River Of Stone:

There Once Was a River Stone Kamon,2014-07-25 A river stone is dislodged from its riverbed packed in a bag and was to finish her journey with millions of other stones on a sidewalk when something happens Our stone becomes a superhero when she magically grows legs and feet She groups with other stones who share the same values and together they will create something wonderful a step toward mindfulness

River Stone Sara Sugar,2014-06-25 River Stone genre is magic realism His archetype is a reluctant hero His main objective is to become immortalised by successfully creating a new genre of art Impeding him is a supernatural gift hes been given which he defies to take away lives by a force of arcane energy when he lays his hands on recipients He doesnt want to be known as the angel of death When seeing the Eagle Man River is given another spiritual gift eternal life It is about psychology verses the metaphysical world and fundamentalism verses atheism He is an environmental activist with the L L E an international secret society foundation This organisation assigns him to join the Army Services as a reprographic soldier to be an undercover agent to gather secret satellite information for their cause At first he opposes the assignment however his love for the philosophy Hintism and its mentor Lord Va who fatalistically manipulates Rivers existence until he owns nothing This is a similar scenario to Dulouz how River sees himself testing the boundaries of nonconformity within societys dictating constraints and freedom from materialistic constructs Through the mere exhaustion caused by his disconnection to the framework of social structure and failing his desire to find the antidote for his inspirational death inflicted by drudgery the eternal collective mundane conscious and subconscious of human existence And dealing with a curse jinx hex and damnation suffering schizophrenia un institutionalised when experiencing paranormal episodes and extreme poverty He is finally coerced ethically socially and financially in joining the Army The Army doesnt hinder his artistic drive or inspiration The denouement is devastating in respect to his obsession with art though his true destiny is revealed The themes are ideological spiritual beliefs Secret societies vigilantism Art philosophies and the paranormal
