A Road Trip Into America's Hidden Heart - Traveling the Back Roads, Backwoods and Back Yards John Drake Robinson, 2012-11 He bought the car a dozen years ago Together they traveled every mile of every road on his highway map a 250 000 mile journey to discover the real America beyond the interstate Real people Obscure places Forgotten facts His story unfolds in Missouri but it could be about any state any traveler who drives into America s hidden heart MTV Road Trips U.S.A. John Vorwald, Dara Bramson, Kelsy Chauvin, Maya Kroth, Nick Honachefsky, Ashley Marinaccio, 2007-06-05 Roadtripping across the country has been a rite of passage for generations From Jack Kerouac and Neal Cassady s On the Road to Easy Rider to Thelma and Louise the journey is the destination and in Frommer s MTV US Roadtrips the old school travel guides and cutting edge authors combine their talents and resources for 10 eclectic rides Maya Kroth pursues the cue from Austin to Charlotte in a Southern BBQ Roadtrip Ethan Wolff visits the Desert Southwest on the trail of the first Americans Ashley Marinaccio stays at haunted hotels in search of the unexplained and paranormal in the Weird Northeast Our other authors go everywhere from Down the Shore through the Urban Heartland and on a tour of West Coast Underground Rock Clubs To the Heart of It Maxine Platt, 2003 In April 2002 I went to New York with four co workers to volunteer at Ground Zero for a week At the time I was the director of an AmeriCorps program in Wisconsin I announced this opportunity to the AmeriCorps members serving in my program and then coordinated the trip for those who were able to come I knew this experience would change my life so I brought a journal with me to record my thoughts and experiences I wanted to remember what it was like when I was there so I brought the journal with me everywhere I went and wrote in it every opportunity I had Reading it can be difficult for me but I do it when I feel the need to reflect I wanted to write out the notes of my journal because I needed to release my feelings from Ground Zero I also felt it was important to share this experience with others Many of my loved ones asked me what it was like volunteering at Ground Zero but I couldn t verbalize it this memoir is a recollection of what I experienced while in New York based on my journal I changed some of the names to respect the privacy of those I met To separate the time I spent exploring New York and time at Ground Zero boldface type highlights time spent at Ground Zero Because it was such an emotional experience for me and because I experienced a lot some details are fuzzy but this is how I remember New York and Ground Zero This is my experience from the bus trip to volunteering at Ground Zero and exploring New York **The Road Warrior After God's Own Heart** Bryan Paul Buckley, 2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too

often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty Driving Visions David Laderman,2010-01-01 From the visionary rebellion of Easy Rider to the reinvention of home in The Straight Story the road movie has emerged as a significant film genre since the late 1960s able to cut across a wide variety of film styles and contexts Yet within the variety a certain generic core remains constant the journey as cultural critique as exploration beyond society and within oneself This book traces the generic evolution of the road movie with respect to its diverse presentations emphasizing it as an independent genre that attempts to incorporate marginality and subversion on many levels David Laderman begins by identifying the road movie s defining features and by establishing the literary classical Hollywood and 1950s highway culture antecedents that formatively influenced it He then traces the historical and aesthetic evolution of the road movie decade by decade through detailed and lively discussions of key films Laderman concludes with a look at the European road movie from the late 1950s auteurs through Godard and Wenders and at compelling feminist road movies of the 1980s and 1990s Stranger In My Heart Mary Monro,2018-06-09 Stranger In My Heart is about the search for understanding oneself answering the question Who am I by seeking to understand the currents that sweep down the generations eddy through one s own persona and continue on palpable but often unrecognised My father fought at the Battle of Hong Kong in December 1941 was taken prisoner by the Japanese and then escaped in February 1942 making his way across 1200 miles of inhospitable country to reach China s wartime capital at Chongqing Seventy years later I retraced his steps in an effort to understand a man who had died when I was 18 leaving a lot of unanswered questions behind My book is the quest that I undertook to explore my father s life in the context of the Pacific War and our relationship with China A picture of a man of the greatest generation slowly unfolds a leader a 20th Century Great but a distant father As I delve into his story and research the unfamiliar territory of China in the Second World War the mission to get to know the stranger I called Dad resolves into a mission to understand how my own character was formed As I travel across China the traits I received from my father gradually emerge from their camouflage The strands of the story are woven together in a flowing triple helix with biography travelogue and memoir punctuated with musings on context and meaning Road Trip to Redemption Brad Mathias,2013-05-17 Brad Mathias thought everything in his family was fine A busy contented dad he had vaguely noticed that Bethany his middle child had become withdrawn and moody but he assumed it was part of being a teen and didn t look any deeper Until the night God spoke clearly to Brad and his wife Ask her to reveal what she has hidden They did and learned the secret Bethany had been carrying one that rocked their family to the core In a desperate attempt to reach their daughter and to reconnect as a family Brad and his wife piled everyone into the car and embarked on a wild crazy seven thousand mile what are we thinking trip across the country As they drove they realized how far apart they d drifted found unexpected blessings along the way and

journeyed together from pain and loss to recovery and redemption In this book Brad shares stories from the road about God's grace gives practical tips on what he learned about reconnecting as a family invites you to consider your own epic journey as a mother or father and calls you to trust wholeheartedly in the amazing love God has for your kids *A Scavenger Hunt for Hearts* Kathy Strobos,2022-07-05 An opposites attract laugh out loud feel good romantic comedy adventure novella When Kiara is dumped by text and then ghosted by her boyfriend she resolves to concentrate on her successful artist career and leave dating to those who can handle that heartbreak But the chance to dress up as a teacup work of art and participate in a scavenger hunt at the New York City modern art museum to win her favorite artist's painting has her pairing up with a stranger dressed as a Rembrandt He may not know much about modern art but he certainly knows how to make her heart beat Can Kiara take a chance on love again **Mind Your Heart** Aggie Casey,Herbert Benson,2004-04-13 This book's groundbreaking Cardiac Wellness Program uses relaxation response techniques nutrition and exercise to reduce cholesterol blood pressure and other risk factors for heart disease **The Heart Hitch** Laurie Woodford,2025-10-15 Professor Ramona Sadler lost her university job luxury townhouse and is now a substitute teacher living in a Texas RV park Plus her annoying volunteer supervisor Dr Lonnie Acres lives on the farm next door a maddening coincidence because have you seen this guy Shirtless Holding a lamb Lonnie Acres may seem aloof and sometimes downright smug but secretly he's dealing with heartache and a gentleman complex that he's wanted to shake ever since he first looked into Ramona's eyes When Ramona must travel to New York to assist her ailing mother and Lonnie helps tow her RV eighteen hundred miles to visit secrets are revealed souls are bared and it just may be the road trip of their lifetime
