Reading Joyce's *Ulysses*

Daniel R. Schwarz

Reading Joyces Ulysses

Derek Attridge

Reading Joyces Ulysses:

Reading Joyce's Ulysses Daniel R. Schwarz, 2016-07-27 Reissued to commemorate the 100th anniversary of Bloomsday Reading Joyce's Ulysses includes a new preface taking account of scholarly and critical development since its original publication It shows how the now important issues of post colonialism feminism Irish Studies and urban culture are addressed within the text as well as a discussion of how the book can be used by both beginners and seasoned readers Schwarz not only presents a powerful and original reading of Joyce's great epic novel but discusses it in terms of a dialogue between recent and more traditional theory Focusing on what he calls the odyssean reader Schwarz demonstrates how the experience of reading Ulysses involves responding both to traditional plot and character and to the novel's stylistic experiments *Joyce's Ulysses for Everyone* John Mood, 2004-06-11 Most scholarly writing about Joyce's Ulysses has concentrated on its parallels with Homer's Odyssey Catholic theology Dublin's streets Shakespearean references especially Hamlet all of which and much more Joyce included in his novel but emphasizing the interpretation of these overlays to the story has led to the book appearing almost impenetrable to readers who might otherwise enjoy it Mood attempts to cut through these grids and go directly to the strengths of the novel its suspenseful double plot its breathtaking wordplay its eroticism and above all its constant hilarious comedy One doesn't need to know a thing about the Odyssey to enjoy Ulysses thoroughly The life of the young Stephen Dedalus is in a mess and he obviously needs an elder's advice The older Leopold Bloom yearns to pass on his wisdom to someone younger He also learns his wife Molly is going to commit adultery for the first time These plots not Catholic theology or Hamlet is what the novel is about And the comedy the sex the heart stopping suspense and the verbal fireworks are what drive the reader on Moods book makes this obvious on every page One will never have difficulty reading Ulysses again The late dean of American critics Leslie Fiedler said it would be more useful for beginning readers than anything else I have seen Best selling Dublin novelist and memoirist Nuala O Faolain said it is a charming and funny account of Ulysses and quite authoritative as well Tom Wolfe commented I certainly enjoyed your Joycean excursion particularly the part about Joyce's interweaving of various narrative voices [The Guide to James Joyce's Ulysses](#) Patrick Hastings, 2022-02-01 From the creator of UlyssesGuide.com this essential guide to James Joyce's masterpiece weaves together plot summaries interpretive analyses scholarly perspectives and historical and biographical context to create an easy to read entertaining and thorough review of Ulysses In The Guide to James Joyce's Ulysses Patrick Hastings provides comprehensive support to readers of Joyce's magnum opus by illuminating crucial details and reveling in the mischievous genius of this unparalleled novel Written in a voice that offers encouragement and good humor this guidebook maintains a closeness to the original text and supports the first time reader of Ulysses with the information needed to successfully finish and appreciate the novel Deftly weaving together spirited plot summaries helpful interpretive analyses scholarly criticism and explanations of historical and biographical context Hastings makes Joyce's famously intimidating

novel one that challenges the conventions and limits of language more accessible and enjoyable than ever before He unpacks each chapter of *Ulysses* with episode guides which offer pointed and readable explanations of what occurs in the text He also deals adroitly with many of the puzzles Joyce hoped would keep the professors busy for centuries Full of practical resources including maps explanations of the old British system of money photos of places and things mentioned in the text annotated bibliographies and a detailed chronology of Bloomsday June 16 1904 the single day on which *Ulysses* is set this is an invaluable first resource about a work of art that celebrates the strength of spirit required to endure the trials of everyday existence The Guide to James Joyce's *Ulysses* is perfect for anyone undertaking a reading of Joyce's novel whether as a student a member of a reading group or a lover of literature finally crossing this novel off the bucket list *Joyce's Ulysses* Sean Sheehan, 2009-10-02 *Ulysses* remains less widely read than most texts boasting such a canonical status largely due to misunderstanding about how to read it and this guide provides an easy to follow remedy By showing how Joyce reacted to the historical and cultural context in which he was situated the radical nature of his use of language is laid bare in a chapter by chapter analysis of *Ulysses* This approach enables the student reader to read and enjoy the novel's plurality of styles and to understand the terms of critical debate surrounding the nature and significance of Joyce's novel **Reading Joyce's *Ulysses*** Daniel R Schwarz, 1987-01-01 New A centenary reissue of a classic Joyce text *Ulysses* James Joyce, 2008-04-17 A day in the life of Leopold Bloom whose odyssey through the streets of turn of the century Dublin leads him through trials that parallel those of *Ulysses* on his epic journey home Daniel R. Schwartz's Reading Joyce's "Ulysses" ... Monika Fludernik, 1988 **How to Read Joyce** Derek Attridge, 2007 Moving through Joyce's major books the author demonstrates that they all in their different ways are a pleasure to read even if we have to make some adjustments to our understanding of what reading is Reading Joyce's *Ulysses* Peter Dempsey, 2014-06-19 James Joyce's classic novel *Ulysses* is one of the most famous and intimidating texts of all time Not only is the novel itself notoriously complex but there is also a daunting amount of secondary criticism available to students approaching its study for the first time This indispensable guide offers an introduction to the novel its literary sources and allusions and its criticism As the novel is usually taught chapter by chapter the guide follows the structure of Joyce's text Each chapter covers a chapter or episode in the novel and includes a brief summary of the chapter of *Ulysses* Joyce's use of other books and texts an account of the most influential commentary on the chapter and how to use it topics for discussion a guide to further reading *Reading Joyce's Ulysses* will be the essential companion for any Joyce student James Joyce's *Ulysses* John Siudut, 1990 **Joyce: '*Ulysses*'** Vincent B. Sherry, 2004-01-22 In this engaging introduction Vincent Sherry combines a close reading of *Ulysses* with new critical arguments He provides a useful guide to the episodic sequence of Joyce's novel In addition he presents a searching interpretation of this masterwork freshly addressing the major issues in *Ulysses* criticism He shows how Joyce's modernist epic remodels Homer's *Odyssey* and he examines and explains Joyce's extraordinary verbal experiments This book is

