Fruja,Matthew Missias,2010-01-21 The preparation of social studies teachers is crucial not only to the project of good
education but even more broadly to the cultivation of a healthy democracy and the growth of a nation s citizens This one of a
kind resource features ideas from over 100 of the field s most thoughtful teacher educators reflecting on their best practices
and offering specific strategies through which future teachers can learn to teach thus illuminating the careful planning and
deep thinking that go into the preparation of the social studies teachers While concentrating on daily teaching realities such
as lesson planning and meeting national state or provincial standards each contributor also wrestles with the most important
current issues on educating teachers for today s increasingly diverse complex and global society Features of this unique
teaching resource include Volume sections that are arranged by both disciplinary organization and approach or activity
Thoughtful introductory section essays that conceptualize each theme providing a conscientious theoretical overview and
analysis of each individual section Rich and concrete examples of best practice from some of the field s most diverse and
highly regarded scholars and teacher educators An index that identifies the appropriate teaching level and teacher education
context and links the strategies and ideas that are presented in the essay to the relevant INTASC and NCSS standards for
quick reference in classroom planning as well as institutional development and implementation A much needed addition to
the field this comprehensive volume will be of value to any teacher interested in social studies or diversity education across
age groups and educational contexts **Research in Education** ,1974 *The Management of the Reading Program in the*

Study Methodology provides a collection of works that highlights ways in which self study of teaching and teacher education
practices can advance conversations and knowledge in social studies education Some of the pieces chosen for this book will
provide theoretical connections between the two fields e g how values and principles important to both fields work together
are similar and can help each field expand Others will provide specific examples of self studies that focus on social studies
specific concepts The book provides a strong and clear introduction of self study to the field of social studies education as
well as an argument for its use to further understand social studies teaching and teacher education It also provides the self
study community with an example of how self study can be used to look at content specific aspects of teaching and teacher
