

WILLIAM WORDSWORTH

READING COMPREHENSION

WILLIAM WORDSWORTH

William Wordsworth, born on April 7, 1770, in Cockermouth, Cumberland, England, was a prominent English Romantic poet whose works revolutionized the literary landscape of the 19th century. His poetry, characterized by its celebration of nature, the imagination, and the beauty of everyday life, continues to inspire readers around the world.

Wordsworth's early life was marked by tragedy and upheaval. After the death of his parents, he was sent to live with relatives in the Lake District, a region of England renowned for its natural beauty. It was here that Wordsworth developed a deep connection to the landscape and began to cultivate his poetic sensibilities.

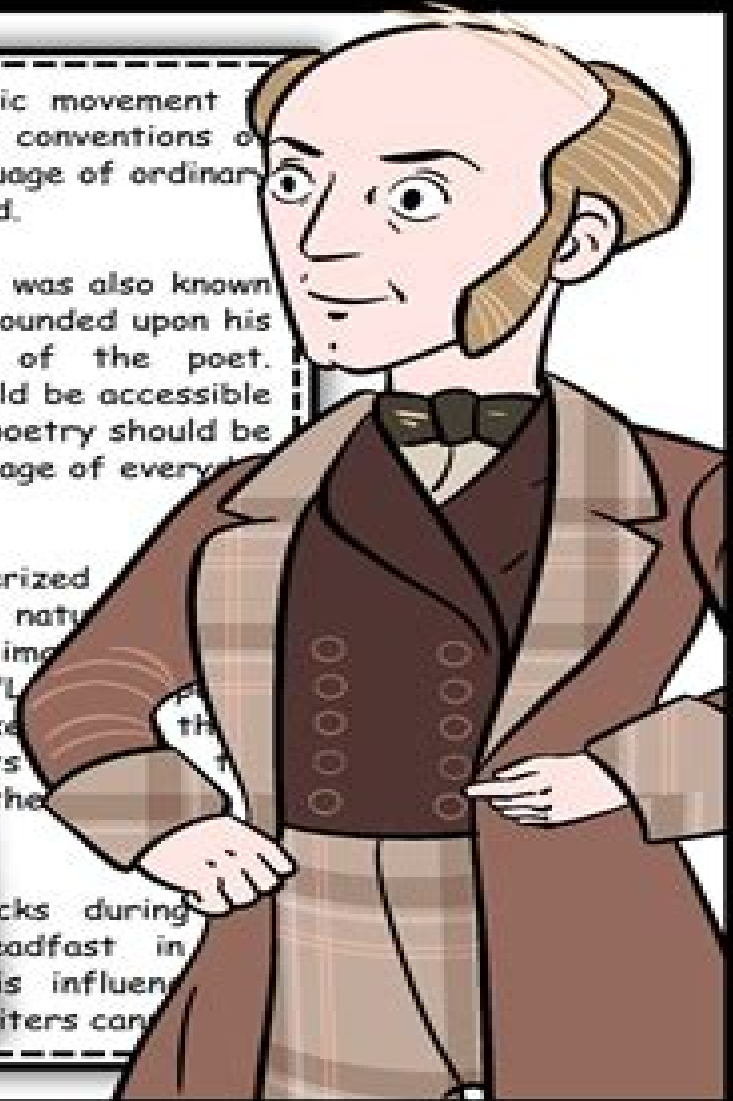

One of Wordsworth's most famous works is his collection of poems entitled "Lyrical Ballads," co-authored with Samuel Taylor Coleridge and first published in 1798. This groundbreaking collection

romantic movement and the conventions of the language of ordinary world.

Wordsworth was also known to expounded upon his role of the poet. Poetry should be accessible to everyone and the language of everyday life.

characterized by its celebration of nature, the imagination, and the beauty of everyday life. It was here that Wordsworth developed a deep connection to the landscape and began to cultivate his poetic sensibilities.

