River Of Our Return:

Return to Oak River Falls Rex Roderick, 2006-08 Everyone was getting ready for the barbeque Lon was standing near the fire that Warren had built looking into the flames with his thoughts I m so terribly sorry Lonnie He turned around to see the beautiful Laura sobbing and holding her arms out to him I didn t think I would ever see you again They told me they thought you were dead He took her in his arms and held her just as before He could feel her body jerk with the sobs They stood there for a long time that way Finally they separated and she tried to smile It wasn t your fault Laura No need to apologize we got caught in something that was totally beyond our control And he held her again **Colorado River Water Rights. the creatures clan It s hard to believe however and Jim insists on further exploration Is James really teaching the creatures how to be like humans Using words and building fire Is he really safe or is it just a terrible ploy The Saluda River Sighting is a suspenseful fantastical story that poses questions about humanity and shows what a father will do to get back his son
