## **Road Runs West A Century Along The Bella Coolachilcotin Road:**

The Road Runs West Diana French, 1994-01-01      The Cariboo Trail Agnes C. Laut, 2013-09-17 Agnes C Laut's *The Cariboo Trail* is a fascinating history of the Canadian gold rush that began in 1858. When in early 1849 a group of ragged miners arrived in the sleepy town of Victoria from California no one would have believed that a little over ten years later a gold rush would hit the Fraser River. Between 1859 and 1871 thousands of miners and prospectors travelled north and east from the headwaters of the Fraser River with the hopes of striking it rich. And many did. Over the course of twelve years twenty five million dollars in gold came from the Cariboo country. Originally published in 1920 as part of the *Chronicles of Canada* series Laut's exciting and personalized account of the Cariboo gold rush is filled with tidbits gleaned through conversations with old timers still living on the trail and facts acquired on trips in the Rockies guided by prospectors. From the story of the construction of the famous Cariboo road one of the wonders of the world and the Overlanders journey across the width of the continent to details about the techniques and machinery used in the mines and life in the camps the period the gold rush and the Cariboo region are brought to life for the reader. Though it had ended by federation with the Canadian Dominion the inrush of miners during the Cariboo gold rush gave birth to the colony of British Columbia. *The Cariboo Trail* is a more than just a narrative of those events it is a thoroughly enjoyable and integral part of the history of the region and of Canada.

**Heart of the Cariboo-Chilcotin** Diana Wilson, 2006 The spirited stories in *Heart of the Cariboo Chilcotin* capture the severity and grace of the distinct pioneer culture that resides in British Columbia's rugged Central Interior. It is an area with a provocative history plenty of colourful individuals and a wealth of literary talent. The writers in this volume come from different periods places and occupations each bringing a unique voice that adds to the diversity of the whole. A First Nations girl escapes her kidnappers Greenhorn settlers outgun dangerous criminals A young cowboy confronts the terrors and revels in the thrills of his first roundup. Occasionally shocking and always entertaining these people stories celebrate and preserve the Cariboo Chilcotin way of life.

The Archive of Place William Turkel, 2011-11-01 *The Archive of Place* weaves together a series of narratives about environmental history in a particular location British Columbia's Chilcotin Plateau. In the mid 1990s the Chilcotin was at the centre of three territorial conflicts. Opposing groups in their struggle to control the fate of the region and its resources invoked different understandings of its past and different types of evidence to justify their actions. These controversies serve as case studies as William Turkel examines how people interpret material traces to reconstruct past events the conditions under which such interpretation takes place and the role that this interpretation plays in historical consciousness and social memory. It is a wide ranging and original study that extends the span of conventional historical research.

*Makúk* John Sutton Lutz, 2009-01-01 John Lutz traces Aboriginal people's involvement in the new economy and their displacement from it from the arrival of the first Europeans to the 1970s. Drawing on an extensive array of oral histories manuscripts newspaper accounts biographies and statistical analysis Lutz shows that

Aboriginal people flocked to the workforce and prospered in the late nineteenth century He argues that the roots of today's widespread unemployment and welfare dependency date only from the 1950s when deliberate and inadvertent policy choices what Lutz terms the white problem drove Aboriginal people out of the capitalist wage and subsistence economies offering them welfare as compensation
