Chikamatsu Monzaemon Chikamatsu, 2001 Chikamatsu Monzaemon 1653 1725 often referred to as Japan's Shakespeare and a god of writers was arguably the most famous playwright in Japanese history and wrote more than 100 plays for the kabuki and bunraku theaters Today the plays of this major literary figure are performed on kabuki and bunraku stages as well as in the modern theater and forty nine films of his plays have been made thirty one of them from the silent era Translations of Chikamatsu's plays are available but we have few examples of his late work in which he increasingly incorporated stylistic elements of his shorter contemporary dramas into his longer period pieces Translator C Andrew Gerstle argues that in these mature history plays Chikamatsu depicted the tension between the private and public spheres of society by combining the rich character development of his contemporary pieces with the larger political themes of his period pieces In this volume Gerstle translates five plays four histories and one contemporary piece never before available in English that complement other collections of Chikamatsu's work revealing new dimensions to the work of this great Japanese playwright and artist

Spirit Tree E. Leslie Williams, 2007 Despite what some scholarship has suggested Shinto does exhibit a unifying cognitive integrity Spirit Tree offers a unique social psychological interpretation of Shinto ritual at the Hakozaiki Hachiman Shrine in Fukuoka Japan and situates the cosmological organization of this practice within the larger context of ritual in East Asia Employing a comparative approach this study blends two theoretical orientations cultural anthropology and Jungian psychology Hakozaiki's rituals are a combination of a Yayoi period

female medium tradition with a complex set of Chinese Yin Yang Five Phase principles Both systems are based on the feminine archetype a fundamental conceptual foundation of Shint ritual practice which cognitively links woman and the earth While the female shaman tradition is female affirming in outlook the later Chinese system is much less so This monograph is a new acknowledgement of the conceptual continuity of Shint ritual as an outgrowth of social cognition **Fiction,**

Ascension to the Top of Spiritual Mountains Bill Vincent,2023-05-30 The Enemy s plan is being shattered no matter what Awe inspiring and majestic is the sight of the All Powerful God atop the sky and the earth Since the birth of our child we have been given a son he is given the authority to rule over us and his name will be Wonderful Counsellor the mighty God he is the everlasting Father and he is the Prince of Peace With a military strategy Satan and the fallen angels attempted to overthrow the Father from Heaven s throne Let s not treat His words as if they were satire All of us must unite and follow the Lord s instructions and we must avoid the devil and his schemes One of the most devastating deceptions used by the enemy is to make people believe he doesn t exist The devil like a roaring lion walks the earth looking for prey therefore be on your guard We are deceived into thinking that the person we are dealing with is solely responsible for the situation but there is a lot

greater influence on that person than we realize
