Readings For Social Work Practice Vol II:

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work. Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work. The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field. Part II Current Perspectives explores the most widely influential contemporary models of group work: social goals, perspectives, remedial perspectives, and mediative perspectives. The two-part section that concludes the volume focuses on applications: group work is first discussed in relation to family and community casework and administration; then self-help groups and other techniques used in the fields of medicine, counseling, and psychology are surveyed in light of their implications for social workers. To encourage the reader's active participation in the development of an individual philosophy and approach to social group work, Dr. Alissi concludes each chapter with probing study questions. These open-ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field. Introductions to each part and chapter also stress comparative aspects. An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth. A stimulating and systematic exposure to the most important ideas in social group work today. **Perspectives on Social Group Work Practice** expands the repertoire of working concepts vital to contemporary practice.

Evidence-based Social Work Practice: Finding Evidence: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear: from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In social work as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online Social Work, a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities; for more information, visit www.oxfordbo.com. **Social work in the 21st century** (Prof.) Mogomme A. Shokane, Annaline Keet, Varoshini Nadesan, 2024-12-30 This scholarly book *Social work in the 21st century Scholarship and praxis reimagined towards vulnerability* is the third volume in the Knowledge Pathing Multi Inter and Trans Disciplining in Social Sciences book series. Chapters were invited from contributing authors who are involved in social work practice and education and who are dealing with the issues of poverty inequality and vulnerability in these fields. The focus of the book emanates from the main conference theme and sub themes of the ASASWEI Association of South African Social Work Education Institutions conference held in 2021. The theme of the conference: Pandemics poverty inequality and disability. Social work in the 21st century provided an opportunity for deep deliberation knowledge exchange and skills development on how vulnerable communities already on the economic margins of society due to poverty and inequality are further marginalised during significant societal disruptions such as the coronavirus 2019 COVID 19 pandemic. It is these deliberations which culminated in this book. Drawing on the papers presented the chapters promote knowledge and skills around vulnerabilities in our social context and how the social work profession is challenged to interrogate its role in addressing the persistent challenges of poverty and inequality that keep people on the peripheries of human development. The target audience for this book is primarily academics engaged in the field of social work and related fields. Transforming the Legacy Kathryn Karusaitis Basham, Dennis Miehls, 2004-10-27 To serve the increasing numbers of individuals who have survived interpersonal and domestic violence or as refugees have sought asylum from political violence armed conflict or torture *Transforming the Legacy* presents an innovative relationship based and culturally informed couple therapy practice model that is grounded in a synthesis of psychological and social theories. This unique couple therapy model encompasses three phases of clinical practice. Phase I entails a process of establishing safety stabilization and a context for changing legacies of emotional sexual and or physical abuse. Phase II guides reflection on the trauma narrative. The goal of phase III is to consolidate new perspectives attitudes and behaviors. Within these phases the model illustrated with rich case studies focuses on specific issues including intersubjectivity between the client and clinician such as transference and countertransference vicarious traumatization and racial identity development intrapersonal interactional and institutional factors the role of the victim victimizer bystander dynamic in the couple and therapeutic relationships preserving a locus of control with clients flexibility in decisionmaking regarding clinical processes and specific practice themes such as the composition of a couple the role of violence parenting sexuality affairs dual diagnoses and dissociation. A dramatic departure from formulaic therapeutic approaches this biopsychosocial model emphasizes the crafting of specific treatment plans and specific clinical interventions to show how couple therapy can transform the legacies of childhood traumatic events for a wide range of populations including military couples and families gay lesbian bisexual transgendered couples and families and immigrant and refugee couples and families. This thorough

