Rivals America And Russia Since World War II:

The Rivals: America and Russia Since World War II Adam B. Ulam,1971 **The rivals** Adam Bruno Ulam,1971

Rivals A. Ulam, *The Rivals* Adam Bruno Ulam,1974 *"The" Rivals* Adam Bruno Ulam,1973 International Politics Since World War II Charles L. Robertson,1997-03-24 The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America s postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way Motherland David R. Marples,2014-10-13 Motherland tells the dramatic story of the rise and fall of the Soviet Union From Lenin s virtual coup in November 1917 to Boris Yeltsin s ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda especially those associated with the Great Patriotic War **History of the Office of the Secretary of Defense** Doris M. Condit,1984 Condemned to Repeat it Sheldon R. Anderson,2008-01-01 Condemned to Repeat It examines the historical myths that underwrote U S containment policy during the Cold War Anderson argues that the historical record does not support the applicability of lessons learned from nineteenth century great power diplomacy peacemaking at the end of World War One the Munich Agreement and the Yalta Conference History of the Office of the Secretary of Defense ,1984 *Tightrope: Finland and Hungary in the Cold War* Dennis Werling,2023-10-13 Finland and Hungary both fought on the losing side in WWII Yet the former was able to resist the overwhelming power of its Soviet neighbour while Hungary whose status was uncertain until 1947 was not Could the revolt of 1956 have been a turning point How did the Helsinki Accords contribute to the end of the Cold War **Crucible of Power** Howard Jones,2009 Employing a narrative approach that uncovers the tangled and often confusing nature of foreign affairs Crucible of Power focuses on the personalities security interests and post war Cold War tendencies behind the formulation and implementation of U S foreign policy since 1945 The book includes updated coverage of the Bush administration s foreign policy with particular emphasis on the Middle East Selections from key foreign policy documents appear in each chapter **Cold War in the Balkans** Michael M. Boll,2021-10-21 As World War II drew to a close the United States and the Soviet Union began to maneuver for position in postwar Europe in the first exploratory moves of what would soon become a worldwide contest for power and prestige In Bulgaria Michael Boll finds a unique vantage point for

study of the processes of international politics during these years of the emergence of the Cold War Bulgaria he writes was to assume a significance for both the United States and the Soviet Union greater than that small nation's intrinsic importance to either Great Power Bulgaria had joined the Axis under pressure during the war though it alone among the Axis satellites had refused to declare war on the Soviet Union Willing in 1943 to lend support to an American plan devised to bring about Bulgaria's surrender and its participation in the war against Germany the Soviet by the fall of 1944 was to invade Bulgaria and form an alliance with the Bulgarian Communists who offered dependable support in the Red Army's continuing war effort When military objectives were replaced by the Soviet's political drive for consolidation of its newly won empire the Bulgarian Communists remained indispensable allies and continued the determined campaign that culminated in 1947 in declaration of the People's Republic of Bulgaria Boll refutes the frequent charge of American nonpolicy toward Eastern Europe in this period concluding that the loss of Bulgaria was the result not of the lack of determined policy but of a realistic assessment of American capabilities and strategic priorities Cold War in the Balkans drawing on important new Eastern European sources and newly declassified British and American archives relates international diplomatic history to local political developments in a way that gives new depth to the study of Cold War origins The Proud Decades John P. Diggins, 1988 What happens when public figures private selves are put forth for examination by public audiences How do the personal struggles of music artists specifically those with immigrant backgrounds compare to the private struggles of other individuals At a time when many countries in the European Union experience an increase in far right political party activities how do individuals from the margins negotiate new ways of thinking about identity offering hope for greater understanding of shared struggles across societies This book offers interpretations of identity and belonging by examining the work of two music artists Faudel Belloua from France and Adam Tensta from Sweden By analyzing texts produced by these individuals I argue that ongoing engagement with the materials produced by Belloua and Tensta a process which I refer to as living biography presents a unique window into the process of how Belloua and Tensta connect personal struggles to public issues providing a compelling departure point for further discussions on how interpretations of national identity are changing in France and Sweden and beyond

