

# READING YOUR HEART LINE

*The Heart line reveals information about your emotional life, sexual type and, of course, the condition of your heart.*

## MOUNT OF SATURN

Governs your attitudes to duty, work and responsibilities.

## MOUNT OF JUPITER

Rules your view towards ambition, authority and self-worth.

## HEAD LINE

Mental attitude; indicates your mental fortitude and strength of will.

## HEART LINE

Reflects the emotional side of your personality and relates to all matters of the heart.

## LIFE LINE

Indicates general vitality and important life changes.

*The Heart line runs from the Mount of Jupiter or Saturn and just above the Head and Life line.*

**T**he Heart line is one of the major lines on the hand, beginning around the Mount of Jupiter or Saturn and running across the hand towards the outside of the palm. The curve of the Heart line allows insight into your emotional make-up: the greater the curve, the stronger the desire to love and be

loved; the straighter the line, the colder and more calculating your nature is likely to be.

The depth of the line is usually taken as an indicator of the physical health of the heart. The deeper the line is set usually indicates a strong, healthy heart, whereas a fainter line may indicate a weaker heart.

## PERSONALITIES

### STARTING ON THE MOUNT OF JUPITER (OUTER)

Indicates a romantic nature. Maybe an idealist with a tendency to jump into relationships and end up heart-broken when the partner displays minor faults.

### STARTING ON THE MOUNT OF JUPITER (MIDDLE)

Indicates emotional and romantic calculation, as well as loyalty and honour, and a desire to have a more successful partner, either through work, wealth or social recognition.

### STARTING BETWEEN THE MOUNTS OF SATURN AND JUPITER

A well-balanced emotional make-up – happy and realistic, accepting a partner for who they are and giving love when they feel it is reciprocated.

### STARTING ON THE MOUNT OF SATURN

Selfishness or self-centredness can be indicated by this position, plus a very strong sex drive and a tendency towards hedonism. Not a good position for fidelity.

**To Read My Heart** Lucia McMahon, Deborah Schriver, 2015-08-19 The Journal of Rachel Van Dyke a compelling primary document previously unpublished offers insights into the life and mind of a seventeen year old young woman while also providing a fascinating window into the cultural and social landscape of the early national period Rachel was a thoughtful intelligent observer and her journal is an important account of upper and middle class life in the growing city of New Brunswick New Jersey Her entries reveal her remarkably studied views on social customs marriage gender roles friendship and religion The journal is dominated by two interrelated themes Rachel's desire to broaden her knowledge and her friendship with her teacher Ebenezer Grosvenor Since Ebenezer was both her teacher and her romantic interest it is

impossible to distinguish between the themes of education and romance that dominate her writings On several occasions Rachel and Ebenezer exchanged their private journals with each other During these exchanges Ebenezer added comments in the margins of Rachel s journal producing areas of written conversation between them The marginalia adds to the complexity of the journal and provides evidence of and insight into Rachel s romantic and intellectual relationship with him The written interactions between Rachel and Ebenezer together with discussions of friendship and courtship rituals provided throughout the journal enrich our understanding of social life during the early national period To Read My Heart will be of interest to students of American history women s studies and nineteenth century literature all readers will be captivated by the rich expression and emotional experience of the journal Whether she is relating the story of a young friend s wedding the death of a small boy or the capture of a slave in Guinea Rachel s pages have universal appeal as she seeks to understand her own role as an emerging adult