Reading Wordsworth

Matthew Bevis

Reading Wordsworth:

The Poems of William Wordsworth: Collected Reading Texts from the Cornell Wordsworth Volume III Jared R. Curtis, 2009-01-01 This is a collection of William Wordsworth's poetry **Wordsworth's Reading 1770-1799** Duncan Wu, 1993-01-29 A directory of authors and books read by Wordsworth before the age of thirty **Wordsworth's Reading 1800-1815** Duncan Wu, 1995 A comprehensive 1996 listing of authors and books read by William Wordsworth during the years of his greatest poetry Reading Wordsworth J.H. Alexander, 2016-06-17 First published in 1987 this book is written for those who are encountering Wordsworth for the first time and for those familiar with his works that are at a loss to understand his reputation or why his work has impressed them The strength of the author's approach is that it unravels the poet's true meaning and the process by which he all too frequently lost the voice of inspiration working and reshaping his poems until the original freshness disappeared It concentrates on helping the reader appreciate Wordsworth's distinctive and daring way with words and poetic structure By showing Wordsworth's failures the author demonstrates by contrast the achievements of his greatest works Wordsworth's Slumber and the Problematics of Reading Brian G. Caraher, 2010-11-01

Wordsworth's Unremembered Pleasure Alexander Freer, 2020-10-29 Wordsworth has traditionally been understood as the poet of memory This book argues that unremembered pleasure an idea Wordsworth formulates in Tintern Abbey but is often overlooked by modern readers is central to understanding his writing Wordsworth's poems discover and articulate a broad range of previously unfelt unnoticed and unconscious satisfactions As well as providing new interpretations of major and understudied writing by Wordsworth this volume challenges a long tradition of psychoanalytic reading of romanticism which uses trauma to explain the limits of literary memory The book contests key psychoanalytic concepts in literary criticism including repression sublimation mourning and pleasure It asks what it would mean for us to be surprised by joy

William Wordsworth's Poetry Daniel Robinson, 2010-10-07 Daniel Robinson provides a comprehensive guide to studying Wordsworth at undergraduate level **Wordsworth's Heroes** Willard Spiegelman, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **Wordsworth's Fun** Matthew Bevis, 2019-08-20 The next day Wordsworth arrived from Bristol at Coleridge's cottage William Hazlitt recalled He answered in some degree to his friend's description of him but was more quaint and Don Quixote like there was a convulsive inclination to laughter about the mouth Hazlitt presents a Wordsworth who differs from the one we know and as Matthew Bevis argues in his radical new reading of the poet this Wordsworth owed his quixotic creativity to a profound feeling for comedy Wordsworth's Fun explores the writer's debts to the ludic and the ludicrous in classical tradition his reworkings of Ariosto Erasmus and Cervantes his engagement with forms of English poetic humor and

his love of comic prose Combining close reading with cultural analysis Bevis travels many untrodden ways studying Wordsworth's interest in laughing gas pantomime the figure of the fool and the value of play Intrepid immersive and entertaining Wordsworth's Fun sheds fresh light on how one poet's strange humor helped to shape modern literary experiment

Wordsworth's Poetry of Repetition Sarah Houghton-Walker, 2023 This book explores those moments of repetition placing them in the early nineteenth century context from which they emerged and teasing out through extended close attention to the poetry itself the complexities of repetition and recapitulation

Wordsworth's Biblical Ghosts D. Westbrook, 2001-09-07 The Bible serves Wordsworth as a basis for his poetry and poetics providing language images figures and importantly a paradigm of poetic genres Working from three interrelated critical approaches intertextuality poetics and metaphysics Westbrook first analyzes Wordsworth's theory and practice as these reflect the New Testament doctrine of the Incarnation Subsequent chapters consider Wordsworth's adaptation of biblical narrative forms etymological tales parables and mystical allegories Closing chapters examine some extraordinary linguistic innovations in Wordsworth's revisions of biblical apocalypse techniques that permit the poet to express the ineffable and to reveal nothing

The Poems of William Wordsworth William Wordsworth, Jared R. Curtis, 2009 This is a collection of William Wordsworth's poetry

An Analysis of William Wordsworth's Preface to The Lyrical Ballads Alex Latter, Rachel Teubner, 2018-05-11 Central to the creative process of the Romantic poets that followed him Wordsworth's Preface to the Lyrical Ballads has been both a gift and a thorn in the side of critics for over a century Readers find themselves drawn back to the essay repeatedly as they seek to untangle the ideas and contradictions within it The Preface is a statement of Wordsworth's poetic vision and offers an explanation of the poetic process behind the poems which fused the rusticity of the ballad form with the psychological introspection of modernity But to the generation of Romantic writers that emerged in its wake the Preface announced a new understanding of the creative process and of the high purposes of poetry to reveal the human condition and to awaken in its readers the profoundest emotions and the most enduring truths of existence

