Body Shannon Bell, 1994 In this volume Shannon Bell recovers the courtesan of ancient Greece as both sophistic philosopher and erotic teacher **Pornography Embodied** Joan Mason-Grant, 2004-03-12 What does it mean to re conceptualize pornography as a material practice rather than as speech Sidestepping the legal debates over their civil ordinance and drawing on phenomenology of the lived body Mason Grant returns to the innovative core of the Dworkin MacKinnon critique of mainstream pornography She develops a practice paradigm that captures and extends their insights showing how the use of mass market heterosexual pornography contributes to the cultivation of troubling forms of sexual know how **Pornographic Sensibilities** Nicholas R. Jones, Chad Leahy, 2020-11-29 Pornographic Sensibilities stages a conversation between two fields Medieval Early Modern Hispanic Studies and Porn Studies that traditionally have had little to say to each other The collection offers innovative new approaches to the study of gendered and sexualized bodies in medieval and early modern textual production including literary and historical documents The volume s embrace of the interpretative tools of Porn Studies also inscribes a critical provocation in what ways can contemporary modes of reading the past serve to freshly illuminate not only the contours of that same past but also the very critical assumptions of the present upon which fields like medieval and early modern Hispanic Studies are built In this way Pornographic Sensibilities encourages at once both rigorous historicizations of pre and early modern culture and playful engagement with presentism considered here as a critical tool to undress the hidden assumptions of both past and present This move substantively challenges long held critical orthodoxies among scholars of pre Enlightenment periods for whom the very category of pornography itself has often problematically been framed as an anachronism when applied to their work *Gendering Commitment* Alex Standen, 2015-10-05 Notions of engagement commitment and impegno continue to provoke debate amongst academics researching contemporary Italian culture and yet be it by accident or by more conscious selection critical work has tended to posit these concepts as a predominantly male and often heteronormative domain This collection of essays challenges this assumption and analyses more closely the fluid and fragmented nature of commitment and the work of Italian intellectuals and cultural practitioners associated with it The volume s contributors engage with those who have typically been excluded from such debates not only female writers and artists but also males whose work has been denied the designation of impegnato The chapters all focus on individuals who insist on the need to question interrogate and denounce social realities Employing a range of theoretical perspectives and bringing into dialogue individuals not typically associated with terms such as engagement and commitment this volume offers an original and distinctive contribution to a discussion that persists in Italian studies **Law as Culture** Kathy Laster, 2001 Law as Culture is a beguilingly accessible lively and engaging introduction to the law and to legal skills complete with innovative skills exercises and even some cartoons It gives the reader a framework for subsequent legal study and for

professional life by demystifying the language and culture of the law and by building legal skills The Extracts Preface to the 2nd edn and Skills Inventory below link above clearly outline the many strengths of this edition The book shows how law students are socialised into professional legal culture and encourages independent thought It highlights the ways in which law reflects social values and priorities the place of law as one among many systems of social organisation and problem solving and the rise of lawyers as a subculture This edition has been extensively revised to take account of developments in law such as the results of the 1999 Referendum on the Republic the debates about a Bill of Rights for Australia and changes to legal professional practice The jurisdictional reach has been extended to look at cases and legislation from all Australian States Black White relations has been introduced as a recurring theme materials on Aboriginal Reconciliation the Wik judgment and the legal and political debate over the Stolen Generations give continuity and perspective Law as Culture includes clear and accessible accounts of key jurisprudential issues and an extended introduction which sets out the pedagogical assumptions There are cases and legislation from all Australian States thorough referencing and an annotated list of Further Reading in each chapter

Sex Workers in the Maritimes Talk Back Leslie Ann Jeffrey, Gayle MacDonald, 2011-11-01 Sex workers are often the objects of study for academics and policy makers Theories about their lives and the policies that affect their work are usually developed without input from the sex workers themselves as they are rarely seen as capable of analyzing the social and political world in which they work In this book however sex workers set the tone Leslie Ann Jeffrey and Gayle MacDonald interview sex workers in three Maritime cities and those who work around them police health care providers community workers advocates members of neighbourhood associations and politicians The sex workers discuss such issues as violence and safety health and risk politics and policy media influence and public perception of the trade portraying the best and the worst facets of their working lives and expressing sentiments refreshingly at odds with commonly held opinions Given recent Parliamentary recommendations to decriminalize prostitution Sex Workers in the Maritimes Talk Back represents a timely shift to public discussions about sex work Engaging and accessible this book will be of interest to public policy practitioners students of social and political science community advocates police and sex workers and their families

