Real Life In London Various Authors, THEY order these things better in London replied the Hon Tom Dashall to an old weather beaten sportsman who would fain have made a convert of our London Sprig of Fashion to the sports and delights of rural life The party were regaling themselves after the dangers and fatigues of a very hard day s fox chase and while the sparkling glass circulated each anxious to impress on the minds of the company the value of the exploits and amusements in which he felt most delight became more animated and boisterous in his oratory forgetting that excellent regulation which forms an article in some of the rules and orders of our Free and Easies in London that no more than three gentlemen shall be allowed to speak at the same time The whole party consisting of fourteen like a pack in full cry had with the kind assistance of the rosy god become at the same moment most animated not to say vociferous orators The young squire Bob Tally ho as he was called of Belville Hall who had recently come into possession of this fine and extensive domain was far from feeling indifferent to the pleasures of a sporting life and in the chase had even acquired the reputation of being a keen sportsman but the regular intercourse which took place between him and his cousin the Hon Tom Dashall of Bond Street notoriety had in some measure led to an indecision of character and often when perusing the lively and fascinating descriptions which the latter drew of the passing scenes in the gay metropolis Bob would break out into an involuntary exclamation of Curse me but after all this only is *Real Life* while for the moment horses dogs and gun with the whole paraphernalia of sporting were annihilated Indeed to do justice to his elegant and highly finished friend these pictures were the production of a master hand and might have made a dangerous impression on minds more stoical and determined than that of Bob s The opera theatres fashionable pursuits characters objects and if lively description blended with irresistible humour and sarcastic wit possessed any power of seduction these certainly belonged to Bob s honourable friend and relative as an epistolary correspondent The following Stanzas were often recited by him with great feeling and animation It was not however the mere representations of Bob s friend with which in consequence of the important result we commenced our chapter that produced the powerful effect of fixing the wavering mind of Bob No it was the air the manner the je ne sais quoi by which these representations were

accompanied the curled lip of contempt and the eye measuring as he spoke from top to toe his companions with the cool elegant sang froid and self possession displayed in his own person and manner which became a fiat with Bob and which effected the object so long courted by his cousin After the manner of Yorick though by the bye no sentimentalist Bob thus reasoned with himself If an acquaintance with London is to give a man these airs of superiority this ascendancy elegance of manners and command of enjoyments why London for me and if pleasure is the game in view there will I instantly pursue the sport The song and toast in unison with the sparkling glass followed each other in rapid succession During which our elegant London visitor favoured the company with the following effusion sung in a style equal to though unaccompanied with the affected airs and self importance of a first rate professor

Sentencing Youth to Life in Prison Kathi Milliken-Boyd,James Windell,2022-04-07 This book analyzes the impact of the U S Supreme Court rulings deeming juvenile life without parole LWOP sentences to be cruel and unusual punishment These Court decisions brought about controversy and resistance in the criminal justice field while at the same time providing

hope for those 2 300 people who never thought they had a chance to experience life as an adult outside prison By looking in depth at the lives of some of the individuals serving life terms and understanding both the prosecutors who oppose review and resentencing of juvenile lifers and those who are sincerely following the Supreme Court s guidelines this book provides a comprehensive understanding of the issues as well as the people involved in the sentencing and potential resentencing of juveniles to life without the possibility of parole The authors provide unique perceptive and straightforward profiles on some of the prisoners who were ultimately sentenced to LWOP after being involved in criminal offenses committed before their 18th birthdays The book poignantly features the experiences of young people who did not commit a murder yet were still sentenced to life terms but also delves into the perspectives of the families of victims of juvenile offenders prosecutors on both sides of the issue psychologists who have interviewed many of the juvenile lifers and advocates for change in the way juveniles are treated by the criminal justice system The decisions in *Miller v Alabama* and *Montgomery v Louisiana* clearly demonstrated that the Court s view of juveniles evolved over decades to reflect advances in our understanding of the unique characteristics of youth and their involvement in juvenile crimes This book takes the position that the sentence of life without the possibility of parole for youth is wasteful of both human lives and scarce public resources The authors write about the human concerns on both sides of the question and ultimately allow readers to make their own decisions about how society should best handle juvenile offenders This engaging ethnographic treatment will appeal to students and scholars of criminology corrections juvenile justice and delinquency practitioners working in social policy and all those interested in a criminal justice system capable of positive outcomes for involved youth
