Robert Altman Hollywood Survivor:

Robert Altman Daniel O'Brien,1995 *Robert Altman* Daniel O'Brien,1996-11 One of the most talented and unique filmmakers of all time Robert Altman with his preference for offbeat characters experimental techniques and improvisation has produced a succession of artistically outstanding films From MASH to Popeye Nashville to The Player Altman is that rare Hollywood filmmaker who will not compromise his vision In Robert Altman Hollywood Survivor Daniel O'Brien gives a concise overview of the entire career and examines the reasons for Altman's rise and fall from critical acclaim concluding with the big comeback of the 1990s

Robert Altman's Subliminal Reality Robert T. Self,2002 With his complex and unconventional films Robert Altman often draws an impassioned response from critics but bafflement and indifference from the general public Some audiences have dismissed his movies as insignificant unsatisfying and unreadable Ironically Altman might agree he makes films in order to challenge filmgoers' expectations of straightforward narratives and easily understood endings In Robert Altman's Subliminal Reality Robert T. Self sheds light on Altman's work and provides the most comprehensive analysis of his films to date With close readings of classics like MASH McCabe Mrs Miller and Nashville as well as the more recent films The Player Short Cuts and Cookie's Fortune Self asserts the value of Altman's work not only to film theory and the entertainment industry but to American culture Book jacket

The Cinema of Robert Altman Robert Niemi,2016-03-01 In a controversial and tumultuous filmmaking career that spanned nearly fifty years Robert Altman mocked subverted or otherwise refashioned Hollywood narrative and genre conventions Altman's idiosyncratic vision and propensity for formal experimentation resulted in an uneven body of work some rank failures and intriguing near misses as well as a number of great films that are among the most influential works of New American Cinema While Altman always professed to have nothing authoritative to say about the state of contemporary society this volume surveys all of his major films in their sociohistorical context to reposition the director as a trenchant satirist and social critic of postmodern America depicted as a lonely wasteland of fraudulent spectacle exploitative social relations and unfulfilled solitaires in search of elusive community

Robert Altman Frank Caso,2015-10-15 Known as an iconoclast and maverick film director Robert Altman has consistently pushed against the boundaries of genre From refashioning film noir in The Long Goodbye the western in McCabe Mrs Miller the psychological drama in Images science fiction in Quintet and the romantic comedy in A Perfect Couple he has always tested the limits of what film can and should do In this book Frank Caso examines the development of Altman's artistic method from his earliest days in industrial film to his work in television and feature films Altman is one of those directors whose films audiences can easily recognize but what exactly are the distinctive elements that have become his signature Caso identifies more than twenty such elements in Altman's style tracing some such as his use of free hand cameras and engagement with Christian imagery to the beginning of his career Caso also examines Altman's unsettling mix of offbeat comedic tone with a predominance of violence murder and death showing how their counterpointing

effects rendered his films at once naturalistic and otherworldly Exploring these and other aspects of the Altmanesque style

Caso maps the innovations that have made Altman a master filmmaker Enriched with illustration throughout Robert Altman will appeal to fans of this distinctive American auteur or anyone interested in ground breaking cinema **Fifty Hollywood Directors** Suzanne Leonard,Yvonne Tasker,2014-11-20 Fifty Hollywood Directors introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical cultural and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director s practices and body of work and features a brief biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director **A Companion to Robert Altman** Adrian Danks,2015-06-22 A Companion to Robert Altman presents myriad aspects of Altman s life career influence and historical context This book features 23 essays from a range of experts in the field providing extensive coverage of these aspects and dimensions of Altman s work The most expansive and wide ranging book yet published on Altman providing a comprehensive account of Altman s complete career Provides discussion and analysis of generally neglected aspects of Altman s career including the significance of his work in television and industrial film the importance of collaboration and the full range and import of his aesthetic innovations Includes essays by key scholars in Altman studies bringing together experts in the field emerging scholars and writers from a broad range of fields Multi disciplinary in design and draws on a range of approaches to Altman s work being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan Offers specific insights into particular aspects of film style and their application industrial and aesthetic film and TV history and particular areas such as the theorisation of space place authorship and gender **The Lost Decade** Chris Horn,2023-10-19 Provides an analysis of Hollywood from a fresh viewpoint that shows the careers of Robert Altman Francis Coppola William Friedkin and others in the 1980s as far from conforming to a monolithic pattern of decline but rather as diverse and complex responses to political and industrial changes The 1980s are routinely seen as the era of the blockbuster and of Reaganite entertainment whereas the dominant view of late 1960s and early 1970s American film history is that of a Hollywood Renaissance a relatively brief window of artistry based around a select group of directors Yet key directors associated with the Renaissance period remained active throughout the 1980s and their work has been obscured or dismissed by a narrow singular model of American film history This book deals with industrial contexts that conditioned these directors ability to work creatively but it is also very much about the analysis of individual films bringing to light a range of unheralded work from the visual experimentation of One from the Heart Coppola 1981 to the experimental production contexts of Secret Honor Altman 1984 and the stylistic lan of To Live and Die in L A

Friedkin 1985 Behind the homogenous picture of the decline of the auteur in 1980s American cinema are films and careers that merit greater attention and this book offers a new way to perceive individual films American film history and the viability of sustained authorial creativity within post studio era Hollywood *Robert Altman's Soundtracks* Gayle Sherwood Magee,2014 Robert Altman s Soundtracks offers a compelling new look at this celebrated director s films through his innovative uses of music and sound As author Gayle Sherwood Magee illustrates Altman s considerable and varied output speaks to the changing film industry over decades from Nashville 1975 to A Prairie Home Companion 2006 Robert Altman and the Elaboration of Hollywood Storytelling Mark Minett,2020-12-22 Robert Altman and the Elaboration of Hollywood Storytelling reveals an Altman barely glimpsed in previous critical accounts of the filmmaker This re examination of his seminal work during the New Hollywood period of the early 1970s including M A S H Brewster McCloud McCabe Mrs Miller Images The Long Goodbye Thieves Like Us California Split and Nashville sheds new light on both the films and the filmmaker reframing Altman as a pragmatic innovator whose work exceeds but is also grounded in the norms of classical Hollywood storytelling
