Real History Of The Rosicrucians:

The Real History of the Rosicrucians Arthur Edward Waite, 2005-01-01 Three derivations are offered of the name Rosicrucian The first which is certainly the most obvious deduces it from the ostensible founder of the order Christian Rosenkreuze I shall show however that the history of this personage is evidently mythical or allegorical and therefore this explanation merely takes the inquiry a step backward to the question What is the etymology of Rosenkreuze The second derivation proposed is from the Latin words Ros dew and Crux cross This has been countenanced by Mosheim who is followed by Rees's Encyclopaedia and other publications The argument in its favour may be fairly represented by the following quotation Of all natural bodies dew was deemed the most powerful dissolvent of gold and the cross in chemical language was equivalent to light because the figure of a cross exhibits at the same time the three letters of which the word lux or light is compounded Now lux is called the seed or menstruum of the red dragon or in other words that gross and corporeal light which when properly digested and modified produces gold Hence it follows if this etymology be admitted that a Rosicrucian philosopher is one who by the intervention and assistance of the dew seeks for light or in other words the substance called the Philosopher's Stone This opinion exaggerates the importance attributed to the dew of the alchemists The universal dissolvent has figured under various names of which ros is by no means most general the comprehensive Lexicon Alchymicum does not mention it According to Gaston le Doux in his Dictionnaire Hermétique Dew simply so called signifies Mercury Dew of the Philosophers is the matter of the stone when under the manipulation of the artist and chiefly during its circulations in the philosophical egg The White and Celestial Dew of the Wise is the philosophical stone perfected to the White Mosheim derived his opinion from Peter Gassendi² and from a writer in Eusebius Renanot's Conférences Publiques³ who confesses that he knew nothing whatsoever of the Rosicrucians till the task of speaking on the subject was imposed on him by the Bureau d'Adresse He says Dew the most powerful dissolvent of gold which is to be found among natural and non corrosive substances is nothing else but light coagulated and rendered corporeal when it is artistically concocted and digested in its own vessel during a suitable period it is the true menstruum of the Red Dragon i.e. of gold the true matter of the Philosophers The society desiring to bequeath to posterity the ineffaceable sign of this secret caused them to adopt the name Frères de la Rose Cuite The mystic triad of the Society F R C has been accordingly interpreted Fratres Roris Cocti the Brotherhood of the Concocted or Exalted Dew but the explanation has little probability in itself Several chemists says Pernetz in his Dictionnaire Mytho Hermétique have regarded the dew of May and September as the matter of the Magnum Opus influenced doubtless by the opinion of various authors that dew was the reservoir of the universal spirit of Nature But when we seriously study the texts of the true philosophers wherein they make reference to dew we are soon convinced that they only speak of it by a similitude and that theirs is metallic that is it is the mercurial water sublimated into vapour within the vase and precipitated at the bottom in the form of fine rain Thus when they write of the dew of the month of May they are referring to that of their

philosophic Spring which is governed by the gemini of the alchemical Zodiack which differs from the ordinary astronomical Zodiack Philalethes has positively said that their dew is their mercurial water rising from putrefaction **A New and Authentic History of the Rosicrucians** Fr Wittemans,2011-04-01 Very Scarce Book on Rosicrucianism Contents Introduction Traditional Origin of the Order of the Rosicrucians Christian Rosencreutz and his Successors the Renaissance of the Order in the Eighteenth Century The Rosicrucians in the Netherlands and France Bacon and the English Rosicrucians The Ergon and the Parergon of the Rosicrucian The Golden Rosicrucian The Rosicrucian in Russia The Rosicrucians of the Eighteenth Degree of Scottish Freemasonry The Rose Croix Grade in the Freemasonry of Holland Saint Germaine and the Rosicrucians of France of the Eighteenth Century Rosicrucians in the Nineteenth Century Rosicrucians and Theosophy The Golden Dawn References Principle Dates of the History of the Rosicrucians Bibliography **The Real History of the Rosicrucians** Arthur Edward Waite,2007-03-01 An excellent introduction to the historical and factual records by and about the Rosicrucians This classic study was first published in 1887 [The Real History of the Rosicrucians](#) Waite,1887 [The Real History of the Rosicrucians](#) A. The Real History of the Rosicrucians Arthur Edward Waite,2020-11-02 The Real History of the Rosicrucians by British poet occultist mystic and co creator of the Rider Waite tarot deck was originally published in 1887 The work is Waite s masterpiece history of the elusive Rosicrucians a mysterious secret society which came to public attention in early 17th century Germany Despite there being much literature written about this order no confirmed members were ever proven to exist Over the centuries a mythology grew around the Rosicrucians and groups dating back to the 19th century claimed the name Themselves claiming to go back further to ancient Egypt or Atlantis Waite presents complete translations of the core texts in the Rosicrucian canon including the Fama Fraternitatis the Confessio Fraternitatis and the Chemical Wedding of Christian Rosencreutz The Chemical Wedding is a dream text as a thinly veiled alchemical allegory Nobody knows the true authorship of these documents though the German theologian and writer Johann Valentin Andreas is given as one possibility Waite also looks at Rosicrucian literature from successive centuries including quotes from authors who wrote about the Rosicrucians such as Michael Maier Robert Fludd Thomas Vaughan and John Heydon Waite also includes Heydon s Voyage to the Land of the Rosicrucians which is very similar to Thomas More s Utopia in its entirety [The Real History of the Rosicrucians](#) Arthur Edward Waite,1997 [The Real History of the Rosicrucians Founded on Their Own Manifestoes](#) Arthur Edward Waite,1887 **The Real History of the Rosicrucians** Arthur Waite,2015-11-30 This is Arthur Edward Waite s study of the elusive Rosicrucians a secret society of which the first public notice was in early 17th century Germany Waite presents complete translations of all of the texts which defined the Rosicrucians including the Fama Fraternitatis the Confessio Fraternitatis and the Chemical Wedding of Christian Rosencreutz The longest text the Chemical Wedding is a fever

