List of lights and fog-signals of the United States on the Northern lakes and rivers, and also of the lights and fog-signals of the Dominion of Canada on those waters, 1895 Weird U.S. Mark Moran, Mark Sceurman, 2004. Travel guide of sorts to an array of local legends, folklore and secrets in the United States. Includes characters, roads, abandoned sites and roadside attractions. *American Witches* Susan Fair, 2016-08-23. The history of American witches is way weirder than you ever imagined. From bewitched pigs hell-bent on revenge to gruesome twentieth-century murders, *American Witches* reveals strange incidents of witchcraft that have long been swept under the rug as bizarre sidenotes to history. On a tour through history that's both whimsical and startling, we'll encounter seventeenth-century children flying around inside their New England home like geese. We'll meet a father-son team of pious Puritans who embarked on a mission that involved undressing ladies and overseeing hangings. And on the eve of the Civil War, we'll accompany a reporter as he dons a dress and goes searching for witches in New York City's most dangerous neighborhoods. Entertainingly readable and rich in amazing details often left out of today's texts, *American Witches* casts a flickering torchlight into the dark corners of American history.