essential reading for all students of Joyce whether they are approaching *Ulysses* for the first time or returning to the text

Joyce's *Ulysses* Philip Kitcher, 2020-06-11 Though James Joyce was steeped in philosophy and humanism he has received too little attention from contemporary philosophers in comparison to many of the other titans of modernist fiction This book probes the possibilities for thinking philosophically about Joyce's masterpiece *Ulysses* presenting readings by renowned scholars such as David Hill, Garry L. Hagberg, Vicki Mahaffey, Martha C. Nussbaum, Sam Slote, Wendy J. Truran, and Philip Kitcher who also provides an introduction to the volume that considers broader themes and situates *Ulysses* as a work of philosophical interest For the central characters of *Ulysses*, Leopold Bloom, Molly Bloom, and Stephen Dedalus, how to live is an urgent question Each must either start anew or attempt to recover lost paths Chapters plumb the depths of the philosophical quandaries that present themselves to these characters: reflections on death and overcoming disgust, Leopold Bloom's evocations of conscious thought, the dominance of vision in our thinking about the senses, identity, and the possibility of revising one's values are only a handful of the subjects covered in the volume *Ulysses* is an intrinsically and deeply philosophical work and these readings provide new inroads and firm orientation for Joyce's project Readers will come away with renewed appreciation for one of our greatest works of literature in the English language and deepened understanding of Joyce's attempt to offer alternative ways of structuring and enriching the world of our experience

Virgin and Veteran Readings of *Ulysses* M. Norris, 2011-12-19 Veteran Joyce scholar Margot Norris offers an innovative study of the processes of reading *Ulysses* as narrative and focuses on the unexplored implications, subplots, subtexts, hidden narratives, and narratology in one of the twentieth century's most influential novels

Reading Joyce David Pierce, 2014-07-22 Is there one who understands me? So wrote James Joyce towards the end of his final work, *Finnegans Wake*. The question continues to be asked about the author who claimed that he had put so many enigmas into *Ulysses* that it would keep the professors busy for centuries arguing over what he meant. For Joyce, this was a way of ensuring his immortality, but it could also be claimed that the professors have served to distance Joyce from his audience, turning his writings into museum pieces pored over and admired but rarely touched. In this remarkable book, steeped in the learning gained from a lifetime's reading, David Pierce blends word, life, and image to bring the works of one of the great modern writers within the reach of every reader. With a sharp eye for detail and an evident delight in the cadences of Joyce's work, Pierce proves a perfect companion, always careful and courteous, pausing to point out what might otherwise be missed. Like the best of critics, his suggestive readings constantly encourage the reader back to Joyce's own words. Beginning with *Dubliners* and closing with *Finnegans Wake*, *Reading Joyce* is full of insights that are original and illuminating, and Pierce succeeds in presenting Joyce as an author both more straightforward and infinitely more complex than we had perhaps imagined. T. S. Eliot wrote of Joyce's masterpiece *Ulysses* that it is a book to which we are all indebted and from which none of us can escape. With David Pierce as a guide, the debt we owe to Joyce becomes clearer and the need to flee is greatly reduced

