Road Back A Discovery Of Judaism:

The Road Back Mayer Schiller, 1981 **The Road Back** Mayer Schiller, 1981 The Revenge of God Gilles Kepel, 1994
Kepel traces the resurgence of religious belief in the modern world focussing on radical movements within Christianity
Judaism and Islam **The World of the Yeshiva** William B. Helmreich, 2000 In the advance yeshiva adult males spend long
periods of time sometimes their entire lives studying and interpreting traditional writings on Jewish law and theology all but
totally cut off from the mainstream of American life and indeed the lives of most American Jews Why is this East European
incarnation of an ancient Jewish tradition flourishing in present day America What does its successful transplantation tell us
about Orthodox Jewish life **Once a Christian** Wayne Talbot, 2017-07-11 You worship what you do not know we know
what we worship for salvation is of the Jews But the hour is coming and now is when the true worshippers will worship the
Father in spirit and truth for the Father is seeking such to worship Him God is Spirit and those who worship Him must
worship in spirit and truth John 4 22-24 Jesus spoke these words to a Samaritan woman but the author believes that they
should be directed to Christians of all denominations Jesus preceded these words by stating that the hour is coming when you
will neither on this mountain nor in Jerusalem worship the Father Central to the prophecies is a return to Jerusalem from
where the Father will be worshipped forever Why would Jesus contradict the Father Contradictions such as these were
largely responsible for the author doubting the authenticity of the texts or if the texts are authentic then one must doubt the
claims of Jesus being the prophesied Messiah There were two key issues that the author sought to resolve separately 1 Does
Christianity truly follow the footsteps of Jesus of Nazareth or did Rome invent its own Jesus a man who never was and 2 Was
Jesus the prophesied Jewish mashiach of the kingly line of David Other contentious issues would resolve from those two
Resulting from wide ranging research the author concluded that neither Christian precept was true Believing in God and
walking away from Christianity was his only choice **The Amazing Adventures of the Jewish People** Max I.
Dimont, 1984 Presents a history of the Jewish people throughout the ages **A Time for Healing** Edward S.
Shapiro, 1995-05 Volume V A Time for Healing A Time for Healing chronicles a time of rapid economic and social progress
Yet this phenomenal success explains Edward S Shapiro came at a cost Shapiro takes seriously the potential threat to Jewish
culture posed by assimilation and intermarriage asking if the Jewish people having already endured so much will survive
America's freedom and affluence as well **The Emergence of Jewish Theology in America** Robert G. Goldy, 1990-02-22
In The Emergence of Jewish Theology in America Robert G Goldy traces the birth and development of American Jewish
theology from the Second World War to the present taking into account its social historical and intellectual roots and its
revolutionary impact on the rabbinate and the Jewish intellectual community Affected by the horrors of war many third
generation American Jews became dissatisfied with Jewish liberal thought and sought an American Jewish theology that
would be radical existentialist and neo Orthodox *Women, Religion, and Social Change* Yvonne Yazbeck Haddad, Ellison

Banks Findly,1985-01-01 De bijdragen in dit boek onderzoeken welke rol vrouwen van diverse religieuze achtergronden hebben gespeeld in revoluties en sociale veranderingen Er wordt nagegaan hoe religies de deelname van vrouwen aan het sociale veranderingsproces stimuleren of belemmeren Alle grote wereldgodsdiensten en hun verschillende lokale invullingen komen aan bod

For the Love of Israel and the Jewish People Nathan Lopes Cardozo,2018-08-14 The unique almost mysterious connection between the land of Israel and the Jewish people is at the heart of this remarkable collection of essays Author Nathan Lopes Cardozo addresses questions such as How is it that contrary to all the laws of history the Jewish people outlived so many powerful empires How has such a tiny nation been able to make an unprecedented contribution to the well being of all of humankind Why did the Jewish people become a source of endless irritation to those who opposed their ethical teachings and How can the State of Israel rediscover its Jewish identity as the source of its greatest blessing and hope As he explores these issues Lopes Cardozo explains how the Jews even in their exile were able to develop almost a portable homeland taking the spirit and the concept of Israel with them wherever they went
