the bigger picture By definition battles involve combat between two persons between factions between armies and they consist of any type of extended contest struggle or controversy As Christians we are in a spiritual battle of some sort on a daily basis In warfare battles are fought on different fronts for different reasons and with varying degrees of intensity The same is true in spiritual warfare Our spiritual battles and warfare are real though we cannot physically see the attacker But we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis We have to ask ourselves Why do we even want to fight It will do us no good to educate ourselves on the battle if we see no reason for the fight War is very controversial today in the physical realm Those attitudes beliefs and convictions will transfer over to the spiritual realm However in the spiritual realm there is a battle going on regardless of our opinion We are either victors or victims Jesus has come and conquered The war is already won in the heavens Jesus told us in Matthew 28 18 that All authority has been given to me in heaven and on earth We now have the privilege of having an eternal relationship with God Many of us enter into that covenant of salvation by grace But the Matthew 28 18 verse is not only about our salvation it is also about our every day victory which adds up to victorious living in Christ Every day victory is achieved by knowing believing and understanding the battles that we are enduring daily regardless if we are passive or active in the battles Do you want all that God has for you on this earth right now or do you want to wait until you get to heaven to receive the victory and blessings In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious The prayers ensure that you will recover all your possessions and your God given potentials in you You will also get back all that the Devil has taken away from you Are you facing the following challenges living in an anti Christ nature and following their Doctrine Living out of faith Sexual temptations for unmarried Sexual harassment Divorce Destruction of life Poverty Lack of focus Confusion Homosexualisim Lesbianism Drug Addiction Joblessness No sense of Direction Confusion Lazy to Prayer Not willing to server God and many more SEVEN

*The Mission of God* Christopher J. H. Wright, 2025-10-21

Tackle Key Questions from the Past Two Decades in this Fully Updated Edition. Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J. H. Wright's classic text now fully revised and updated. Most Christians would agree that the Bible provides a basis for mission. But Christopher Wright boldly maintains that there is a missional basis for the Bible itself. The entire Bible is generated by and is all about God's mission. In order to understand the Scriptures we need a missional hermeneutic, an interpretive perspective in sync with the beating heart of its great mission. Wright gives us a new hermeneutical perspective on Scripture through an understanding of Who God is, What he has called his people to be and do, How the nations fit into God's mission. In this revised edition of *The Mission of God*, Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication. With fully updated citations and additional chapters focused on gospel-centered holistic mission and on the issue of election and supersessionism, this new edition addresses the questions, criticisms, and insights that have emerged during the intervening two decades. God's mission is to reclaim the world, and God's people have a designated role to play. Whether you're a pastor, scholar, or student, *The Mission of God* will benefit your understanding of how the Bible shapes the story and purpose of God's people.