dream which is a thinly veiled alchemical allegory The Real History stands in stark contrast to Hargrave Jennings The Rosicrucians their Rites and Mysteries which Waite justifiably criticizes throughout The very title of this book might be considered a riposte to Jennings The Rosicrucians are described as celibate which contradicts Jennings focus on the role of phallicism in the Rosicrucian mysteries THE traditions of the Neo Platonic philosophy with its elaborate theurgical system were to some extent perpetuated through the whole period of the Middle Ages for beside the orthodox theology of the great Latin Church and amidst the clamour of scholastic philosophy we find the secret theosophy of the magician the Kabbalist and the alchemical adept borrowing directly or indirectly from this prolific fountain of exalted mysticism The traces of its influence are discoverable in Augustine in Albertus Magnus in St Thomas the angel of the schools and in other shining lights of western Christendom while the metaphysical principles of Johannes Scotus Erigena even so early as the close of the ninth century were an actual revival of this philosophy

The Real History of the Rosicrucians Founded on Their Own Manifestoes, and on Facts and Documents Collected from the Writings of Initiated Brethren (Classic Reprint) Arthur Edward Waite, 2017-10-12 Excerpt from The Real History of the Rosicrucians Founded on Their Own Manifestoes and on Facts and Documents Collected From the Writings of Initiated Brethren The profound interest now manifested in all branches of mysticism the tendency in particular of many cultured minds towards those metaphysical conceptions which are at the base of the alchemical system the very general suspicion that other secrets than that of manufacturing gold are to be found in the Pandora s Box of Hermetic and Rosicrucian allegories 2 make it evident that the time has come to collect the mass of material which exists for the elucidation of this curious problem of European history and to depict the mysterious Brotherhood as they are revealed in their own manifestos and in the writings of those men who were directly or indirectly in connection with them Such a publication will take the subject out of the hands of unqualified writers and of the self constituted pontiffs of darkness and mystery who trade upon the ignorance and curiosity of their readers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The True and Invisible Rosicrucian Order Paul Foster Case, 2025-09-12 This is a thorough presentation of the Rosicrucian system of Initiation by Dr Paul Foster Case He explains that Rosicrucianism is based upon earthly organizations but on personal unflodment and clearly describes the distinctive marks of a Rosicrucian The treatise is divided into two main parts by Dr Case The first is a careful examination and interpretation of the principle Rosicrucian maneifestos the Fama Fraternitatis and the Confessio Fraternitatis The second part is an explanation of the Rosicrucian Grade system as applied to the diagram of the Tree of Life and Tarot attributions By participating in the outlined procedures aspirants are put on the right track of preparing themselves for union with the Higher Self which may or may not include group work with an outer order or fraternity The first editions of 1927 1928 and 1933 were of limited publication The fourth

and most complete expansion of the text by Paul Case was finished in 1937 revised by him in 1953 just before his death and published in by Weiser in 1985 It represents the full maturity of his thought on this subject **The Secret Doctrine of the Rosicrucians** William Walker Atkinson, Magus Incognito, 2014-01-14 The student of the history of occultism and the esoteric teachings and even the average reader of current books and magazines finds many references to The Rosicrucians a supposed ancient secret society devoted to the study of occult doctrines and the manifestation of occult powers But when such person seeks to obtain detailed information concerning this supposed ancient order he finds himself baffled and defeated Before acknowledging the futility of the quest however he usually investigates one or more so called orders having as a part of their title the word Rosicrucian only to find himself invited to join such order upon the payment of a fee or fees ranging from a small amount in some cases to quite large amounts in others each order claiming to be the only original order and asserting that all the others are base imitators This book will give you all the insights on this secret order Literature and the Encounter with God in Post-Reformation England Michael Martin, 2016-05-23 Each of the figures examined in this study John Dee John Donne Sir Kenelm Digby Henry and Thomas Vaughan and Jane Lead is concerned with the ways in which God can be approached or experienced Michael Martin analyzes the ways in which the encounter with God is figured among these early modern writers who inhabit the shared cultural space of poets and preachers mystics and scientists The three main themes that inform this study are Cura animarum the care of souls and the diminished role of spiritual direction in post Reformation religious life the rise of scientific rationality and the struggle against the disappearance of the Holy Arising from the methods and commitments of phenomenology the primary mode of inquiry of this study resides in contemplation not in a religious sense but in the realm of perception attendance and acceptance Martin portrays figures such as Dee Digby and Thomas Vaughan not as the eccentrics they are often depicted to have been but rather as participating in a religious mainstream that had been radically altered by the disappearance of any kind of mandatory or regular spiritual direction a problem which was further complicated and exacerbated by the rise of science Thus this study contributes to a reconfiguration of our notion of what religious orthodoxy really meant during the period and calls into question our own assumptions about what is or was orthodox and heterodox **Rosicrucian Manual** Abet, 1996-09 1920 for the instruction of Postulants in the Congregation of the outer neophytes and fraters of duly instituted colleges of the Societas Rosicruciana in America Content Who may become members Ancient Landmarks Constitution of the S R I A By L **New and Authentic History of the Rosicrucians** Frans Wittemans, 1996 **A Concise History of Freemasonry** Robert Freke Gould, 1903
