*Ready, Aim, Inspire!* Jim Walker, 2002-10-06 Leadership and teamwork are the critical components in today's project driven world. Drawing on materials from ancient history and modern day heroes, this collection of quotes provides a provocative and refreshing view of what it takes to forge and lead a winning team. Ready Aim Inspire Leadership is solving problems. The day soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help or concluded you do not care. Either case is a failure of leadership. Colin Powell. Some men give up their designs when they have almost reached the goal. While others, on the contrary, obtain a victory by exerting at the last moment more vigorous efforts than ever before. Herodotus. Character-Centred Leadership Micah Amukobole, 2012-12-04 This book promotes excellence in the practice of leadership to inspire leaders, emerging leaders and students of leadership to become active participants in shaping their own future and the future of others. **Beyond the Score** Jim Sheard, Ph.D., 2011-06-06 Inspiration to achieve excellence on the course and beyond. Learn to focus your game on six specific areas that include connecting with others, providing value and communicating with purpose. Considerable work goes into the game of golf in order for one to drive farther, chip closer and putt straighter. However, what happens when the round of golf is over? Striving to be the best can be an empty pursuit if God is not at the center of your life. Beyond the Score helps you get there. Every relationship has a beginning. The key is to connect in such a way that you give the relationship an opportunity to grow and thrive. 101 Motivational Quotes Lamont G.
