Roads And Rivals The Political Uses Of Access In The Borderlands Of Asia:

Roads and Rivals Mahnaz Z. Ispahani,1989 In *Roads and Rivals* Mahnaz Ispahani explores the crucial but unacknowledged role that land routes have played in the strategic political and economic evolution of those borderlands She shows that routes are a pivot around which a regional biography can be written and provides ample evidence for the link between security and development policies of Third World states

Roads and Rivals Mahnaz Z. Ispahani,1989 **Roads and Rivals** Mahnaz Ispahani,2019-05-15 Over the past two centuries the borderlands of Central South and West Asia have been transformed from the remote peripheries into areas of intense regional and international interest In *Roads and Rivals* Mahnaz Ispahani explores the crucial but unacknowledged role that land routes have played in the strategic political and economic evolution of those borderlands

Infrastructure and the Remaking of Asia Max Hirsh,Till Mostowlansky,2022-10-31 In the twenty first century infrastructure has undergone a seismic shift from West to East Once concentrated in Europe and North America global infrastructure production today is focused squarely on Asia *Infrastructure and the Remaking of Asia* investigates the deeper implications of that pivot to the East Written by leading international infrastructure experts it demonstrates how new roads airports pipelines and cables are changing Asian economies societies and geopolitics from the Bosphorus to Beijing and from Indonesia to the Arctic Ten tightly interwoven case studies powerfully illustrate infrastructure s leading role in three global paradigm shifts climate change digitalization and China s emergence as a superpower Combining social science methods with mapping techniques from the design professions *Infrastructure and the Remaking of Asia* establishes a dialogue between academic research on infrastructure and the professional insights of those responsible for infrastructure s planning production and operation By applying that mixed method to transport energy telecommunication and resource extraction projects across Asia the book synthesizes research on infrastructure from six academic fields while making those insights accessible to a wider audience of students professionals and the general public For links to the open access PDF and EPUB editions chapter downloads and detailed information visit the project website <https://infrastructureasia.net>

The Geopolitics of East Asia Robyn Lim,2012-10-12 East Asia is a potential area of international conflict with a number of possible flashpoints and with the absence of strong regional organisations able to deal with conflict resolution At the same time global powers frequently get involved in the international politics of the region in order to protect their interests This book presents a comprehensive overview of the geopolitics of the region It focuses in particular on the way geographical and historical forces continue to play a key role in shaping international relations here It considers the role of both regional and international powers and assesses the risks of war in the region

Afghanistan's Political Stability Ahmad Shaye Qassem,2016-03-16 Political stability has been a central theme of policy for all governments and political systems in the history of modern Afghanistan Since its inception in the mid nineteenth century the country experimented with a diverse succession of political systems and state ideologies matched by few other countries

political histories In the span of less than nine decades since independence in 1919 the Afghan state was substantially restructured at least a dozen times This volume looks at Afghanistan s historic relations with Central and South Asia ethno nationalism and development Soviet occupation and transformation of relations with Pakistan stability of the Islamic State and regional cooperation It examines how Afghanistan s different political systems reformed and readjusted policies to make them more conducive to political stability Yet political stability at best has remained a dream unrealized in Afghanistan

The Frontier Complex Kyle J. Gardner, 2021-01-21 Kyle J Gardner reveals the transformation of the historical Himalayan entrep t of Ladakh into a modern disputed borderland through an examination of rare British Indian Ladakhi and Kashmiri archival sources In so doing he provides both a history of the rise of geopolitics and the first comprehensive history of Ladakh s encounter with the British Empire He examines how colonial border making practices transformed geography into a political science and established principles that a network of imperial frontier experts would apply throughout the empire and bequeath to an independent India Through analyzing the complex of imperial policies and practices The Frontier Complex reveals how the colonial state transformed and was transformed by new ways of conceiving of territory Yet despite a century of attempts to craft a suitable border the British failed The result is an imperial legacy still playing out across the Himalayas US-Pakistan Relationship A.Z. Hilali, 2017-07-05 Hilali provides an excellent study into the US Pakistan

partnership under the Reagan administration The book explores the causes of Pakistan s involvement in the Afghanistan war and the United States support to prevent Soviet adventurism It shows that Pakistan was the principal channel through which assistance was provided to Afghan freedom fighters it also provided access to its military bases to use against the Soviet Union The study looks at the consequences of the war on Pakistan and explains how it became enmeshed within its domestic politics Furthermore it evaluates the role of Pakistan as a key partner in the global coalition against terrorism and discusses how General Pervez Musharraf brought about Pakistan s development towards a progressive moderate and democratic society Ideally suited to courses on foreign policy Penang and Its Region Neil Khor, Khoo Salma Nasution, Loh Wei

Leng, Yeoh Seng Guan, 2009-01-01 From its beginnings in the late eighteenth century the vibrant colonial port of Penang attracted a diverse range of peoples enabled pioneering commercial enterprises and fomented inter ethnic collaboration and inter cultural borrowings The island came to be known as the Pearl of the Orient and for many travellers it was their first port of call in Southeast Asia In the early nineteenth century Singapore displaced Penang in international trade but the island remained a major focus of regional trade For this reason the story of Penang s relations with the Malay Peninsula and other parts of Southeast Asia reveal a great deal about conditions within the region New Acquisitions for ... United States.

