River Rapture:

Together We Jump Ken McAlpine, 2013 A coming of age novel of a different sort this heartbreakingly tender story of love and hope shows us all that it is never too late for a second chance Pogue Whithouse an ordinary extraordinary man takes a road trip across America in his classic 67 Mustang Hoping to heal memories and reconcile a past filled with life altering love and loss Pogue encounters a colorful cast of characters along his way a spirited woman who rescues horses a pierced lipped romantic a rattlesnake wrangling recluse and most important a little girl who loves bullfrogs and baseball Pogue s inspirational journey across the country and through life reminds us that the human heart and spirit are forces as unpredictable as they are powerful Together We Jump is poetic testament to the power of belief and the possibility of redemption at any age A deft exploration of the complexity of love and memory that will stay with you long after you turn the final page McAlpine is an eloquent storyteller who has created a magnificent novel Amazon **Flyfisher's Guide to**

come of age and come into her own in this haunting elegiac portrait of an ever changing America during the tumult and uncertainty of World War II After the death of her mother Elise Braun is sent to live with a new family in the United States and to start a new life Her father only wants to save his daughter from the impending war in her native Germany and the horrors of the new Nazi regime But Elise can only feel a sense of abandonment and resentment toward the one man who is supposed to protect her An accomplished pianist music has become her only solace from the loneliness and loss that makes it so difficult for her to love or trust anyone Devastated by his wife s death Herman Braun knows that he s incapable of caring for the daughter he loves so deeply He also knows that Germany is becoming a treacherous country in the hands of a tyrant

one he must defy at any price even the price of sending his daughter away to a strange new land It s a choice that may cost him his family and his life Now with the war over Elise has grown into the beautiful and brave young woman her father always hoped she would be But underneath the polished fa ade she remains torn between her love for her adoptive home and the heartbreak caused by her homeland As she struggles to find her place in a harrowing new world she must also learn to acknowledge her love for her father the man who traded his happiness for her own River's End Nora Roberts,2011-09-06 With the help of a writer a young woman seeks to confront her childhood past and learn the truth about the infamous night when her mother was murdered **A Reenchanted World** James William Gibson,2009-04-14 A surprising and enlightening investigation of how modern society is making nature sacred once again For more than two centuries Western cultures as they became ever more industrialized increasingly regarded the natural world as little more than a collection of useful raw resources The folklore of powerful forest spirits and mountain demons was displaced by the practicalities of logging and strip mining the traditional rituals of hunting ceremonies gave way to the indiscriminate butchering of animals for meat markets In the famous lament of Max Weber our surroundings became disenchanted with nature s magic swept away by secularization and rationalization But now as acclaimed sociologist James William Gibson reveals in this insightful study the culture of enchantment is making an astonishing comeback From Greenpeace eco warriors to evangelical Christians preaching creation care and geneticists who speak of human animal kinship Gibson finds a remarkably broad yearning for a spiritual reconnection to nature As we grapple with increasingly dire environmental disasters he points to this cultural shift as the last utopian dream the final hope for protecting the world that all of us must live in **Carol Ann Duffy** Jane Dowson,2016-05-17 This is the only monograph to consider the entire thirty year career publications and influence of Britain s first female poet laureate It outlines her impact on trends in contemporary poetry and establishes what we mean by Duffyesque concerns and techniques Discussions of her writing and activities prove how she has championed the relevance of poetry to all areas of contemporary culture and to the life of every human being Individual chapters discuss the lyrics of love loss and longing the socially motivated poems about the 1980s the female centred volumes and poems the relationship between poetry and public life and poetry and childhood and written for children The book should whet the appetite of readers who know little of Duffy s work to find out more while providing students and scholars with an in depth analysis of the poems in their contexts It draws on a wide range of critical works and includes an extensive list of further reading
