Real Lives Half Lives:

Literary Half-Lives R. Rubenstein, 2014-05-14 While Doris Lessing was composing *The Golden Notebook* she was intimately involved with Clancy Sigal and their relationship influenced the literary methods of both writers Focusing on literary transformations Rubenstein offers compelling insights into the ethical implications of disguised autobiography and roman clef half-life / die already Mark Steele, 2013-03-25 Life is certainly circular In time we face the same struggles reenter the same habitual cycles and encounter the same types of frustrating people In time we always end up facing what we tried our darndest to evade In fact we spend so much time trying to avoid the inevitable that we rarely take time to learn grow and embrace the rough stuff *Half Life Die Already* suggests that the route to real living is dying to self With non stop humor and out there insights Mark chronicles his journey in progress with often hilarious results Readers of all ages will enjoy his wit and wisdom and be inspired to just die already *How the Other Half Lives Studies Among the Tenements of New York* Jacob A. Riis, 2022-05-10 *How the Other Half Lives* Studies among the Tenements of New York explained the living conditions in New York slums as well as the sweatshops in some tenements which paid workers only a few cents per day The book explains the plight of working children they would work in factories and at other jobs **The Half-Life** Jonathan Raymond, 2005-05-01 The discovery of two skeletons during the filming of a movie in the Pacific Northwest intertwines the lives of two pairs of friends separated by generations Cookie Figowitz the cook for a party of fur trappers in the 1820s and fugitive Henry Brown and teenager Tina Plank unhappily living in a 1980s commune and her friend Trixie Volterra a young girl with a troubled past A first novel Reprint 30 000 first printing **The Half-Life of Happiness** John Casey, 2015-08-19 From the winner of the 1989 National Book Award for *Spartina* a major new novel wise sad and richly comic about the meltdown of a marriage against the backdrop of a gloriously awful congressional campaign Charlottesville Virginia 1978 Mike is a successful forty something lawyer a onetime congressional staffer who s had it with Washington Joss his wife is a filmmaker They re Virginia liberals with a clan of close knit friends a bright edgy flirty games playing group spinning like a Catherine wheel around Mike and Joss But the sparks that fly between the two are getting hotter and more dangerous as Joss restlessness turns to impatience and then anger When one of the group introduces them all to the woman he wants to marry things suddenly explode this new arrival and Joss fall passionately in love and their whole world careens out of control What ensues is tragicomedy as Mike tries to allay his rage and misery by letting himself get sucked into a trial run for a seat in Congress He wants to be a hero to someone instead he becomes the unwitting star of a political farce Meantime Joss is struggling with her new life and their two young daughters who form a lovingly unmerciful Greek chorus commenting on the action have to navigate a turmoil in which one parent is a public joke and the other a private scandal Rarely has the undoing of love been chronicled with such large hearted humanity *Half-Life Series* , **How the Other Half Lives** Jacob Riis, 2024-07-31T17:37:28Z The Danish American journalist Jacob Riis visited the slums of New York City to highlight the

squalor in which the other half lived He used flash photography a new innovation tables of statistics and personal stories to vividly depict the city s various neighborhoods and ethnic groups But the book isn t merely a factual documentary it s also a moralistic appraisal of greedy landlords the abundance of cheap beer dives and saloons the low character of the tenants and the very low wages on which the poor tried to subsist He described some reforms already implemented as well as those still needed How the Other Half Lives was written at a time when many people were crowding into New York City It was first published as an article in Scribner s Magazine in 1889 along with many illustrations that were based directly on Riis s photography It was expanded into a full book in the next year with the inclusion of more illustrations and some of Riis s original photographs The middle and upper classes were shocked by what the book described about which they knew very little Christian organizations in New York and beyond had similar reactions The book was widely praised and led to the enactment of many reforms in the following years aimed at improving the conditions of the tenements and the working poor This book is part of the Standard Ebooks project which produces free public domain ebooks *Half Life* Lillian

Clark,2020-06-09 An overachiever enrolls in an experimental clone study to prove that two of her own heads are better than one in this fast paced near future adventure that s Black Mirror meets Becky Albertalli There aren t enough hours in the day for Lucille perfectionist overachiever to do everything she has to do and there certainly aren t enough hours to hang out with friends fall in love get in trouble all the teenage things she knows she should want to be doing instead of preparing for a flawless future So when she sees an ad for Life2 Do more Be more she s intrigued The company is looking for beta testers to enroll in an experimental clone program and in the aftermath of a series of disappointments Lucille is feeling reckless enough to jump in At first it s perfect her clone Lucy is exactly what she needed to make her life manageable and have time for a social life But it doesn t take long for Lucy to become more Lucy and less Lucille and Lucille is forced to stop looking at Lucy as a reflection and start seeing her as a window a glimpse at someone else living her own life but better Lucy does what she really wants to not what she thinks she should want to and Lucille is left wondering how much she was even a part of the perfect life she d constructed for herself Lucille wanted Lucy to help her relationships with everyone else but how can she do that without first rectifying her relationship with herself Like a PG 13 mash up of Booksmart and Black Mirror Clark s sophomore novel delivers both twisty sci fi suspense and a highly relatable account of the search for self determination and self worth Booklist Clark makes this territory fresh and teens questioning their own self worth will be drawn to this novel A novel that is near future enough to appeal to sci fi fans as well as general audiences who like to ask What if SLJ **The**

Half-Life of Deindustrialization Sherry Lee Linkon,2018-03-23 Examines how contemporary American working class literature reveals the long term effects of deindustrialization on individuals and communities **Half/Life** Laurel

Snyder,2006-03-23 Written by authors born into the so called dilemma of intermarriage the stories in Half Life explore the experience of being raised in a half Jewish home Though each essay is distinct and the experiences are vastly different each

describes growing up without a streamlined identity unsure of community or religious direction From Jenny Traig whose experiences led her to extreme devotion in the form of religious obsessive compulsion scrupulosity to Thisbe Nissen who finally felt Jewish after discovering a rosary in her boyfriend s sock drawer these authors examine the complicated relationships they felt with the Jewish community and the world at large By turns tragic and funny religious and heartbreaking angry and surprisingly familiar *Half Life* represents the altogether diverse memories and reflections of a handful of men and women who have spent a lifetime grappling with how to define themselves or not Resulting from that struggle is a complex exploration and some truly brilliant prose

Half Life Roopa Farooki,2010-04-22 On the morning that changes everything Aruna Ahmed Jones walks out of her ground floor Victorian apartment in London wearing only jeans and a t shirt carrying nothing more substantial than a handbag and keeps on walking Leaving behind the handsome Dr Patrick Jones her husband of less than a year Aruna heads to Heathrow where she boards a plane bound for Singapore and her old life Educated and beautiful Aruna has a desperate need to risk it all But why Waiting for her is a messy past and a perfect past lover she had once abandoned without even saying goodbye a story left unfinished until now Aruna is not running away from home she is running back to the home she always had before it became impossible for her to stay Before her father the only family she d ever known passed away Before she tried and failed to create a life and a family with her best friend and lover Jazz Before her doctor delivered a complicated psychological diagnosis she d rather forget After years of fleeing the ghosts that continue to haunt her Aruna is about to discover that running away is really the easy part it is coming home making peace with her past with Jazz and those they have loved that is hard Spanning the world from London to Singapore to India and back again *Half Life* is a richly layered tale of love and conflict friendship and sacrifice the luminous story of a young woman who risks everything in order to find where she truly belongs
