for people to reach the one absolute objective truth of existence which grounds everything In order to reach the Truth the task is not to pretend to people that they are all right but to show where they have gone wrong where they have strayed from reason and logic where they have succumbed to irrationalism via emotionalism sensory empiricism faith and mysticism Wilber adopts a fully irrationalist stance when he claims that the enlightened are what he calls trans rational i e they have somehow transcended reason and logic and thus reached the zone according to Wilber where they can apprehend Absolute Reality In fact Absolute Reality insofar as it is intelligible is nothing but the expression of the Principle of Sufficient Reason and its corollary Occam s razor How do we eliminate the infinite wrong answers to existence and reach the one infallible right answer to existence It s simplicity itself The answer to existence is the simplest and most rational possible Any answer that is not rational is irrational hence false Any answer that is not the simplest is wrong because reality would never privilege complexity over simplicity Reality necessarily follows the path of least resistance the most economic path It does not know how to introduce superfluous needless and pointless complexity You will never understand the answer to existence if the answer you support is against rationalism and against rational simplicity **I Gotta Know!** Al Denson,Pat Springle,1999 In his book *I Gotta Know* popular contemporary Christian singer Al Denson provides serious advice on relevant issues teens face Questions are arranged in categories such as Love and Sex Friends and School Family Problems and Questions about God Sin and Salvation Each question is addressed with genuine concern and personal anecdotes that help young people respect and trust Al s answers *I Gotta Know* shows teens the unconditional love of God and gives them confidence to accept themselves *Your Greatest Life* Marion Grace,2021-05-28 Many of God s people today feel they are drowning in problems and issues they are desperate to overcome Help may be hard to find because many of these issues are untouchable in religious circles they are uncomfortable embarrassing or just too difficult to answer Many people struggle through every day hiding what is tearing them apart inside because they fear being judged condemned or feeling inferior Marion confronts head on some of these challenging issues drawing from her own difficult experiences and what she put to work in her life to overcome joyfully thrive and become more than a conqueror Her life experiences are woven through revelation she has received from God s Word Her story provides relatable understandable illustrations and a point of contact that will bring you tangible compassion and achievable answers If you find yourself in an impossible trial then walk with Marion through this journey of hope faith understanding and triumph In the end you will know that God has an answer and it is within your grasp Lift your head my friend and get ready to soar with the eagles **The Advertising Age Encyclopedia of Advertising** John McDonough,Karen Egolf,2015-06-18 For a full list of entries and contributors a generous selection of sample entries and more visit the *The Advertising Age Encyclopedia of Advertising* website Featuring nearly 600 extensively illustrated entries *The Advertising Age Encyclopedia of Advertising* provides detailed historic surveys of the world s leading agencies and major advertisers as well as brand and market histories it also profiles the influential men and women in advertising overviews