Women of the Prologue Carolyn A. Nadeau, 2002 He strives to release both writing practices and female identity from a repressive ideology of the self and focuses on their transformative nature He presents ways for both writer and female character to define oneself by and for oneself and not in terms of an other And in both cases he stresses the importance of absence to distance himself from past tradition and to emphasize greater freedom and responsibilities for writer and reader and for women in seventeenth century Spain Jacket

Purity and Pollution A. Bashford, 1998-03-01 Like medical knowledge and practice itself most medical histories are fascinated with the bodies of patients Bashford examines practitioners of medicine as well as patients as embodied and sexed subjects She brings together recent cultural and feminist theories on the body nineteenth century medical history and the history of gender and Victorian feminism Purity and

Pollution is a cultural history which investigates the ways in which many different practitioners male and female doctors nurses midwives accoucheurs were implicated in a discourse and a material practice inescapably about the pure and the polluted

Surgery, Skin and Syphilis Philip K. Wilson, 2016-08-22 Daniel Turner's prolific writings provide valuable insight into the practice of a commonplace Enlightenment London surgeon Examining his personal professional and genteel achievements Enhances our understanding of the boundary between surgeons and physicians in Enlightenment marketplace practice Turner's pioneering writing on skin disease *De Morbis Cutaneis* emphasizes the skin's role as a physical and professional boundary between university educated physicians who treated internal disease and apprentice trained surgeons relegated to the care of external disorders Turner's career long crusade against quackery and his voluminous writings on syphilis a common surgical disorder provide a refined view into distinction between orthodox and quack practices in eighteenth century London

International approaches to prostitution Gangoli, Geetanjali, Westmarland, Nicole, 2006-05-31 What is to be done about prostitution Is it work or is it violence Are women involved in prostitution offenders or victims Is prostitution a private or a political issue The answers to these questions vary depending on many factors including where in the world you live This book provides a valuable detailed international comparison of the laws policies and interventions in eight countries across Europe England and Wales France Sweden and Moldova and Asia India Pakistan Thailand and Taiwan The countries were chosen because of their contrasting social policy and legislative frameworks Specific topics covered include national social and historical contexts in relation to prostitution legal frameworks with discussion of existing laws and policies and debates around legislation and decriminalisation key issues faced particularly relating to reasons for entering prostitution and analysis of policies and interventions The case studies are brought to life by giving voice to the experiences of women involved in prostitution themselves together with the personal reflections of the authors Aimed at a wide audience of students academics policy makers and practitioners this book makes an important contribution to academic and policy debates in the fields of criminology law social policy women's studies sociology politics and international relations

Learning through Community Kathryn Church, Nina Bascia, Eric Shragge, 2008-02-01 The Turbulence of Learning to Publish As researchers we learned about working together and collaborating across multiple dimensions of space time and our own identities We learned and we are still learning We are learning as we write and revise this book We learn as we begin to see this book through the eyes of others who have not lived through the process of discovery with us in the field We learn as we go back to work to try to figure out how our learnings can make a difference Jackson 2004 p 289 It took 10 years to create this book Of course none of us intended to take so long Like a lot of things that appear to be individual pathology our tardiness was socially produced The first defining relation was the collegial way in which Nina Bascia Eric Shragge and I selected contributors for this volume As co editors we sought contributions from academics who had produced case studies for the Toronto based 1 research network called NALL Network for New Approaches to Lifelong Learning

Global Sex Workers Kamala Kempadoo, Jo Doezema, 2018-10-24 Global Sex Workers presents the personal experiences of sex workers around the world Drawing on their individual narratives it explores international struggles to uphold the rights of this often marginalized group

Readers and mistresses Katie R. Peel, 2024-09-24 Readers and Mistresses Kept Women in Victorian Literature identifies kept mistresses in British Victorian narrative and offers ways to understand their experiences The author discusses kept women characters in Charles Dickens Oliver Twist Elizabeth Gaskell's Mary Barton and Ruth Anne Bront's The Tenant of Wildfell Hall and George Eliot's Daniel Deronda and examines the methods their authors use to encourage reader empathy This book also usefully demonstrates how to identify kept women when they are less visible in texts including in Charlotte Brontë's Jane Eyre Dickens Hard Times and Dombey and Son and George Gissing's The Odd Women

