## **Real Evangelism:**

**Real Evangelism** Bailey Smith,1999-10-08 Real Evangelism shows how aspects of church culture actually dampen the evangelistic task entrusted to it Smith exposes what he calls subtle substitutes to evangelism While there is nothing wrong with ministries that help established Christians Bailey Smith impresses upon the church that these types of ministries must not take place of reaching out to the lost

**Get Real:** Edward Rommen,2010-06-27 The Gospel is more than information about the death and resurrection of our Lord It is an invitation to enter by way of personal faith into a relationship with the person referenced by our propositions Our task as believers is to mediate saving communion with a personal being upon whose will our very existence is contingent It is precisely this personal aspect of our message the Gospel as Person that is in conflict with the late modern notions of the Self and social discourse Get Real On Evangelism in the Late Modern World describes how the late modern phenomena of existential anxiety social alienation and epistemic uncertainty have resulted in what some have called the loss of Self It also identifies ways in which that loss obstructs both the presentation of and the reception of the Gospel as Person Finally it shows how the Gospel as Person facilitates the recovery of the Self and social discourse and how that message can be effectively presented in the late modern context Get Real John S.

Leonard,2013-10-01 Instead of an awkward experience sharing your faith can be a simple everyday part of life As you grow in your love for Jesus sharing him with others will overflow into every conversation Casual interactions will turn into significant moments that bring the gospel into all your relationships *The Mystic Way of Evangelism* Elaine A. Heath,2017-11-07

Elaine Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality This thoroughly revised edition includes a new study guide Praise for the First Edition Outreach Resource of the Year Award Winner Heath s biographies of the mystics are inspiring and her emphases on suffering and spiritual depth as the antidote to a prepackaged method obsessed consumer oriented evangelistic approach are refreshing Outreach **Radically**

**Real** David C Weiss,2002-07-20 As Christians how do we know for sure we re walking the talk living the example being the salt and light we re commanded to be in the Bible Do nonbelievers see the joy and authenticity in our lives Radically Real is a wakeup call to believers to look at the way we live our lives and to return to biblical Christianity To be Fishers of Men we must leave judgment on the doorstep Instead of following legalistic rules we re charged by Jesus to reach out to those around us about our faith and meet them where they are just like our Lord did Radically Real reminds believers of the high price our Savior paid for us out of His great love gives guidance in keeping our swords sharp by staying in the Word and being the fire that burns brightly with the light of Christ in a dark world in need of the Gospel s message Christianity isn t a cold lifeless ruthless set of rules that believers must endure in order to get to Heaven To be a child of God is to have access to a vibrant exciting and fulfilling life if only we leave the middle of the road and make the choice to stand with our transforming Lord

**Every Member Evangelism for Today** Roy J. Fish,J. E. Conant,2009-07-01 Now a classic work in communication of the

gospel to all people has been revised and updated to make it even more vital to contemporary needs J E Conant's Every Member Evangelism remains a stirring call to arms to all Christians a call back to the divine program given by Jesus to evangelize the world It is a manual of arms as well showing why and how every church can fully mobilize every member in the service of Christ and his message In this revision Roy J Fish completely updates the language and substitutes new examples more in line with present day experience Conant's vision and fervor are intact Just as Every Member Evangelism was the standard work for the growing church of an earlier day this new version comes at a time when the need for it has never been greater

Graceful Evangelism Frances S. Adeney, 2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today's religiously pluralistic and secular contexts This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God's good news with the world

**Let's Be Blunt** Evan Oxner, 2020-05-31 Is the point of following Jesus simply getting to heaven Do we put our faith in God and just wait for the day when we get to leave this world behind and find peace Is Christianity nothing more than the practice of staying faithful long enough that we are on the right side of the fence when we die Something just doesn't

seem right about that The God that we see in the Exodus is bigger than the gods of the world The work of Jesus changes more than just one s eternal final destination The practice of discipleship and following Jesus is more meaningful than simply keeping us safe Maybe the questions you ve asked or the problems you ve observed with the Church don t reveal doubts or unfaithfulness Maybe they express a craving for what God really wants to do that goes beyond the common culture and teachings of the Church It s not that the Church is wrong in everything it says or teaches but there is something more important we need to embrace for the rest of it to actually makes sense Christianity isn t about checking boxes and going to heaven it s about being restored to the image of God      **Norton's Nuggets from the New Testament** Wayne

