River of Time Melissa Hamm, 2010-06 This is a story about a young woman who is a game warden in the rural hills of western Massachusetts where generations of her family have lived before her She finds herself through a freak accident transported back in time a hundred years to the same area She is found injured by the local doctor with whom a friendship quickly develops She realizes that it will be impossible for her to continue in the profession of wildlife law enforcement and must now learn to live in a different time where there are different rules pertaining to women As she struggles to adjust to a life where all that she loved and knew has been lost to her she is fascinated by the people around her and the lives that they are living She wrestles with the difficult choice of whether or not to reveal what she knows about future events particularly after meeting her own great grandparents As the days go by she develops friendships and starts to put down her own roots learning to accept what has been lost to her and embracing her new life until the day comes when she is faced with the choice of staying or leaving forever

River of Time Sharon Ricklin , 2013-10-26 If you could go back in time and change things would you Author David Russell once said The hardest thing in life to learn is which bridge to cross and which to burn But my dilemma was learning from which bridge to jump No one with half a brain would ever believe that jumping off a bridge could in any way shape or form turn out to be a good idea And I certainly would never encourage anyone else to take a potentially fatal plunge into a deep and rushing river However I am thoroughly convinced that taking that leap myself might just turn out to be the best decision of my life Timing timing is everything The impact jolts me like an iron fist The water is arctic cold All of my muscles clench I am pulled down hard and fast and deep Trapped in the tentacles of the swift current the dark water becomes my mortal enemy Now fighting for my life I m sure I m going to drown Just before the darkness takes over I wonder Did it work
