Riverside Ruth Austen,1996 The ^AOxford Handbook of Public Heritage Theory and Practice Angela M. Labrador,Neil Asher Silberman,2018-07-11 The Oxford Handbook of Public Heritage Theory and Practice charts some of the major sites of convergence between the humanities and the social sciences where new disciplinary perspectives are being brought to bear on the field of cultural heritage These convergences have the potential to provide the interdisciplinary expertise needed not only to critique but also to achieve the intertwined intellectual political and socioeconomic goals of cultural heritage in the twenty first century **Heritage, Conservation and Communities** Gill Chitty,2016-12-01 Public participation and local community involvement have taken centre stage in heritage practice in recent decades In contrast with this established position in wider heritage work public engagement with conservation practice is less well developed The focus here is on conservation as the practical care of material cultural heritage with all its associated significance for local people How can we be more successful in building capacity for local ownership and leadership of heritage conservation projects as well as improving participative involvement in decisions and in practice This book presents current research and practice in community led conservation It illustrates that outcomes of locally led active participation show demonstrable social educational and personal benefits for participants Bringing together UK and international case studies the book combines analysis of theoretical and applied approaches exploring the lived experiences of conservation projects in and with different communities Responding to the need for deeper understanding of the outcomes of heritage conservation it examines the engagement of local people and communities beyond the expert and specialist domain Highlighting the advances in this important aspect of contemporary heritage practice this book is a key resource for practitioners in heritage studies conservation and heritage management It is also relevant for the practising professional student or university researcher in an emerging field that overarches professional and academic practice **California Real Estate Magazine** ,1951 **The Vikings Reimagined** Tom Birkett,Roderick Dale,2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline **Visions** ,1993 **The Rich Heritage of Quakerism** Walter R. Williams,2019-01-13 In this book which was first published in 1962 Walter R Williams presents a picture of the courage faith

devotion and sacrifice that have been displayed throughout the history of Quakerism Biographical sketches of Quaker leaders challenge the reader to Christian integrity and selfless service The principles of Quakerism and their influence on society are evident in this carefully researched history of the movement *Comprehensive Management Plan for the Southwestern Pennsylvania Heritage Preservation Commission* ,1992 The Imperial Church Katherine D. Moran,2020-05-15 Through a fascinating discussion of religion s role in the rhetoric of American civilizing empire The Imperial Church undertakes an exploration of how Catholic mission histories served as a useful reference for Americans narrating US settler colonialism on the North American continent and seeking to extend military political and cultural power around the world Katherine D Moran traces historical celebrations of Catholic missionary histories in the upper Midwest Southern California and the US colonial Philippines to demonstrate the improbable centrality of the Catholic missions to ostensibly Protestant imperial endeavors Moran shows that as the United States built its continental and global dominion and an empire of production and commerce in the Gilded Age and Progressive Era Protestant and Catholic Americans began to celebrate Catholic imperial pasts She demonstrates that American Protestants joined their Catholic compatriots in speaking with admiration about historical Catholic missionaries the Jesuit Jacques Marquette in the Midwest the Franciscan Jun pero Serra in Southern California and the Spanish friars in the Philippines Comparing them favorably to the Puritans Pilgrims and the American Revolutionary generation commemorators drew these missionaries into a cross confessional pantheon of US national and imperial founding fathers In the process they cast Catholic missionaries as gentle and effective agents of conquest uplift and economic growth arguing that they could serve as both origins and models for an American civilizing empire The Imperial Church connects Catholic history and the history of US empire by demonstrating that the religious dimensions of American imperial rhetoric have been as cross confessional as the imperial nation itself *Hispanic Journal of Behavioral Sciences* ,1999
