Ancient Evenings Adrian Kuzminski,2025-01-20 Ancient Evenings is a study of consciousness presented as a series of fictional philosophical dialogues set at the height of the Roman Empire These dialogues on good and evil truth and falsehood life and death are historical re enactments of what persons representing the major Hellenistic schools of philosophy might actually have said to one another in informal but serious discussion and debate The inclusion of the Buddhist like arguments of ancient Pyrrhonian sceptics which challenge the dogmatic Stoics Epicureans and Academic nihilists results in a powerful unique view of the secular Hellenistic schools of antiquity and of their continued importance to modern secular thinking about how to live in a world without divine intervention Ancient Evenings is in the spirit of great dialogues from Plato to Cicero and Berkeley to Hume It brings back to life the neglected literary form of the philosophical dialogue as a potent and unique instrument of

**Arms, Economics and British Strategy** G. C. Peden, 2007-02-08 This book integrates strategy, technology and economics and presents a new way of looking at twentieth century military history and Britain's decline as a great power. G. C. Peden explores how from the Edwardian era to the 1960s warfare was transformed by a series of innovations including dreadnoughts, submarines, aircraft, tanks, radar, nuclear weapons and guided missiles. He shows that the cost of these new weapons tended to rise more quickly than national income and argues that strategy had to be adapted to take account of both the increased potency of new weapons and the economy's diminishing ability to sustain armed forces of a given size. Prior to the development of nuclear weapons, British strategy was based on an ability to wear down an enemy through blockade, attrition in the First World War and strategic bombing in the Second, and therefore power rested as much on economic strength as on armaments.

**Empress of the Seven Hills** Kate Quinn, 2012-04-03 A tale of love, power and intrigue from the New York Times and USA Today bestselling author of *The Alice Network* and *The Briar Club*. Powerful, prosperous and expanding ever farther into the untamed world, the Roman Empire has reached its peak under the rule of the beloved Emperor Trajan. But neither he nor his reign can last forever. Brash and headstrong Vix is a celebrated ex-gladiator returned to Rome to make his fortune. The sinuous, elusive Sabina is a senator's daughter who craves adventure. Sometimes lovers, sometimes enemies, Vix and Sabina are united by their devotion to Trajan. But others are already maneuvering in the shadows. Trajan's ambitious Empress has her own plans for Sabina. And the aristocratic politician Hadrian, who is both the Empress's ruthless protégé and Vix's mortal enemy, has ambitions he confesses to no one, ambitions rooted in a secret prophecy. When Trajan falls, they all will be caught in a deadly whirlwind that may seal their fates and that of the entire Roman Empire.

**The Last Centurion** John Ringo, 2008-08-01 Centurions were the guardians of Rome. At the height of the Roman Republic, there were over five thousand qualified Roman Centurions in the Legions. To be a Centurion required that in a mostly illiterate society, one be able to read and write clearly, to be able to convey and create orders, to be capable of not only performing every skill of a Roman soldier but teach every skill of a Roman soldier. Becoming a Centurion required intense physical ability, courage beyond the norm, years of sacrifice and a total devotion to the philosophy which was Rome. When Rome fell to barbarian invaders, there were less than five hundred qualified Centurions. Not because Rome had fewer people but because it had fewer willing to make the sacrifices. And the last Centurions left their shields in the heather and took a barbarian bride. We are The Last Centurions. **Soldier and Society in Roman Egypt** Richard Alston, 2002-09-11 The province of Egypt provides unique archaeological and documentary evidence for the study of the Roman army. In this fascinating social history, Richard Alston examines the economic, cultural, social and legal aspects of a military career, illuminating the life and role of the individual soldier in the army. *Soldier and Society in Roman Egypt* provides a complete reassessment of the impact of the Roman army on local societies and convincingly challenges the

orthodox picture The soldiers are seen not as an isolated elite living in fear of the local populations but as relatively well integrated into local communities The unsuspected scale of the army's involvement in these communities offers a new insight into both Roman rule in Egypt and Roman imperialism more generally      Centurion of the XIX Legion Klaus Pollmann, 2013-11-27 Lucius was thrilled when he learned of his father's plan to send him to the Legion to become a Centurion When his father then engaged Pertinax a former gladiator to serve as Lucius sword fighting tutor he could hardly believe his luck On a business trip to Massilia Marseille Lucius gets lost in the harbor district where a gang of street urchins assails him beating and robbing him Gnaeus Lucius father is in such a fury over his son's weakness and public humiliation that he bans him to the family vineyards located close to Arausio There Saxum a retired Legionnaire and Pertinax are to toughen him up body and soul in preparation for the Legion Should Lucius fail to gain the rank of Centurion he will be condemned to working on the winery for the rest of his life After two years of torture ridicule and hardship Lucius survives training and enters the Legion Now his problems begin in earnest Soon Lucius cannot be certain which threat to his life is more imminent the one outside or the one inside the Legion encampment While fighting for the Roman Empire against the Raeti Vindlicans and Germani the devious Centurion Titus Valens makes his life within the Legion a living hell      *Centurion: Before the Smuggler's Court* Steven F. Warnock, It was just another day for award winning documentarian and army brat Kat Delbath Late hours in the dark editing her latest project were nothing new but little did she know that tonight she was on a collision course with terrorists that would flip her life upside down and prove to her that everything she knew was a lie In the midst of a series of terror attacks she's learning that the universe is a little more crowded than she realized Kat owes her life to her very own version of a knight in shining armor An Armada Centurion in Black Armor Meet Ranger Her world will never be the same From the book And how do you plan on making your escape Sir do you really think you could stop me if I wanted to leave When the time comes I will walk out that door under my own power and whether or not you leave with me as my friend or are left lying unconscious in the corner there will be your choice For my part in this I'd like for us to be friends because we do have a mutual enemy
