Research Companion to Anthropology Andrew J. Strathern,2016-03-03 This companion provides an indispensable overview of contemporary and classical issues in social and cultural anthropology Although anthropology has expanded greatly over time in terms of the diversity of topics in which its practitioners engage many of the broad themes and topics at the heart of anthropological thought remain perennially vital such as understanding order and change diversity and continuity and conflict and co operation in the reproduction of social life Bringing together leading scholars in the field the contributors to this volume provide us with thoughtful and fruitful ways of thinking about a number of contemporary and long standing arenas of work where both established and more recent researchers are engaged The companion begins by exploring classic topics such as Religion Rituals Language and Culture Violence and Gender This is followed by a focus on current developments within the discipline including Human Rights Globalization and Diasporas and Cosmopolitanism It provides an interesting and challenging look at the state of current thinking in anthropology serving as a rich resource for scholars and students alike *Ritual and Rhythm in Electoral Systems* Graeme Orr,2016-03-09 Why do we vote in schools

What is the social meaning of secret balloting What is lost if we vote by mail or computers rather than on election day What is the history and role of drinking and wagering in elections How does the electoral cycle generate the theatre of election night and inaugurations Elections are key public events in a secular society the only real coming together of the social whole Their rituals and rhythms run deep Yet their conduct is invariably examined in instrumental ways as if they were merely competitive games or liberal apparatus Focusing on the political cultures and laws of the UK the US and Australia this book offers an historicised and generalised account of the intersection of electoral systems and the concepts of ritual rhythm and the everyday which form the basis of how we experience elections As a novel contribution to the theory of the law of elections this book will be of interest to researchers students administrators and policy makers in both politics and law

Performance and Identity in Popular Culture's Re/presentations of Tinku Ritual by Andean People Rodolfo Meyer,2008

Popular Culture Values and the Arts Ray B. Browne, Lawrence A. Kreiser, Jr.,2014-01-10 In countries around the world the rise of class divisions and unbridled capitalism are changing the conventional definitions of art and esthetics Historically the philanthropy of the elite has played a leading role in supporting funding and distributing artistic works While such measures may be pure in intent many worry that private funding may be gentrifying the arts and creating a situation in which art will only be valued for its prestige or worse its price tag This collection of essays examines the current movement

to democratize the arts and make the world of artistic endeavor open and accessible to all Instructors considering this book for use in a course may request an examination copy here
