Kingdom River Mitchell Smith,2025-09-23 Sam Monroe is the reluctant commander of a tough minded warrior people living in what was once northern Mexico His tiny country is flanked on the northeast by the Kingdom River a vast trade driven nation that replaced the southern United States and on the northwest by the Khanate an empire of nomads who swept down the west coast after crossing the ice from what was once Russia Sam s people cling to a precarious hard won freedom Toghrol Khan leader of the Khanate wants Kingdom s lucrative trade and lush farmlands To get them Sam Monroe knows the Khan s forces will march right over his people s small towns and precious homesteads His country s only hope is an alliance with Kingdom but the far larger Kingdom may simply swallow them up Unless Sam s proven ability in the field attracts the

attention of Queen Joan who rules Kingdom with a heart as cold as the Colorado ice where she was raised But if she gives Sam Monroe command of Kingdom s forces her loyal generals and admirals may feel a lot less loyal Unless Young bookish princess Rachel is the key A marriage between Sam and the princess unites both their nations and their fighting forces and gives the commanders a way to save face Has the alliance been made in time The Khan s armies are sweeping east in a rush threatening both sides of the vast Mississippi River Kingdom s large army and navy move excruciatingly slowly Sam s people are fleet but greatly outnumbered And there are other dangers Sam Monroe is just beginning to comprehend The technologically advanced people of New England who breed monsters in women s wombs and have learned to levitate are watching the growing conflict between the Khan and Kingdom and more important watching Sam as he learns not just to command but to rule At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
