Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author s work or see a year s bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser s guide this book outlines the indispensable information in America s rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway s breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author s major works for a particular year while placing them within

the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience: war and peace, boom and bust, and reaction to social change. You'll find everything here, from Benjamin Franklin's *Experiments and Observations on Electricity* to Davy Crockett's first memoir, from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*, from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger Jr. Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates, *The Chronology of American Literature* belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present. *The Church Times*, 1904

Auction Catalogue C.F. Libbie & Co., 1908 It's How You Play the Game Willa Okati, 2007-11-28

In this follow-up to *The Name of the Game*, Seth and Clay's friend Anthony decides to cater his happy friend's wedding. Problem is, he can't cook, so he signs on to take lessons, willing to do whatever it takes to help out. Anthony bumps into the most amazing man at cooking school, a guy named Roan, who seems more edible than anything on the menu. During class, Roan thinks Anthony is quite a dish too and sets out to demolish Anthony's defenses, captivating and seducing. Happy to play around, Anthony allows himself to be seduced, but Roan starts to push for something more. Unsure that he wants to make such a commitment, Anthony backs away, but Roan has a reason to live life like there's no tomorrow, and he doesn't want to take no for an answer. Like a game of fire and ice, Anthony and Roan come together and split apart, trying to find a middle ground. Can they find a way to be as happy as Seth and Clay?

Robinson Jeffers James Karman, 2015-08-05

A deeply informative biography situates the poet in his time and place, tracing the effect of both contemporary history and wild nature on his work. Edwin Cranston, Harvard University. The precipitous cliffs, rolling headlands, and rocky inlets of the California coast come alive in the poetry of John Robinson Jeffers, an icon of the environmental movement. In this concise and accessible biography, Jeffers scholar James Karman reveals deep insights into this passionate and complex figure and establishes Jeffers as a leading American poet of prophetic vision. In a move that would define his life's work, Jeffers' family relocated to California from Pennsylvania in 1903, when he was sixteen. At the height of his popularity in the 1920s and 1930s, Jeffers became one of the few poets ever featured on the cover of *Time* magazine and posthumously put on a U.S. postage stamp. Writing by kerosene lamp in a granite tower that he had built himself, his vivid and descriptive poetry of the coast evoked the difficulty and beauty of the wild and inspired photographers such as Edward Weston and Ansel Adams. He was known for long narrative blank verse that shook up the national literary scene, but in the 1940s, his interest in the Greek classics led to several adaptations which were staged on Broadway to great success. Inspiring later artists from Charles Bukowski to Czeslaw Milosz and even the Beach Boys, Robinson Jeffers' contribution to American letters is skillfully brought back out of the shadows of history in this compelling

biography of a complex man of poetic genius who wrote so powerfully of the astonishing beauty of nature
