Road To Cooperstown A Father Two Sons And The Journey Of A Lifetime

Joseph L. Price

Road To Cooperstown A Father Two Sons And The Journey Of A Lifetime:

The Road to Cooperstown Tom Stanton,2003 **The Road to Cooperstown** Tom Stanton,2003-06-01 As he did with his award winning book *The Final Season* Tom Stanton again tells a magical tale of fathers brothers and baseball heroes certain to resonate with sports fans everywhere Every true baseball fan dreams of visiting Cooperstown Some make the trip as boys when the promise of a spot in the lineup with the Yankees or Red Sox or Tigers glows on the horizon as certain as the sunrise Some go later in life long after their Little League years to glimpse the past not the future And still others talk of someday and of pilgrimages that await For Tom Stanton the trip took nearly three decades The dream first grabbed hold of him in 1972 in the era of Vietnam and Watergate and Johnny Bench and the Oakland Athletics Stanton then an eleven year old Michigan boy who lived for the game became fascinated by the National Baseball Hall of Fame the sport s spiritual home the place to which great players aspire He plotted ways to convince his father to take him to the famous village along Lake Otsego But his plans for that season never materialized They disappeared in the turmoil caused by his mother s life threatening illness and his brother s antiwar activities Still the dream lingered through the summers that followed Twenty nine years later he invited the two men who had introduced him to the sport his elderly father and his older brother to join him on a trip to the Hall Finally they embarked on their long delayed adventure *The Road to Cooperstown* is a true story populated with colorful characters a philanthropic family that launched the museum and uses its wealth to among other things ensure that McDonald s stays out of the turn of the century downtown the devoted fan who wrote a book to get his hero into the Hall of Fame the Guyana native who grew up without baseball but comes to the induction ceremony every year the librarian on a mission to preserve his great grandfather s memory the baseball legends who appear suddenly along Main Street and the dying man who fulfills one of his last wishes on a warm day in spring This adventure though brief provides a true bonding experience that is the heart of a sweet one of a kind book about baseball family the Hall of Fame and the town with which it shares a rich heritage *501 Baseball Books Fans Must Read Before They Die* Ron Kaplan,2018-08-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they re missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be **The Readers' Advisory Guide to Nonfiction** Neal Wyatt,2007-05-14 Navigating what at she calls the extravagantly rich world of nonfiction renowned readers advisor RA Wyatt builds readers advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library s entire collection She focuses on eight popular categories history true crime

true adventure science memoir food cooking travel and sports Within each she explains the scope popularity style major authors and works and the subject's position in readers advisory interviews Wyatt addresses who is reading nonfiction and why while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next In easy to follow steps Wyatt Explains the hows and whys of offering fiction and nonfiction suggestions together Illustrates ways to get up to speed fast in nonfiction Shows how to lead readers to a variety of books using her read around and reading map strategies Provides tools to build nonfiction subject guides for the collection This hands on guide includes nonfiction bibliography key authors benchmark books with annotations and core collections It is destined to become the nonfiction bible for readers advisory and collection development helping librarians library workers and patrons select great reading from the entire library collection

Rounding the Bases Joseph L. Price, 2006 After identifying early conflicts between churches and baseball in the late nineteenth century Price examines the appropriation of baseball by the House of David an early twentieth century millennial Protestant community in southern Michigan Turning then from historic intersections between baseball and religion two chapters focus on the ways that baseball reflects religious myths First the omphalos myth about the origin and ordering of the world is reflected in the rituals and rules of the game Then the myth of curses is explored in the culture of superstition that underlies the game At the heart of the book is a sustained argument about how baseball functions as an American civil religion affirming and sanctifying American identity especially during periods of national crises such as wars and terrorist attacks Building on this analysis of baseball as an America's civil religion two chapters draw upon novels by W P Kinsella and David James Duncan to explore the sacramental potential of baseball and to align baseball with apocalyptic possibilities The final chapter serves as a full confession interpreting baseball affiliation stories as conversion narratives In various ways

Charlie Gehringer John C. Skipper, 2010-03-22 Charlie Gehringer was the best second baseman of his era He is regarded by many as the best two strike hitter of all time and his seemingly effortless fielding ability earned him the nickname of The Mechanical Man Sports writers grouched that he was too quiet to be a star Charlie replied that he didn't hit with his mouth This work follows Gehringer's career from the day a scout spotted him on the sandlots of Michigan in 1923 to his induction into the Hall of Fame in 1949 and into his life after baseball

Contemporary Authors Julie Keppen, Lisa Kumar, 2004-09 Find biographical information on more than 115 000 modern novelists poets playwrights nonfiction writers journalists and scriptwriters Sketches typically include personal information addresses career history writings work in progress biographical and critical sources authors comments and informative essays about their lives and work A softcover cumulative index is published twice per year included in subscription
