of a hawk The struggle for freedom can test the chains of power poverty gender or the legalized horror of slavery And to her surprise she discovers it can be found within a marriage a relationship between a man and a woman who are equals in everything that matters It s also the story of Jabez Robinson a man who has traveled across the continent and seen the beauty of the country and the ghastliness of war as he watches his nation barrel toward disaster Faced with deep seated social institutions and hard headed intransigence he finds himself helpless to intervene Jabez s story is an indictment of war in any century or country and an admission that common sense and reasoned negotiation continue to fail us As Agnes and Jabez struggle to keep their community and their lives from crumbling about them they must face the stark reality that whether it s the freedom of an African from servitude of the South from the North or of a woman from the demands of social convention the cost is measured in chaos and blood This eloquent work of historical fiction chronicles the building of a marriage against the background of a civilization growing and dying in the run up to civil war
