Recruiter Journal ,2008 *Married and Singles* Bukola Agunbiade Olajide,2021-05-06 God never created a marriage to fail hurt or be frustrated The only reason marriage is failing today is simply because we are trying to do different things from what God designed it to be Every couple has 100 percent chances for a successful marriage only if they can do it the way God planned it The problem is not with the marriage it s couples ignorance in understanding each other The best couples are the couple that realised they have many differences and make every effort to work on their differences If you are already married but going through a rough patch or simply want to strengthen your bond by allowing God to restore your marriage this particular book is for you If you re single contemplating marriage choosing a life partner is one of the most important decisions to make in life The choice of life partner you make can determine the quality of your life in the future much more than any other decision you make in your life Many singles spend more time developing academic knowledge deciding where to go to college choosing the cause to study building physical fitness but spending little time or no time on choosing the right future partner which has led to many failures in marriages today If you give God a chance to choose for you he can give you a description of the kind of person that he desires you to marry For you to have a successful marriage and if you want God s blessing over your marriage which you do then it s better to listen to God about the kind of person he wants you to marry Love alone is not enough reason to marry *Real Love* Greg Baer,2004-01-19 He rocked my foundation Greg Baer touched me deeply He s got the answer to finding happiness in life Tony Trupiano Talk America Why do most of us search our entire lives for loving and happy relationships but rarely find them What is the secret something that all relationships need in order to thrive Dr Greg Baer found the answers to these questions while working with thousands of individuals and couples In *Real Love* he shares his enlightening and practical blueprint for creating successful relationships and reveals the secret to finding and keeping what he calls Real Love In *Real Love* you ll discover The difference between Imitation Love and Real Love How to eliminate conflicts with spouses children parents friends and colleagues How to put an end to destructive Getting and Protecting behaviors How Real Love can eliminate anger resentment and fear The four steps to finding Real Love With Real Love as your guide you can begin to heal the wounds of your past and create rewarding and fulfilling relationships in every area of your life **Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil** Lionel Attwell,2007-08-01 Lionel Attwell a former highly successful national newspaper reporter spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines In the process it created a pagan counterfeit Christianized Messiah His research also reveals the incredible events which actually occurred in the Garden of Eden the forbidden fruit was a narcotic and aphrodisiac when high Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of