Wordsworth's Pope Robert J. Griffin, 1996 Recent studies of the concepts and ideologies of Romanticism have neglected to explore the ways in which Romanticism defined itself by reconfiguring its literary past In Wordsworth's Pope Robert J Griffin shows that many of the basic tenets of Romanticism derive from mid eighteenth century writers attempts to free themselves from the literary dominance of Alexander Pope As a result a narrative of literary history in which Pope figured as an alien poet of reason and imitation became the basis for nineteenth century literary history and still affects our thinking on Pope and Romanticism Griffin traces the genesis and transmission of romantic literary history from the Wartons to M H Abrams in so doing he calls into question some of our most basic assumptions about the chronological and conceptual boundaries of Romanticism

Language and Relationship in Wordsworth's Writing Michael Baron, 2014-10-13 William Wordsworth 1770 1850 needs little introduction as the central figure in Romantic poetry and a crucial influence in the development of poetry generally This broad ranging

survey redefines the variety of his writing by showing how it incorporates contemporary concepts of language difference and the ways in which popular and serious literature were compared and distinguished during this period It discusses many of Wordsworth's later poems comparing his work with that of his regional contemporaries as well as major writers such as Scott The key theme of relationship both between characters within poems and between poet and reader is explored through Wordsworth's construction of community and his use of power relationships A serious discussion of the place of sexual feeling in his writing is also included

Romanticism and the Rise of English Andrew Elfenbein, 2008-10-30 Named a CHOICE Outstanding Academic Title for 2009 Romanticism and the Rise of English addresses a peculiar development in contemporary literary criticism the disappearance of the history of the English language as a relevant topic Elfenbein argues for a return not to older modes of criticism but to questions about the relation between literature and language that have vanished from contemporary investigation His book is an example of a kind of work that has often been called for but rarely realized a social philology that takes seriously the formal and institutional forces shaping the production of English This results not only in a history of English but also in a recovery of major events shaping English studies as a coherent discipline This book points to new directions in literary criticism by arguing for the need to reconceptualize authorial agency in light of a broadened understanding of linguistic history

Decomposing Figures Cynthia Chase, 2019-12-01 Originally published in 1986 The ghastly fate of a drowned man brought to a lake's surface in Wordsworth's Prelude typifies a fundamental pattern in Romantic writing argues Cynthia Chase Disfiguration involves not only a departure from representation but a disruption of the logic of figure or form a decomposition of the figures composing the text Ultimately it manifests the conflict between a work's meaning and its mode of performance By means of an intense engagement with texts in the romantic tradition Decomposing Figures rearticulates and recasts crucial concepts in recent literary theory including the notion of the self referential or self reflexive nature of the literary work Chase's readings show that far from implying a privileged status the work's self reflexive structure entails its opacity its inability to read itself and the necessity of its decomposition

Romantic Autopsy Arden Hegele, 2022 This book considers a moment at the turn of the nineteenth century when literature and medicine seemed embattled in rivalry to find the fields collaborating to develop interpretive analogies that saw literary texts as organic bodies and anatomical features as legible texts

Wordsworth's Bardic Vocation, 1787-1842 R. Gravil, 2003-10-13 From 1787 to 1842 Wordsworth was preoccupied with the themes of loss and death and with natural piety in the lives of people and nations Beginning with his consciousness of the Bards and Druids of Cumbria this book treats Wordsworth's oeuvre including the Gothic juvenilia The Ruined Cottage Lyrical Ballads Poems in Two Volumes The Excursion and the Poems of 1842 as unified by a Bardic vocation to bind the living and the dead and to nurture the kind

William Wordsworth's The Prelude Stephen Gill, 2006-08-31 William Wordsworth's poem The Prelude is a fascinating work both as an autobiography and as a fragment of historical evidence from the revolutionary and post revolutionary years This volume

gathers together 13 essays on *The Prelude* and is useful as a companion for students and general readers of Wordsworth's greatest poem
