Children's Reading Choices Martin Coles,Christine Hall,2002-01-04 Children s Reading Choices discusses the reading habits of children aged between 10 and 14 The book reports the findings of the Children s Reading Choices project conducted by the authors from the University of Nottingham and the largest national survey of children s reading choices since the 1970s The book includes reports and discussion on girls and boys reading preferences and the differences between their reading habits the place of series books teenage magazines and comics in children s reading the most popular authors and titles at different ages purchasing habits and library use *A Guided Reader for Secondary English* David Stevens,2012 The Guided Reader for Secondary English draws on extracts from the published work of some of the most influential education writers to provide insight guidance and clarity about key issues affecting Secondary English teachers The book brings together key extracts from classic and contemporary writing and contextualises these in both theoretical and practical terms The extracts are accompanied by a summary of the key ideas and issues raised questions to promote discussion and reflective practice and annotated further reading lists to extend thinking Taking a thematic approach and including a short introduction to each theme the chapters cover Theoretical models of curricular English The nature and structure of the Secondary School English curriculum Historical perspectives Texts and intertextuality The arts context for secondary English Assessment and evaluation Linguistic and cultural contexts Future possibilities and tensions Aimed at trainee and newly qualified teachers including those working towards Masters level qualifications as well as existing teachers this accessible but critically provocative text will be an essential resource for those that wish to deepen their understanding of Secondary English Education **Popular Children's Literature in Britain** Julia Briggs,Dennis Butts,2016-12-05 The astonishing success of J K Rowling and other contemporary children s authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children s books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children s preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks

fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they considering the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success

Contemporary Issues in Primary Education Mark Brundrett, Gary Beauchamp, Paul Latham, Malini Mistry, Michelle Murray, Becky Taylor, Peter Wood, 2022-10-03 This book was developed as part of the celebrations for the 50th anniversary of the founding of the journal Education 3 13 which has always had primary education as its main focus The journal has been published by Routledge since 2007 and is the most important academic publication in the field internationally This book has been edited by a team of academics and senior practitioners all of whom are members of the Board of the journal or the Association for the Study of Primary Education which is the owning body of the journal It will serve as an excellent resource to researchers and students of primary education Topics include major contemporary issues such as key challenges in the field learning and teaching wellbeing teachers work and professionalism and outdoor learning The chapters in this book comprise articles published in Education 3 13 in the last ten years

Reading Harry Potter Giselle Liza Anatol, 2003-05-30 J K Rowling achieved astounding commercial success with her series of novels about Harry Potter the boy wizard who finds out about his magical powers on the morning of his eleventh birthday The books incredible popularity and the subsequent likelihood that they are among this generation s most formative narratives call for critical exploration and study to interpret the works inherent tropes and themes The essays in this collection assume that Rowling s works should not be relegated to the categories of pulp fiction or children s trends which would deny their certain influence on the intellectual emotional and psychosocial development of today s children The variety of contributions allows for a range of approaches and interpretive methods in exploring the novels and reveals the deeper meanings and attitudes towards justice education race foreign cultures socioeconomic class and gender Following an introductory discussion of the Harry Potter phenomenon are essays considering the psychological and social developmental experiences of children as mirrored in Rowling s novels Next the works literary and historical contexts are examined including the European fairy tale tradition the British abolitionist movement and the public school story genre A third section focuses on the social values underlying the Potter series and on issues such as morality the rule of law and constructions of bravery

Young Children's Literacy Development and the Role of Televisual Texts Naima Browne, 2005-06-22 Explores and analyses the ways in which very young children s developing literacy can be supported by their experience of watching TV and videos This book addresses ways teachers can use children s experience of watching stories on video or TV to feed back into their own story writing reading story telling and role play in the classroom Explores areas specifically highlighted in the National Curriculum for English and will benefit teachers developing their literacy teaching in light of the
