Unrepentant Peter Edwards, 2014-04-01 In this explicit first-hand account a biker who spent 46 years as a member of the Hells Angels and Satan's Choice invites bestselling author Peter Edwards into the story of life lived as we've only imagined it A kid raised by his father's fists on the wrong side of a blue-collar town Lorne Campbell grew up watching the local bikers ride past making him wonder what that kind of freedom and power would feel like He soon found out At the age of 17 he became the youngest ever member of the Satan's Choice Motorcycle Club and spent the next 5 decades living a life for which he does not ask forgiveness only that his story finally be told and that his family finally understand what drove him to live the way he did With moments of terror and humour great sadness and the simple pleasures of camaraderie and the open road *Unrepentant* is a book like none other

Born Under a Bad Sign Max Razo, 2009-09 Book Review A born-again's harrowing autobiography retraces his path from an emotionally impoverished childhood through a successful criminal career and finally to the redemption of the confessional Razo assures his reader that his story will be unembellished with no false modesty or undue embarrassment and after the first few pages it's clear he will keep his word Razo begins his meditation with his earliest memories of growing up working class in the dusty sunny atmosphere of post-war San Diego Despite the city's burgeoning diversity and sense of opportunity his veteran father's American Indian heritage runs the family into trouble and teaches Razo some early lessons on the harsh realities of American culture Though his family does help keep him in school for a while his mother and father are over-extended with Razo and his five sisters Though the emotions run hot between his mother and father usually it seems between rage and a begrudging commitment there is little feeling left over for the children Razo doesn't shirk from any topic and provides some unique insights into the awkward presexuality that develops between the members of such a large cloister of siblings especially

when there is only one male to go around It s a brave choice and makes good on Razo s promise of full disclosure Through the machinations of poverty prison drugs and kung fu Razo eventually impresses a major player with his martial arts and so finds himself one of Hell s Angels and on his way toward an illicit seven figure salary These years aren t overworked with analysis and even when some regret seeps in it seems a bit half hearted he was having fun after all The ragged emotions of such a life though familiar territory in fiction and nonfiction alike are still made interesting by their sheer detail and a narrative voice that isn t polished enough to hide the author s hell bent and engaging character Razo s life is colorful to be sure and he was even a successful off roading champion for a spell but the real interest is Razo s unlikely negotiations of the mortal pitfalls of the drug trade amid so many murdered and murderous friends Skeptical readers will conclude the author was saved more by a plea deal than by holy intervention but it s Razo s story and there is no doubting that he s told it as he lived it A harrowing willful account of a life led hard and fast Kirkus Discoveries *The Dead and the Beautiful* Cheryl Crane,2014-08-05 When Ryan Melton husband of television star Diara Elliot is found murdered realtor and amateur detective Nikki Harper sorts through a tangled web of lies to find the truth before she becomes the next target *Common Surgical Diseases* Theodore J. Sabol,2013-05-10 *Adoptee A Childhood of Torment* The true story of an adopted child abused beaten taunted and humiliated Released this week this book reveals a very different side of the Catholic Ursuline Order of Sisters and of one of the largest Catholic churches in the Cleveland Diocese St Charles Catholic Church during the 1960 s Unlike the priests of the Catholic Church the abuse of the Ursuline Sisters was not sexual but physical mental and verbal The author Joseph M Sabol spent the first years of his life in abusive foster homes and was eventually adopted through the Catholic Charities of Cleveland Ohio This book

delves into his search for and discovery of his biological parents His biological mother was a victim of statutory rape by a married 28 yr old man yet she refused to sign away her parental rights forcing them to put Joseph in foster care The constant taunting of some of the kids who lived on Dorothy Avenue in Parma Ohio eventually caused extremely violent reactions from Joseph His propensity for violence forced an evaluation at the Cleveland Clinic for mental illness His adoptive parents John and Tilly Sabol lovingly took Joseph in to their home and adopted him The struggles of raising a severely abused child proved out to be a challenging task which the Sabols refused to give up on Joseph s adoptive mother Tilly demanded accountability from the nuns who added to the already abused child to the point of a physical confrontation The values of a good Christian family and tough discipline eventually broke the cycle of violence Joseph went on to graduate from high school and then Penn State University with 2 degrees in Business as well as a Graduate Degree in Medicine from the Biosystems Institute for Respiratory Therapy in Phoenix Arizona He is Board Certified by the American Medical Society Joseph no longer practices Respiratory Therapy but enjoyed a hobby of breeding some of the best lines of Doberman Pinschers in the world During that time he wrote over 100 articles for E Zine Articles and attained Platimun Expert Author status on June 4th 2008 Joseph still lives in Parma with his wife and Doberman Pinscher

Art of Cycling Robert Hurst,2014-07-01 The bicyclist is under attack from all directions the streets are ragged the air is poison and the drivers are angry As if that weren t enough the American cyclist must carry the weight of history along on every ride After a brief heyday at the turn of the twentieth century American cyclists fell out of the social consciousness becoming an afterthought when our cities were planned and built Cyclists today are left to navigate through a hard and unsympathetic world that was not made for them Yet with the proper attitude and a bit of knowledge cyclists can thrive in this hostile environment Covering much more than just riding a bike in traffic author Robert Hurst paints in uncanny detail the challenges strategies and art of riding a bike on America s modern streets and roadways The Art of Cycling dismantles the bicycling experience and slides it under the microscope piece by piece Its primary concern is safety but this book goes well beyond the usual tips and how to diving in to the realms of history psychology sociology and economics
