Road Trip America Andrew F. Wood,2003 Describes fast food restaurants motels and unique roadside attractions in each of the fifty states and features color photos of artifacts and vintage images *Motel America* Andrew Wood,Jenny L. Wood,2004 A guide to funky retro and off the beaten path motels around the United States from the author of ROAD TRIP AMERICA Featured motels include one where the windows face a working drive in theater making your bed the best seat in the house and another where each room is an individual teepee Learn the inspiring stories of owners maintaining impossible to duplicate motels in the face of cookie cutter chains **United States in Pictures** Thomas Streissguth,2008-01-01 The United States one of the wealthiest nations on earth is one of the world s most active trading states and a leading economic power This book examines the contrast and diversity inherent in the land its history people and government **The Little Road Trip Handbook** Erin McHugh,2009 Here s the perfect guide for trippers ready to get their kicks on Route 66 and beyond **American Folk Art** Kristin G. Congdon,Kara Kelley Hallmark,2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are **Forthcoming Books** Rose Arny,2003