Bibliography of Industrial Efficiency and Factory Management (books, Magazine Articles, Etc.) Harry George Turner Cannons,1920 **Children of Substance-Abusing Parents** Shulamith Lala Ashenberg Straussner,Christine Huff Fewell,2011-05-10 Children of Substance Abusing Parents Dynamics and Treatment is a necessary reference for all mental

health professionals and students who need to understand and treat this population. It offers an invaluable look at treatment options and programmatic interventions across the life span and fills an important gap in the current literature. The contributors include a wide range of experts who provide up to date evidence based clinical and programmatic strategies for working with children of alcohol and other substance abusing parents of any age and in almost any practice setting. This highly recommended book is a valuable resource for all practitioners and students concerned about this very large but often hidden group of individuals and families. From the Foreword by Sis Wenger, President, CEO, National Association for Children of Alcoholics: Parental drug abuse and alcoholism have an enormously detrimental impact on children and adolescents. Children whose parents suffer from drug abuse or alcoholism often face multiple physical, mental, and behavioral issues. They are at a greater risk for depression, anxiety, low self-esteem, and addiction, and also are known to have poor school attendance, difficulty concentrating, and lower IQ scores. This book offers health care practitioners proactive programs and innovative strategies to use with this vulnerable population. Taking a comprehensive life course approach, the authors discuss the implications and interventions at the prenatal stage through childhood, adolescence, young adulthood, and adulthood. With this book, social workers and health care practitioners can help assess and intervene with children of substance abusing parents. Key topics: Dynamics in families with substance abusing parents and treatment implications; Issues across the life span of children of substance abusing parents; Prevention and early intervention programs for pregnant women who abuse substances; Programs for young children, adolescents, college students, and children with incarcerated parents. *Children*, 1968

Social Work Practice with the LGBTQ Community Michael P. Dentato, 2018. Handbook of Marriage and the Family Gary W. Peterson, Kevin R. Bush, 2012-09-14. The third edition of *Handbook of Marriage and the Family* describes, analyzes, synthesizes, and critiques the current research and theory about family relationships, family structural variations, and the role of families in society. This updated *Handbook* provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender, socioeconomic, race, ethnic, cultural, and life style diversity. The *Handbook* also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for

scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework

A Book About Books, Volume III of III E. H. Bernstein, 2024-11-13 This book is Volume III of a three volume book plus accompanying website www.bookaboutbooks.com which adds to subjects already in the book or presents some books and subjects not contained in the books The other volumes are available from the same booksellers as this volume A Book about Books discusses what nonfiction books and subjects the author believes are important to know about This book tries to point to problems in how we live and to see if books have any answers Even though the books are complete the author will update the website periodically in the future E H Bernstein is a former librarian turned author The subtitle of the book describes the author's objective A handbook in three volumes to a choice of essential books writers and subjects in order to understand the world we live in about big questions and possible answers about books and writers that may improve people's lives about neglected writers and other books and subjects A Book about Books attempts to share what the author has learned from nearly 50 years of nonfiction reading and to provide the reader with samples of the most important authors and subjects from that reading While the book is based on research it is intended to be a handbook or guide by trying to make that research understandable to the general reader and to students and for teachers by pointing to what the author believes is missing from today's education A curriculum proposal for college teachers is on the author's website Note about how the volumes are related each chapter is on a separate subject So the chapters can be read individually but the full message requires reading all the volumes Volume I is important but preliminary to the more important Volumes II and III Note also that the book is not just about books since other sources are also mentioned The author believes we should listen to many voices so the book draws on many types of writers from different times and countries The author says A contemporary writer once said that one of the purposes of writing is that books should be useful I hope that my book will be of use

Spirituality and Mental Health Phil Barker, Poppy Buchanan-Barker, 2006-06-14 This text explores spirituality and its relationship to mental health It emphasizes the need to look inward and listen to the messages which are channelled through our beings rather than dismiss these experiences as some form of disorder Part One considers spirituality as a reflection of the process of change A brief overview of the contemporary history of spiritual inquiry in the field of mental health is provided Part Two considers spirituality as a reflection of the process of meaning making Part Three considers spirituality in terms of different forms of journey including a consideration of the traditional concept of pilgrimage Part Four considers the potential for healing that lies within even the most terrifying forms of madness The book then concludes with a suggestion of the power of waiting and the rewards obtained by the careful compassionate practice of life