A Wandering Reading of Joyce's *Ulysses* Todd

Alan Nicolet,1995 James Joyce's Ulysses Derek Attridge,2004 James Joyce's Ulysses is probably the most famous or notorious novel published in the twentieth century Its length and difficulty mean that readers often turn to critical studies to help them in getting the most out of it But the vast quantity of secondary literature on the book poses problems for readers who often don't know where to begin This casebook includes some of the most influential critics to have written on Joyce such as Hugh Kenner and Fritz Senn as well as newer pray for their homeland and to recreate bonds with other Cubans on the island and in the diaspora The shrine is a place where they come to make sense of themselves as an exiled people The religious symbols there link the past and present and bridge the homeland and the new land Through rituals and artifacts at the shrine Tweed suggests the Cuban diaspora imaginatively constructs its collective identity and transports itself to the Cuba of memory and desire While the book focuses on Cuban exiles in Miami it moves beyond case study as it explores larger issues concerning religion identity and place How do migrants relate to their homeland How do they understand themselves after they have been displaced What role does religion play among these diasporic groups Building on this study of one exiled group Tweed proposes a theory of diasporic religion that promises to illuminate the experiences of other groups that have been displaced from the Attridge provides an introduction that offers advice on reading Ulysses for the first time an account of the remarkable story of its composition and an outline of the history of the critical reception that has played such an important part in our understanding and enjoyment of this extraordinary work **Ulysses Annotated** Don Gifford,Robert J. Seidman,2008-01-14 Rev ed of Notes for Joyce an annotation of James Joyce's Ulysses 1974 Getting to "Yes" Scunner Crabbit,2020-02-29 Getting to Yes is a reading guide for those who are approaching James Joyce's Ulysses for the first time Ulysses is generally considered the world's most difficult novel because you have to read it on so many levels Getting to Yes guides the reader along the first level that is the literal story line itself and introduces the reader to all the major characters and their interactions within the story line **Necessary Fiction** Michael Groden,2019-07-31 This unusual book is a fascinating work of personal criticism or biblio memoir which will appeal to all interested in James Joyce's work and more widely to those interested in responses to great art It focusses on the life long appeal of a particular work of art on a single individual who has been a leading Joyce scholar for 40 years Professor Groden has taught Ulysses to undergraduates to graduate students and to adults outside of universities in a long and distinguished career He is the author of two often cited scholarly books on Joyce's novel and he has overseen the 63 volume facsimile reproduction of his manuscripts Groden says I've often been asked why I've devoted so much of my life to Joyce's novel The Necessary Fiction tries to answer that question I wrote the book partly with seasoned readers and scholars of Ulysses in mind but I aimed it especially at readers who desire to read have attempted to read or have even succeeded in reading Joyce's novel and who will welcome an accessible very personal introduction to it as well as a case for reading or rereading it A neologism that has been applied to my work autobloomography captures what I am trying to do in The Necessary Fiction The first half of the book considers various

possible reasons for Ulysses powerful impact on me when I read it as a 19 year old undergraduate at Dartmouth College and later worked on Joyce s manuscripts for his novel as a graduate student at Princeton University This section deals with each reason in relation to a significant person in my early life The second half discusses Ulysses continuing fascination for me in my professional adult life as a university professor and Joyce scholar Throughout the book I ve interspersed accounts of my life with Ulysses with analyses of the novel itself The Necessary Fiction is some 79 000 words long with an additional 9 600 word appendix that provides a chapter by chapter summary of Ulysses

Reading Joyce's Circe ,2022-06-08 This volume is the product of five years work conducted by the London University Joyce Group on Circe the longest chapter in Joyce s Ulysses The essays explore specific clearly defined themes ventriloquy stage directions England provection Circe as a meditation on the problem of totalization the relationships between Circe and the Irish Literary Theatre and between the early draft of Circe in V A 19 and the first edition text But the volume also locates discussion within the framework of recent thought about the chapter The primary features of current thinking on Circe would seem to be a certain scepticism with regard to totalizing accounts of the chapter increasing attention to its aesthetic and discursive aspects including the political aspects of its discursive practices more concentrated reflection on the way in which Circe recycles material from other chapters in Ulysses and a growing emphasis on the need to think about the chapter in more plural terms The essays included here build on such developments to provide an original contribution to recent debate over the aesthetics of Circe

As recognized, adventure as with ease as experience just about lesson, amusement, as competently as union can be gotten by just checking out a ebook **Reading Joyces Ulysses** furthermore it is not directly done, you could take even more vis--vis this life, nearly the world.

We come up with the money for you this proper as skillfully as easy quirk to acquire those all. We meet the expense of Reading Joyces Ulysses and numerous ebook collections from fictions to scientific research in any way. in the midst of them is this Reading Joyces Ulysses that can be your partner.