Okuomose Victor,2017-02-13 Real Evangelism by Evangelist Osazuwa okuomose victor is a compulsory task giving to each and every believer by our Lord Jesus to go into the world and preach the gospel to those who are living in absolute ignorance It is a task that must be carried out with seriousness and urgency by all the believers across the globe because the world is getting corrupt day by day And as a result of this each and every one is to return to the field of Evangelism It is the whole process of reaching out to the lost souls and bringing them back to the Lord Jesus their maker So that they can enjoy fellowship with him as it was in the days of Adam and Eve in the Garden of Eden before the coming of our lord Jesus Christ

**The Church School Journal** ,1914      *Trauma-Informed Evangelism* Charles Kiser,Elaine Heath,2023-04-11 We are at the forefront of a new reformation So declares Elaine Heath in Trauma Informed Evangelism aiming to recover the God of love from the structures of hate that pervade Christian communities in America today In their new guide she and Charles Kiser work toward bringing this reformation to fruition through ministering specifically to the spiritually traumatized Over the course of their study Kiser and Heath amplify the voices of those who suffered misogynistic racist or homophobic abuse at the hands of the church While carefully listening to these stories Kiser and Heath bring them into conversation with the passion and resurrection of Jesus Engaging with womanist and liberation theology they see in the crucifixion a God who does not valorize suffering but shares the experience of the traumatized Ultimately this theodicy leads them to propose a new evangelism one based not on fear and coercion but on witnessing the unconditional love of God Timely theologically informed and eminently practical Trauma Informed Evangelism will serve as a formative guide for church leaders and students seeking to aid trauma survivors in their communities Discussion questions conclude each chapter      The Great Tithing Debate A.

Bruce Wells, 2007-03-16 Finally there is a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions. No longer will you have to rely on opinions, clichés, wishful thinking, passed down deceptions, legalism, or plain old foolishness. Just to know what is required of you and where you stand with God. The Bible is very clear for those who want to know. All of your questions are thoroughly answered in **THE GREAT TITHING DEBATE**. The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross. When the reality of redemption is properly understood, most questions disappear, and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock. When redemption is fully understood, one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross. Yes, tithing worked in the Old Covenant as a part of the total Law, but has absolutely no place in the New Covenant that provides everything. Romans 8:32 through the blood of Christ. Peter counted such teaching as tempting the Holy Spirit in Acts 15. Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses. We may call it an act of faith, obedience, doing the Word, good stewardship, or whatever we want, but at the end of the day, it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians. As circumcision became nothing under the NT, likewise tithing is no longer obligatory. Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus' finished work and the Name He gave us to use? Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row? And finally, wouldn't it be nice to have a royal ring put on your finger, a kingly robe put on your back, and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted? So this is a book about salvation, something that the church seems to know little about. Beyond forgiveness of sins, today's church seems to be unaware and uninterested in understanding redemption. This vacuum has left us open to a myriad of opinions, questionable doctrines, and even deception. This book endeavors to fill some of that vacuum. You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy. Examine the free preview below and taste and see that the Lord is good, even much better than we've been taught. Hopefully, pride, a rampant byproduct of legalism and performance, won't keep you from hearing. Maybe you're still teachable and open to God's leading, even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian. **DO YOU KNOW THAT Malachi was "My Church" or "My" Church: Which One Is It?** Clive Brown, 2016-02-19 This is an important book, a valuable book for learning and understanding. It is a book to read through and one to refer to repeatedly. I believe this book is an integral part in the study of the church and beneficial to all serious students of the Bible. The materials it contains will inform and edify you. For some time now, it has been my desire to place within the hands and hearts of believers an introductory study on the teaching of the church, a book to help meet the

needs of many who want to understand the New Testament teaching of the church and thus enrich their appreciation and use of the scriptures     **The Homiletic Review** ,1902     *Official Report of the ...
