

ROBERT BALL AND THE POLITICS OF SOCIAL SECURITY

EDWARD D. BERKOWITZ

Robert Ball And The Politics Of Social Security

Daniel Béland

Robert Ball And The Politics Of Social Security:

Robert Ball and the Politics of Social Security Edward D. Berkowitz, 2003 Berkowitz tells the inside story of Social Security politics including controversies during the 1970s Congressional rescue of the program in 1983 and the ongoing debates about structure and solvency that have enveloped the program since the 1990s He looks at how the Social Security Administration gained and nearly lost a reputation for administrative competence how Medicare was put into operation and why campaigns to create national health insurance have failed Jacket

The Other Welfare Edward D. Berkowitz, Larry DeWitt, 2013-06-20 The Other Welfare offers the first comprehensive history of Supplemental Security Income SSI from its origins as part of President Nixon's daring social reform efforts to its pivotal role in the politics of the Clinton administration Enacted into law in 1972 Supplemental Security Income SSI marked the culmination of liberal social and economic policies that began during the New Deal The new program provided cash benefits to needy elderly blind and disabled individuals Because of the complex character of SSI marking both the high tide of the Great Society and the beginning of the retrenchment of the welfare state it provides the perfect subject for assessing the development of the American state in the late twentieth century SSI was launched with the hope of freeing welfare programs from social and political stigma it instead became a source of controversy almost from its very start Intended as a program that paid uniform benefits across the nation it ended up replicating many of the state by state differences that characterized the American welfare state Begun as a program intended to provide income for the elderly SSI evolved into a program that served people with disabilities becoming a primary source of financial aid for the de institutionalized mentally ill and a principal support for children with disabilities Written by a leading historian of America's welfare state and the former chief historian of the Social Security Administration The Other Welfare illuminates the course of modern social policy Using documents previously unavailable to researchers the authors delve into SSI's transformation from the idealistic intentions of its founders to the realities of its performance in America's highly splintered political system In telling this important and overlooked history this book alters the conventional wisdom about the development of American social welfare policy Social Security Bulletin, 2008

Social Security Daniel Béland, 2005 Compact timely well researched and balanced this institutional history of Social Security's seventy years shows how the past still influences ongoing reform debates helping the reader both to understand and evaluate the current partisan arguments on both sides *Encyclopedia of Social Welfare History in North America* John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments Congressional Record United States. Congress, 2001

Social Insurance Theodore R. Marmor, Jerry L. Mashaw, John Pakutka, 2013-10-11 What

has America done to protect its citizens from life changing but common risks such as death of a family breadwinner ill health disability involuntary unemployment outliving retirement savings and birth into a poor family Each in its own way burdens and possibly devastates unlucky individuals and families both emotionally and financially It is the rare life that is untouched by one or more of these six threats How do our current policies affect taxation spending and the economy as well as prospects for individual lives What more might these policies do to protect Americans Rich in stories data and analysis Social Insurance by Theodore R Marmor Jerry L Mashaw and John Pakutka provides a strong intellectual foundation for understanding the history economics politics and philosophy of America s most important social insurance programs This insightful work provides a unifying vision of these programs purposes and reminds us amidst the confusing and often apocalyptic rhetoric why we have the programs and policies we do while arguing for reforms that preserve and enhance the protections in place

The Battle for Social Security Nancy J. Altman, 2012-06-29 This book illuminates the politics and policy of the current struggle over Social Security in light of the program s compelling history and ingenious structure After a brief introduction describing the dramatic response of the Social Security Administration to the 9 11 terrorist attack the book recounts Social Security s lively history Although President Bush has tried to convince Americans that Social Security is designed for the last century and unworkable for an aging population readers will see that the President s assault is just another battle in a longstanding ideological war Prescott Bush the current President s grandfather remarked of FDR The only man I truly hated lies buried in Hyde Park The book traces the continuous thread leading from Prescott Bush and his contemporaries to George W Bush and others who want to undo Social Security The book concludes with policy recommendations which eliminate Social Security s deficit in a manner consistent with the program s philosophy and structure

Resisting Reagan Joe J. Ryan-Hume, 2025-06-10 Liberalism is at a crossroads It will either evolve to meet the issues of the 1980s or it will be reduced to an interesting topic for Ph D writing historians So stated the young Massachusetts Senator Paul Tsongas in June 1980 in the keynote address before the liberal organization Americans for Democratic Action Tsongas s statement was a bracing critique of the liberal establishment and a call to creative action in the face of the new economic social and political realities that had engulfed the country since the 1960s While liberal leadership failed to pivot enough to maintain the presidency many were shocked by and dismissive toward Tsongas s message Ronald Reagan s election forced Democrats to change their approach According to a widespread consensus the country during the Reagan era moved inexorably to the Right as liberalism experienced a sustained period of decline and marginalization On this view an increasingly dominant conservative movement overwhelmed New Deal liberalism and forced Democrats to retreat or accommodate the new conservative order Drawing on a wealth of archival research Joe J Ryan Hume argues that liberalism had far more success during this period than historical orthodoxy would suggest Ryan Hume examines how grassroots liberal organizations such as NOW NARAL and the Leadership Conference on Civil Rights reformed their strategies in the wake of

the Reagan Revolution to remain influential By focusing on the nexus of grassroots activism political ideology and party politics *Resisting Reagan* reveals the complex reorientation of liberalism and the Democratic Party in the 1980s In doing so it illuminates how the changing activist and electoral coalition reshaped the Democratic Party s political priorities how liberal grassroots organizations creatively advanced their policy objectives and how liberals pragmatically brokered legislation to protect or advance liberalism in an increasingly anti government environment Liberals survived the Reagan era according to Ryan Hume by changing tone instead of substance building powerful coalitions and designing new strategies to exploit emerging trends By looking at 1980s politics from the bottom up *Resisting Reagan* offers a surprising view at a period that offers lessons for today

The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents

Right here, we have countless books **Robert Ball And The Politics Of Social Security** and collections to check out. We additionally pay for variant types and next type of the books to browse.