Whores and Other Feminists Jill Nagle, 2013-09-13 Whores and Other Feminists fleshes out feminist politics from the perspective of sex workers strippers prostitutes porn writers producers and performers dominatrices and their allies Comprising a range of voices from both within and outside the academy this collection draws from traditional feminisms postmodern feminism queer theory and sex radicalism It stretches the boundaries of contemporary feminism holding accountable both traditional feminism for stigmatizing sex workers and also the sex industry for its sexist practices

Consuming Subjects Elizabeth Kowaleski-Wallace, 1997 Drawing on feminist criticism cultural studies and new historicist ideas Kowaleski-Wallace surveys eighteenth century literary texts material object and cultural events to illuminate the ways in which women are both controlled by and empowered through images of consumption

Prostitution and Feminism Maggie O'Neill, 2013-06-25 Feminists have long differed in their view of prostitution While some regard it as a classic form of exploitation and degradation others offer a more sympathetic interpretation of women's involvement in the sex industry In this important new book Maggie O'Neill seeks to explore the theoretical debates on prostitution and the relevance of these to the everyday lived experiences of women working on the streets Based upon her own ethnographic research defined as ethno mimesis the author seeks to undermine and demystify stereotypical images of prostitutes She explores the narratives offered by prostitutes themselves as well as other forms of their representation in film

art and photography and shows how these various mediums may be used to shed light on the socio economic processes and structures which lead women into prostitution These personal accounts produce what O'Neill refers to as a politics of feeling which she argues may be used to transform attitudes policy and practice in relation to female prostitution By relating these individual experiences to critical feminist theory the book deepens our understanding of the phenomenon of prostitution in contemporary society The book will be of particular interest to students and scholars in gender studies feminist theory and sociology

Rebel Men Pamela Hunt, 2022-05-10 Masculinity fast changing and regularly declared to be in the throes of crisis is attracting more popular and scholarly debate in China than ever before At the same time Chinese literature since 1989 has been characterized as brimming with countercultural attitude This book probes the link between literary rebellion and manhood in China showing how as male writers critique the outcomes of decades of market reform they also ask the same question how best to be a man in the new postsocialist order In this first full length discussion of masculinity in post 1989 Chinese literature Pamela Hunt offers a detailed analysis of four contemporary authors in particular Zhu Wen Feng Tang Xu Zechen and Han Han In a series of insightful readings she explores how all four writers show the same preoccupation with the figure of the man on the edges of society Drawing on longstanding Chinese and global models of maverick as well as marginal masculinity and responding to a desire to retain a measure of masculine authority their characters all engage in forms of transgression that still rely heavily on heteronormative and patriarchal values Rebel Men argues that masculinity so often overlooked in literary analysis of contemporary China continues to be renegotiated debated and agonized over and is ultimately reconstructed as more powerful than before An exceptionally lucid elegant study of masculinity in mainland Chinese fiction of the 1990s and 2000s Both historically and theoretically informed Rebel Men Masculinity and Attitude in Postsocialist Chinese Literature offers a major new perspective on post 1989 Chinese counterculture Julia Lovell Birkbeck University of London

Missionary Positions Lauren McGrow, 2017-08-28 Missionary Positions examines the context for Christian outreach to people in the sex industry Over the last 20 years faith based organisations have become more engaged in ministering with sex workers But what are the methods and desired outcomes that undergird pastoral practice in this field Most Christians see prostitution as evil and those who sell sex are considered broken victims in need of restoration Yet the voices and experiences of sex workers themselves often challenge these assumptions Using feminist and postcolonial perspectives interviews with Christian practitioners in Australia and personal narrative Lauren McGrow carves out a space for the dynamic theological agency and life complexity of sex workers to be more fully acknowledged in faith based outreach projects

Policing Public Sex Ephraim Glenn Colter, Dangerous Bedfellows, 1996 As some activists have turned to regulation rather than education in the effort to curb the AIDS epidemic the public culture at the foundation of queer culture has come under attack