Department of State. Library, Banking on Beijing Axel Dreher, Andreas Fuchs, Bradley Parks, Austin Strange, Michael J. Tierney, 2022-05-05 Explains China s transformation from benefactor to banker in its relationship with developing countries and traces the impacts of this change The China-Pakistan Axis Andrew Small, 2020 The first book length analysis of an

often secretive but mutually beneficial military and strategic partnership **Encyclopedia of the Cold War** Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945-1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

Nation, Territory, and Globalization in Pakistan Chad Haines, 2013-03-01 The Karakoram Highway was constructed by the Pakistani state in the 1970s as a major development project that furthered the national interest and solidified state control over the disputed region of northern Pakistan Focusing on this highway this book provides a unique analysis of the links between space travel and history in the formation of the Pakistani nation state The book discusses how the highway was a symbol for an imagined national identity and goes on to look at how it offered Pakistan a pre Partition history and a fixed territory by providing a historical link to the Silk Route and a contemporary geographical linkage to Central Asia Examining the influence of the diverse travellers along the Karakoram Highway the book shows how global flows of development trade labour and tourism have remapped the Pakistani nation state and reshaped the local Providing a fresh perspective on the nation state of Pakistan this book is an important contribution to studies on South Asian History Anthropology Politics and Geography

The Sino-Indian Rivalry Sumit Ganguly, Manjeet S. Pardesi, William R. Thompson, 2023-06-29 Drawing on a wide body of literature on international rivalries this comprehensive and theoretically grounded work explains the origins and evolution of the Sino Indian rivalry Contrary to popular belief the authors argue that the Sino Indian rivalry started almost immediately after the emergence of the two countries in the global arena They demonstrate how the rivalry has systemic implications for both Asia and the global order intertwining the positional and spatial dimensions that lie at the heart of the Sino Indian relationship Showing how this rivalry has evolved from the late 1940s to the present day the essays in this collection underscore its significance for global politics and highlight how the asymmetries between India and China have the potential to escalate conflict in the future *Geopolitics, Geography and Strategic History* Geoffrey Sloan, 2017-02-17 This volume examines geopolitics by looking at the interaction between geography strategy and history This book addresses three interrelated questions why does the geographical scope of political objectives and subsequent strategy of states change How do these changes occur Over what period of time do these changes occur The theories of Sir

Halford Mackinder and Nicholas Spykman are examined in order to provide an analytical narrative for five case studies four historical and one contemporary Taken together they offer the prospect of converting descriptions of historical change into analytic explanations thereby highlighting the importance of a number of commonly overlooked variables In addition the case studies will illuminate the challenges that states face when attempting to change the scope of their foreign policy and geo strategy in response to shifts in the geopolitical reality This book breaks new ground in seeking to provide a way to understand why and how the geographical scope of political objectives and subsequent strategy both expands and contracts This book will be of much interest to students of geopolitics strategic studies military history and international relations

Globalizing Geographies: Perspectives from Eurasia Ms A Sengupta, Ms S Chatterjee, 2014-12-15 This volume examines the Eurasian engagement with geographies of globalisation through an understanding of the intersection of space and place in Eurasia Eurasian encounters with globalisation in terms of shifting spheres in politics economics and culture levels of integration and the intricate patterns of roads and routes It also takes note of challenges encountered by social groups and communities in the face of globalising tendencies The role of emerging alternatives within the region and community partnerships in Eurasia has also been addressed Written by Eurasian scholars and others working on the region it takes note of the formal and informal linkages between local communities and the larger global arena of which they are a part The Eurasian context and the changing contours of Eurasia's globalised space have been addressed in this book The book would be of value to scholars and practitioners engaged in policy debates and area studies

Methods in the Mediterranean David Small, 2018-07-17 This collection of essays treats the fundamental issue of the correlation of archaeology and texts in recreating the ancient Mediterranean world Contributions from Classical and Near Eastern archaeologists and historians address specific points of correlation and their potential for future productive research in the Mediterranean After an introduction to the issue of texts and archaeology the essays treat concepts such as site as text artifactual contingency of meaning correlating survey with documents contextual independence of evidence textual bases for archaeological approaches and correlating faunal evidence with texts This book will be of important use to archaeologists and historians of the Mediterranean and scholars of archaeological research in historical archaeology in general

Timespace and International Migration Elizabeth Mavroudi, Ben Page, Anastasia Christou, 2017-11-24 Furthering understanding of the temporalities and spatialities of how people move across international boundaries this book analyses how timespace intersects with migrant journeys as an integral aspect of the rhythms of daily lives Individual chapters engage with these concepts by analysing a broad spectrum of migrations and mobilities from youth mobility to refugee migration to gentrification to food and to the political geography of the border

The Legend of the Golden Boat Andrew Walker, 1999-09-01 The Legend of the Golden Boat provides a new approach to the study of Southeast Asia's northern borderlands Based on extensive travel in the upper Mekong hinterland it is a fascinating account of the lives of the transport

operators traders entrepreneurs and government officials This ethnographic study is set against an intriguing background of war revolution and reform providing one of the most detailed histories of the upper Mekong borderlands ever written Contemporary developments in the upper Mekong region are often interpreted in terms of the emergence of a trans border Economic Quadrangle characterized by liberalization integration and cooperation This book seeks to go beyond this promotional rhetoric and explore the ambiguities and contradictions in the Quadrangle s development