Historical Dictionary of the Cold War Joseph Smith, Simon Davis, 2000-03-29 Joseph Smith and Simon Davis have captured the essence and madness of the balance of terror of the Cold War in the Historical Dictionary of the Cold War Covering an extensive period and much of the globe this dictionary presents a year by year chronology and alphabetical entries on civilian and military leaders crucial countries and peripheral conflicts the increasingly lethal weapons systems and the various political and military strategies While both authors are specialists in American foreign policy and diplomacy Smith has a particular interest in United States relations with Latin America and Davis in Anglo American relations This broader focus is helpful since it enables the authors to have a broader view of the Cold War and having studied and lived in Great Britain they view events from a more neutral perspective This and a conscious effort to

maintain a scholarly balance enhances the objectivity of this volume Smith and Davis have produced an easy to use reference tool for both the history scholar and student **Vietnam Trauma in American Foreign Policy** Alan R. Beals, 2019-06-18 This study of ten fateful decisions made on Indochina between 1961-75 highlights the ascent of the civilian militarists and of strategy over diplomacy in United States policymaking and reveals the inexorably interlinked and escalating character of the decisions and the central purpose of American presidents not to have to face the expected domestic political consequences of defeat in Indochina As a result we were led into a prolonged stalemate in which acting and the management of programs became a more important preoccupation than thinking about our purposes and values in which analysis become wholly subjective and therefore defective and in which decision making occurred in a closed system which did not allow for divergent inputs **Safeguarding Democratic Capitalism** Melvyn P. Leffler, 2017-08-02 Safeguarding Democratic Capitalism gathers together decades of writing by Melvyn Leffler one of the most respected historians of American foreign policy to address important questions about U S national security policy from the end of World War I to the global war on terror Why did the United States withdraw strategically from Europe after World War I and not after World War II How did World War II reshape Americans understanding of their vital interests What caused the United States to achieve victory in the long Cold War To what extent did 9/11 transform U S national security policy Is budgetary austerity a fundamental threat to U S national interests Leffler's wide ranging essays explain how foreign policy evolved into national security policy He stresses the competing priorities that forced policymakers to make agonizing trade offs and illuminates the travails of the policymaking process itself While assessing the course of U S national security policy he also interrogates the evolution of his own scholarship Over time slowly and almost unconsciously Leffler's work has married elements of revisionism with realism to form a unique synthesis that uses threat perception as a lens to understand how and why policymakers reconcile the pressures emanating from external dangers and internal priorities An account of the development of U S national security policy by one of its most influential thinkers Safeguarding Democratic Capitalism includes a substantial new introduction from the author **George F. Kennan and the Making of American Foreign Policy, 1947-1950** Wilson D. Miscamble, C.S.C., 2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department's structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan's subsequent influence over foreign policymaking during the crucial years from 1947 to 1950 *The Rebirth of the West* Peter Duignan, Lewis H. Gann, 1996 The years following World War II witnessed perhaps the greatest success story in Western history the economic and political recovery of European democracies that had been devastated by the cataclysmic war Peter Duignan and L H Gann convincingly demonstrate that the deep involvement of the United States was a key factor in this success The Rebirth of the West is a

broad narrative analysis of every important aspect of Western society during this formative period political economic social cultural and scientific In addition to providing an interpretive synthesis of the vast literature on the subject the authors make an important and original contribution to both the historical record of this period and current debates over the future of Europe

The History of American Foreign Policy from 1895 Jerald A. Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Rivals America And Russia Since World War Ii Introduction

In today's digital age, the availability of Rivals America And Russia Since World War Ii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rivals America And Russia Since World War Ii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rivals America And Russia Since World War Ii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rivals America And Russia Since World War Ii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rivals America And Russia Since World War Ii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rivals America And Russia Since World War Ii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rivals America And Russia Since World War Ii books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rivals America And Russia Since World War Ii books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rivals America And Russia Since World War Ii books and manuals for download and embark on your journey of knowledge?

FAQs About Rivals America And Russia Since World War Ii Books

1. Where can I buy Rivals America And Russia Since World War Ii books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
