Readings On Fascism And National Socialism:

Readings on Fascism and National Socialism University of Colorado Boulder. Marshall,2025-08-22 Assessing Vilfredo Pareto s sociological reworkings of Machiavelli s Fox and Lion animal spirits as friend enemy codings this book offers a unique insight into the growing division today between relatively liberal elites and relatively conservative non elites Re Reading Pareto on Elite Power and Societal Bipolarisation utilises key ideas common to Pareto s elite theory general sociology and theory of demagogic plutocracy and fleshes out a unique perspective for making sense of contemporary societal bipolarisation in terms of friend enemy codings The first part of the book explores what Pareto s core ideas are and outlines why they matter today The second part considers how we might elaborate and apply Pareto s concept of open elites to reverse contemporary societal bipolarisation and build safer and more mature democracies The third part explains how we can apply Pareto to predict further deterioration towards fundamental social conflict such that Pareto s sociological imagination becomes risk imagination we desperately need today For academics and students across the domains of sociology political science and social science in general the book warns of widespread elite institutional bias in their research and points to Pareto s neutral and balanced approach as a corrective offering a uniquely Paretian view of minimal criteria for democracy as well as a uniquely balanced analytical perspective for making sense of our culture war

The Poets of Rapallo Lauren Arrington,2021-07-08 A new

story about the relationships between major twentieth century English language poets Why did poets from the United States Britain and Ireland gather in a small town in Italy during the early years of Mussolini s regime These writers were or became some of the most famous poets of the twentieth century What brought them together and what did they hope to achieve The Poets of Rapallo is about the conversations collaborations and disagreements among Ezra and Dorothy Pound W B and George Yeats Richard Aldington and Brigit Patmore Thomas MacGreevy Louis Zukofsky and Basil Bunting Drawing on their correspondence diaries drafts of poems sketches and photographs this book shows how the backdrop of the Italian fascist regime is essential to their writing about their home countries and their ideas about modern art and poetry It also explores their interconnectedness as poets and shows how these connections were erased as their work was polished for publication Focusing on the years between 1928 and 1935 when Pound and Yeats hosted an array of visiting writers this book shows how the literary culture of Rapallo forged the lifelong friendships of Richard Aldington and Thomas MacGreevy both veterans of the First World War and of Louis Zukofsky and Basil Bunting who imagined a new kind of democratic poetry for the twentieth century In the wake of the Second World War these four poets all downplayed their relationship to Ezra Pound and avoided discussing how important Rapallo was to their development as poets But how did these democratic poets respond to the fascist context in which they worked during their time in Rapallo The Poets of Rapallo discusses their collaboration with Pound their awareness of the rising tide of fascism and even in some cases their complicity in the activities of the fascist regime The Poets of Rapallo charts the new direction for modernist writing that these writers imagined and in the process it exposes the dark underbelly of some of the most lauded poetry in the English language
