River Why 1st Edition:

Rivers of North America Michael D. DeLong, Timothy D. Jardine, Arthur C. Benke, Colbert E. Cushing, 2023-04-20 Rivers of North America Second Edition features new updates on rivers included in the first edition as well as brand new information on additional rivers This new edition expands the knowledge base providing readers with a broader comparative approach to understand both the common and distinct attributes of river networks The first edition addressed the three primary disciplines of river science hydrology geomorphology and ecology This new edition expands upon the interactive nature of these disciplines showing how they define the organization of a riverine landscape and its processes An essential resource for river scientists working in ecology hydrology and geomorphology Provides a single source of information on North America's major rivers Features authoritative information on more than 200 rivers from regional specialists Includes full color photographs and topographical maps to illustrate the beauty major features and uniqueness of each river system Offers one page summaries help readers quickly find key statistics and make comparisons among rivers

Netherlandic Mennonite History and Genealogy 1st Edition Barry Teichroeb, 2025-05-29 The cultural group associated with the Russian Mennonites was born during the tumultuous period of the Anabaptist Movement in the early 16th century stemming from the Protestant Reformation in the Lowland countries of western Europe Viewed on a 21st century map this region encompasses parts of northern France Belgium the Netherlands and parts of the Rhine River basin in western Germany Foundational political and religious principles evolved as this Mennonite group established its identity freedom of religion separation of Church and State exemption from military service adult baptism and disintermediation of the Clergy The Anabaptist movement posed a serious threat to the Church of Rome and the Holy Roman Empire Fervent violent attempts were made to stamp out the movement driving congregants underground or sweeping them northward as the Inquisition sought out captured and murdered Anabaptist heretics The Mennonites fled through the northern territories of the Netherlands and into safer regions such as the Polish Lithuanian Commonwealth and the city of Danzig where some religious toleration existed Danzig became a hub of Mennonite settlement and other centers emerged particularly in the Polish Lithuanian Commonwealth as the community expanded Until the late 18th century these Mennonites were able to live according to their principles and succeed In the latter half of the 18th century European political tensions and conflicts led to the partitioning and eventual dissolution of the Polish Lithuanian Commonwealth and some the most important privileges enjoyed by the Mennonites were lost among them the unfettered right to acquire land and exemption from military service In the last years of the 18th century Russia under Catherine the Great began a program to encourage settlement by foreigners in her vast western regions The Mennonite community regarded this as a salvation and carved out a new life on the steppes along the Dneiper River beginning in the last decade of the 18th century For nearly a century these Mennonites lived in Russia able to abide by their principles However political encroachment on their systems of education and governance and threats to their

deeply held principles caused a new migration this time to North America Many Russian Mennonites came to Canada They arrived in three waves in the 1870s 1890s and finally following the upheaval of World War I the Russian Revolution and the Ukrainian War of Independence the 1920s *Irish in Ontario, 1st Edition* Donald Harman Akenson,1984-08-01 Hailed as one of the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson s research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America **Higher surveying. 1st ed. 1st thousand** Charles Blaney Breed,George Leonard Hosmer,1908 *The Civil War: Red River to Appomattox. 1st ed. 1974* Shelby Foote,1958 A narrative history of the battles characters and situations during the last years of the Civil War **Catalogue of the Public Documents of the ... Congress and of All Departments of the Government of the United States for the Period from ... to ... ,1915** Catalogue of the Public Documents of the ... Congress and of All Departments of the Government of the United States United States. Superintendent of Documents,1912 **Sophocles: The Trachiniae (1st ed. 1908)** Sophocles,1908 Notices of Mariners. ... U.S.A. Navy Department. Bureau of Equipment. Hydrographic Office,1912 *The Neverending Hunt* Paul Herman,2008-09-08 Prepared by renowned Howard scholar Paul Herman with the assistance of Glenn Lord this is the first new bibliography of Robert E Howard since 1976 This massive volume contains more than twice as much information as the preceding biblio The Last Celt Robert E Howard is considered the Godfather of Sword and Sorcery and the creator of the international icon Conan the Cimmerian yet wrote successfully in numerous genres The Neverending Hunt lists every story poem letter and publication in which a Howard work has appeared It s more than you might think
