The SAGE Encyclopedia of Economics and Society Frederick F. Wherry, Juliet B. Schor, Consulting Editor, 2015-09-01 Economics is the nexus and engine that runs society affecting societal well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader s Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader s Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens

The Forgotten Chaucer Scholarship of Mary Eliza Haweis, 1848-1898 Mary Flowers Braswell, 2016-06-17 The author of numerous books on Geoffrey Chaucer the nineteenth century scholar Mary Eliza Haweis has been largely erased from general histories of Chaucer studies In her critical biography Mary Flowers Braswell traces Haweis s career bringing her out of obscurity and placing her contributions to Chaucer scholarship in the context of those of influential Chaucerians of the period such as Frederick James Furnivall Walford Dakin Selby and Walter Rye Braswell draws on extensive archival research from a broad range of late Victorian newspapers journals and society papers to weave a fascinating picture of Haweis s own life and work which in quantity and quality rivaled that of her contemporaries Haweis we discover corrected assumptions related to the Chaucer seal and texts bringing her findings to the attention of the public in works such as Chaucer for Schools the first textbook on the poet Braswell also sheds light on the ways in which fashion society culture art and leisure activities intermingled with scholarship archival recovery museum work editing writing and publishing in the late Victorian middle and upper classes Concluding with a discussion of Haweis s

forgotten role as head of the Chaucer section for the National Home Reading Union Braswell's book makes a strong case both for Haweis's influence as a Chaucer scholar and her importance as an educator in nineteenth century Britain and the United States

Medieval Art and Architecture after the Middle Ages Alyce A. Jordan, Janet T. Marquardt, 2009-01-14
 Medieval Art and Architecture after the Middle Ages explores the endurance of and nostalgia for medieval monuments through their reception in later periods specifically illuminating the myriad ways in which tangible and imaginary artifacts of the Middle Ages have served to articulate contemporary aspirations and anxieties The essays in this interdisciplinary collection examine the afterlife of medieval works through their preservation restoration appropriation and commodification in America Great Britain and across Europe from the sixteenth to the twentieth century From the evocation of metaphors and tropes to monumental projects of restoration and recreation medieval visual culture has had a tremendous purchase in the construction of political religious and cultural practices of the Modern era The authors assembled here engage a diverse spectrum of works from Irish ruins and a former Florentine prison to French churches and American department stores and an equally diverse array of media ranging from architecture and manuscripts to embroidery monumental sculpture and metalwork With applications not only to the study of art and architecture but also encompassing such varied fields as commerce city planning education literature collecting and exhibition design this copiously illustrated anthology comprises a significant contribution to the study of medieval art and medievalism

Play Among Books Miro Roman, Alice_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science

The Discipline of Organizing: Core Concepts Edition Robert J. Glushko, 2016-08-05 We organize things We organize information information about things and information about information Organizing is a fundamental issue in many professional fields but these fields have only limited agreement in how they approach problems of organizing and in what they seek as their solutions The Discipline of Organizing synthesizes insights from library science information science computer science cognitive science systems analysis business and other disciplines to create an Organizing System for understanding organizing This framework is robust and forward looking enabling effective sharing of insights and design

patterns between disciplines that weren't possible before The 4th edition of this award winning and widely adopted text adds content to bridge between the foundations of organizing systems and the new statistical and computational techniques of data science because at its core data science is about how resources are described and organized The 4th edition reframes descriptive statistics as organizing techniques expands the treatment of classification to include computational methods and incorporates many new examples of data driven resource selection organization maintenance and personalization The Core Concepts edition is an abridged version that is simpler to read because it does not tempt the reader with the deep scholarly web of endnotes contained in the Professional edition Instead it seeks to reinforce the concepts and design patterns with numerous Stop and Think exercises and omits some of the theoretical nuance of the Professional edition to put more emphasis on concrete examples

The Catholic Periodical and Literature Index ,2005 **American Book Publishing Record** ,2006 **Lucifer's Power** William Sims Bainbridge,2025-04-22 Lucifer's Power Beliefs and Practices of the Process Cult offers a riveting exploration into one of the most mysterious and influential cults of the 20th century Founded in London in 1963 by Mary Ann MacLean and Robert de Grimston The Process Church of the Final Judgement emerged from a scientology inspired psychotherapy group and quickly became a cultural phenomenon before its dramatic split in 1974 What did The Process truly believe Their secretive nature kept many in the dark but sociologist William Sims Bainbridge gained unprecedented access to this elusive group As a young researcher in the late sixties Bainbridge earned the trust of the Processians in Boston becoming the only non member to witness their rituals and practices firsthand His rare and sought after book Satan's Power A Deviant Psychotherapy Cult 1978 first unveiled his groundbreaking findings Now fifty years after the cult's decline Bainbridge revisits and expands upon his seminal work in Lucifer's Power This updated edition uncovers the motivations of The Process's members reveals their intricate beliefs and rituals and explores the cult's enduring legacy and influence Packed with new material and never before seen historical photographs taken by Bainbridge during the height of The Process's popularity this book provides a comprehensive and compelling look into the world of The Process Church of the Final Judgement
