Alvi and Amer Al-Roubaie, 2011-08-31 Lately Islam has been enduring considerable pressure and criticism for its violent nature and its

involvement with anti social activities such as terrorism assassinations suicide bombings etc Some evidence of the growing awareness of Islam and its efforts of peaceful co existence has come to light in the form of increased interest in reading history and about the past events This awareness is not sufficient The authors in their book Globalization of Knowledge have endeavoured to dispel this undue criticism In this treatise the authors have undertaken to illustrate Islam and its efforts for creating and maintaining a peaceful and harmonious global village They have also brought to the attention of the readers contributions of the Islamic Civilization to human knowledge particularly the preservation and further advancements in philosophy sciences astronomy and other social disciplines The book is an easy reading and full of information Readers can learn vicariously from the Islamic contributions to human knowledge **Thank God for Atheists** Timothy

Morgan,2015-10-01 The greatest authors of atheism did more to push me toward belief in God than any Christian apologist writer Timothy Morgan After a decade of major disappointments Timothy Morgan was ready to reject God Atheism offered an escape an opportunity to dismiss God permanently But as Morgan delved into the thinking of great atheists past and present he was stunned In book after book he found their reasons for rejecting God to be intellectually unfulfilling In Thank God for Atheists he candidly shares his journey by letting atheists speak for themselves examining their logic to see whether it holds up or not Along the way deals with these key questions What are the key elements of the atheist worldview Who are the leading modern day atheists and what are they saying How can you effectively respond to atheism You ll find this a personal and thoughtful book on why the evidence for God is much more compelling than the evidence against Him **Walford's**
